Date:

Day Month Year

Identification

Question 1

Instructions:

Please write legibly and used printed letters. Please fill each space with a single character (either a letter or a number).

- Answer each question as ease. This is NOT AN EXAM and there are not correct or incorrect answers.
- Please read each question carefully and use a blue or a black pen.

Please check if the following information is correct and correct any errors.

Is this information correct? If not, please correct it below:

First Given Name Yes No

Second Given Name Yes No

First Last Name Yes No

Second Last Name Yes No

Birth Date:

Day Month Year

Is the date correct? Yes No

If it is not correct, please provide the correct date below:

Day Month Year

Are you male or female? Female Male

Question 2

What is the name of your father or your guardian?

First name(s)

First Last Name

Second Last Name

Question 3

What is the name of your mother?

First name(s)

First Last Name

Second Last Name

About your background

Question 4

What is the highest educational level that your parents or guardians achieved?

Choose ONE option per parent or guardian.

Level	Mother	Father
I do not know.		
Did not go to school.		
Did not complete primary school.		
Did not complete the 6th year of primary education.		
Completed some years of high school.		
Completed the 5th year of primary education.		
Studied for a technical qualification but did not complete it.		
Studied for a technical qualification and completed it.		
Studied for a university degree but did not finish it.		
Studied for a university degree and finished it.		

Question 5

Do you have any close family member who achieved educational levels below?

Choose ALL relevant options.

	Older Brother	Older Sister	Cousins	Aunts or Uncles	Family Friend
Did not go to school.					
Did not complete primary school.					
Did not complete the 6th year of primary education.					
Completed some years of high school.					
Completed the 5th year of primary education.					
Studied for a technical qualification but did not complete it.					
Studied for a technical qualification and completed it.					
Studied for a university degree but did not finish it.					
Studied for a university degree and finished it.					

Question 6

Do you have any siblings who are also studying in this school? Yes No

If you answered yes, how many?

Question 7

Do you know if your family is a beneficiary of the JUNTOS program?

Choose ONE of the options:

I have never heard of this program

I am familiar with this program but my family is not a beneficiary

I am familiar with this program and my family is a beneficiary

I do not know

Ability and academic achievement

Question 8

How much effort do you think you make at school?

Mark ONE of the options.

Almost none

Little

As Necessary

A lot

Question 9

In which subject do you think you have the most ability?

Mark ONE of the options.

Mathematics

Natural Sciences

Language

History and Social Sciences

All subjects equally

None

Question 10

What do you think your ability is in the following subjects:

Choose ONE option per column.

Level	Mathematics	Sciences	Language	History and Social Sciences	General average, considering all subjects
Very low					
Low					
Average					
High					
Very high					

Question 11

Considering your abilities at school today, if you made more effort, with what probability you think you could improve your academic achievement:

Choose ONLY ONE option.

Impossible		Unlikely			Possible			Very Possible			Definitely
Average of all subjects	0%	10%	20%	30%	40%	50%	60%	70%	80%	90%	100%
Mathematics and Sciences	0%	10%	20%	30%	40%	50%	60%	70%	80%	90%	100%
Languages and Social Sciences	0%	10%	20%	30%	40%	50%	60%	70%	80%	90%	100%

Question 12

If you attended a school of higher quality, would the likelihood of improving your academic achievement increase?

Choose ONE of the options.

	The likelihood would increase	The likelihood would not change	The likelihood would decrease
Average of all subjects			
Mathematics and Sciences			
Languages and Social Sciences			

Question 13

Considering all the other students who are in the same grade as you in YOUR SCHOOL, how do you think your ability compares with other students in the following subjects?

Choose ONE option.

Level	Mathematics	Sciences	Language	History and Social Sciences	Average of all subjects
Top 20% - Your level is much higher					
Top 40% - Your level is higher					
Similar – Your level is similar					
Bottom 40% - Your level is lower					
Bottom 20% - Your level is much lower					

Question 14

Considering all the other students who are in the same grade as you in THE WHOLE COUNTRY, how do you think your ability compares with other students in the following subjects?

Choose ONE option.

Level	Mathematics	Sciences	Language	History and Social Sciences	Average of all subjects
Top 20% - Your level is much higher					
Top 40% - Your level is higher					
Similar – Your level is similar					
Bottom 40% - Your level is lower					
Bottom 20% - Your level is much lower					

Your plans and expectations for the future

Question 15

How much thought did you give to the type of work you would like to do when you are an adult?

Chose ONE of the options.

I did not think about it

I thought very little about it

I thought little about it

I thought a lot about it

Question 16

Do you know type of work you would like to do when you are an adult?

Choose ONE of the options.

I do not know at all what type of work I would like.

I just have some general ideas about the type of work I would like.

I know some specific types of work I would like.

I am absolutely sure about the specific type of work I would like

Question 17

If you had to choose a type of work today, what type of work would you like to do when you are an adult?

Choose ONE of the options.

Dropdown Menu (List in Appendix 2)

Question 18

If you had to choose a type of work today and the option you selected before was not available, what type of work would you like to do when you are an adult?

Choose ONE of the options.

Dropdown Menu (List in Appendix 2)

Question 19

How much have you thought of the type of education you would like to achieve to prepare yourself for your future work?

Choose ONE of the options.

I did not think about it

I thought very little about it

I thought little about it

I thought a lot about it

Question 20

How much have you discussed your future and the level of education you should achieve with the following people?

Choose ONE option per column.

	Father/Mother	Older Siblings	Professors	Other family members	School Friends
Never					
Very few times					
Various times					
Many times					

Question 21

Do you know what level of education you would like to achieve to prepare yourself for your future work?

Choose ONE of the options.

	Yes	Not sure	No
I know what educational level I want to achieve (High school, institute, university)			
I know what area of studies I would like to pursue (Education, Arts, Humanities and Social Sciences, Law and Political Sciences, Business and Services, Sciences and Engineering, Health)			
I know the level and area of education I would like to pursue and the subject I would like to study			

Question 22

What educational level would you like to achieve?

Choose ONE of the options.

Complete 6th year of primary education and then work.

Complete some years of high school and then work.

Complete high school and then work.

Complete high school and a technical qualification and then work.

Complete high school and a university degree and then work.

Question 23

What level of education would your parents like you to achieve?

Choose ONE of the options.

Complete 6th year of primary education and then work.

Complete some years of high school and then work.

Complete high school and then work.

Complete high school and a technical qualification and then work.

Complete high school and a university degree and then work.

Question 24

What are of studies would you like to pursue?

Choose ONE of the options.

Education (e.g.: Primary and Secondary Education)

Arts, Humanities and Social Sciences (e.g. Philosophy, Literature, Sociology, Design, Graphic Design, Arts, Psychology, Communications, Gastronomy and Culinary Art, Translation and Interpretation)

Sciences and Engineering (e.g. Civil Engineering, Chemistry, Biology, Systems Engineering, Computer Sciences, Geotechnical Engineering, Construction, Zootechnics, Auto Mechanics)

Health (e.g. Medicine, Nursing, Odontology, Pharmacy Assistance, Nursing Technics, Dental Assistance)

Question 25

What area of studies would your parents like you to pursue?

Choose ONE of the options.

Education (e.g.: Primary and Secondary Education)

Arts, Humanities and Social Sciences (e.g. Philosophy, Literature, Sociology, Design, Graphic Design, Arts, Psychology, Communications, Gastronomy and Culinary Art, Translation and Interpretation)

Law and Political Studies (e.g. Law, Political Sciences)

Business and Services (e.g. Economics, Administration, Accounting, Business Engineering, Business Administration, Foreign Trade, Executive Secretary Services)

Sciences and Engineering (e.g. Civil Engineering, Chemistry, Biology, Systems Engineering, Computer Sciences, Geotechnical Engineering, Construction, Zootechnics, Auto Mechanics)

Health (e.g. Medicine, Nursing, Odontology, Pharmacy Assistance, Nursing Technics, Dental Assistance)

Question 26

What subject would you like to study?

Choose ONE of the options.

Dropdown Menu (List in Appendix 1)

Question 27

What subject would your parents like you to study?

Choose ONE of the options.

Dropdown Menu (List in Appendix 1)

Question 28

What obstacles could stand in your way for you to achieve the education level that you want?

Choose THREE OPTIONS that are most relevant to you.

Health problems

Problems in the family/home

May not qualify to continue my studies

Having to work to help support my family

Having to help my parents or guardians in their work and daily tasks

The center of study would be too far from my home

There could be no good school, university or institute near my home

My family may not have money to pay for education or I would have to work

I may have children and create a family and that would not leave sufficient time for education

Other obstacle (specify):

I do not think there would be any obstacle

Education options in Peru

Question 29

What do you think Peruvians do to access higher education?

Choose the MOST POPULAR option.

- (1) Students get a scholarship
- (2) Parents or guardians pay for their studies
- (3) Students work while studying so that they can pay for their studies
- (4) Students take out a loan to pay for their studies
- (5) I don't know

Question 30

Name the scholarship you know most about or heard talked about.

I do not know any scholarship

Question 31

What institutions do you know that offer scholarships for universities and institutes and that you could access?

Choose ALL institutions that you know.

- (1) The government
- (2) Private enterprises
- (3) Universities

Question 32

Do you think that you could access a scholarship to pay for higher education?

Choose the MOST RELEVANT option.

- (1) Yes, I think I could easily get a scholarship.

- (2) Yes, but I think it would be difficult to get a scholarship.
- (3) No, I think I would be unlikely to get a scholarship.
- (4) No, it is almost impossible to get access to a scholarship.

Question 33

If you answered that you would NOT be able to get a scholarship (options 3 or 4), why do you think that?

- (1) I do not have good enough grades to get a scholarship and I do not think that will change
- (2) I have good grades but I do not know how to apply to a scholarship
- (3) It is very difficult to get a scholarship because a lot of students apply but there are few scholarships available
- (4) One needs to have contacts to get a scholarship and my parents/guardians do not have them
- (5) There are no scholarships that would fund the type of education that I want
- (6) There are no opportunities to apply for scholarships

Question 34

Considering various obstacles, with what probability do you think you can access these educational levels?

Choose just ONE option.

Impossible		Unlikely			Possible			Very Possible			Definitely
Institute	0%	10%	20%	30%	40%	50%	60%	70%	80%	90%	100%
Renown University	0%	10%	20%	30%	40%	50%	60%	70%	80%	90%	100%
Unknown University	0%	10%	20%	30%	40%	50%	60%	70%	80%	90%	100%

Question 35

If you make more effort to improve your academic achievement, with what probability do you think you can access these educational levels?

Choose just ONE option.

Impossible		Unlikely			Possible			Very Possible			Definitely
Institute	0%	10%	20%	30%	40%	50%	60%	70%	80%	90%	100%
Renown University	0%	10%	20%	30%	40%	50%	60%	70%	80%	90%	100%
Unknown University	0%	10%	20%	30%	40%	50%	60%	70%	80%	90%	100%

Levels of education and majors

Question 36

If your studies were paid for and you were offered a place at an institution, what level of education would you choose?

Choose ONE of the options.

Complete 6th year of primary education and then work.

Complete some years of high school and then work.

Complete high school and then work.

Complete high school and a technical qualification and then work.

Complete high school and a university degree and then work.

Question 37

If your studies were paid for and you were offered a place at an institution, what area of education would you choose?

Choose ONE of the options.

Education (e.g.: Primary and Secondary Education)

Arts, Humanities and Social Sciences (e.g. Philosophy, Literature, Sociology, Design, Graphic Design, Arts, Psychology, Communications, Gastronomy and Culinary Art, Translation and Interpretation)

Law and Political Studies (e.g. Law, Political Sciences)

Business and Services (e.g. Economics, Administration, Accounting, Business Engineering, Business Administration, Foreign Trade, Executive Secretary Services)

Sciences and Engineering (e.g. Civil Engineering, Chemistry, Biology, Systems Engineering, Computer Sciences, Geotechnical Engineering, Construction, Zootechnics, Auto Mechanics)

Health (e.g. Medicine, Nursing, Odontology, Pharmacy Assistance, Nursing Technics, Dental Assistance)

Question 38

If your studies were paid for and you were offered a place at an institution, what level of education would you choose?

Choose ONE of the options.

Dropdown Menu (List in Appendix 1)

Question 39

What factors are the most important for you when selecting a career?

The TWO OPTIONS most important to you.

The money I would earn.

The social status I would gain.

I participate in extracurricular activities at school (E.g.: School Government, School Police, etc.).

How many hours do you study per week, outside hours spent in class?

Do you parents oblige you to study? Yes No

Question 47

Do your parents help you with your studies at home?

Choose ONE option.

Almost never

Sometimes

A lot

Almost always

How many hours a week do your parents make you study for the following?

Mathematics

Natural sciences

Communication

Social sciences or history

Question 48

If I do not perform well in my exams in the following courses....

My parents or guardians...	Punish me	Get angry	Get worried	Do not care
Mathematics				
Natural sciences				
Communication				
Social Sciences or History				

Time use

Question 49

Please select which activities you do for each hour of the day in a regular school day and weekend day:

Instructions: Please select from the dropdown menu.

Hour	Activity in a school day	Activity in a weekend day
6:00 – 7:00 AM		
7:00 – 8:00 AM		
8:00 – 9:00 AM		
9:00 – 10:00 AM		
10:00 – 11:00 AM		
11:00 – 12:00 AM		
12:00 – 1:00 PM		
1:00 – 2:00 PM		
2:00 – 3:00 PM		
3:00 – 4:00 PM		
4:00 – 5:00 PM		
5:00 – 6:00 PM		
6:00 – 7:00 PM		
7:00 – 8:00 PM		
8:00 – 9:00 PM		
10:00 – 11:00 PM		
11:00 – 12:00 PM		
12:00 – 1:00 AM		
1:00 – 2:00 AM		
2:00 – 3:00 AM		
3:00 – 4:00 AM		
4:00 – 5:00 AM		
5:00 – 6:00 AM		

Activity list (Dropdown menu)

Sleep

Eat

Work in exchange for money

Work at home doing household chores

Work at home in a family business

Attended school

Studied mathematics or sciences

Studied Languages or Social Sciences

Studied other

Other activity

Question 50

Do your parents give you allowance? Yes No

If you answered yes, how much money do they give you per week?

Question 51

Do you work in exchange for money? Yes No

How much do they pay you per week?

Question 52

Where did you perform the activity?

At home

In the Street (does not include public transport)

In a workplace, store, business, facility or workshop

In a household which is not yours

In a workshop or a store inside your house (a room that use exclusively)

In your household or family field

In a field that belongs to someone outside your household

In a mine

Other (please specify):

Question 53

Do your parents oblige you to work? Yes No

How many hours did you work this week as obliged by your parents?

Do your parents oblige you to give them the money that you earn? Yes No

How much money do you give your parents as per obligation per week?

Question 54

If you do not work in exchange for money, how much money do you think you could actually get for your work?

Would your parents allow you to work for money? Yes No

How many hours would your parents allow you to work?

What percentage (form 1 to 100) of the money earned would your parents oblige you to give them?

Do you work at home? Yes No

How many hours did you spend on doing house chores this week?

Were you obliged by your parents to do house chores? Yes No

How many hours did you spend on doing house chores this week as obliged by your parents?

Hazardous work

Question 55

Was at least one of the activities you did performed under the following conditions?

Between 7 pm or 7 am?

Yes

No

Did you drive or use a tractor, mill, car, motorcycle or any other machine?

Yes

No

Did lift heavy weights?

Above 5 kilos?

Yes

No

Above 10 kilos?

Yes

No

Above 15 kilos?

Yes

No

Did you handle chemicals of fertilizers? Or bleach, muriatic acid, disinfectants, pesticides, insecticides, alcohol, gasoline or kerosene?

Yes

No

Did you perform the activity under adverse weather conditions? (Excessive heat, rain, cold, snow, hail)?

Yes

No

Did you perform the activity under these conditions?

Continuous loud noises?

Yes

No

Narrow spaces or confined spaces?

Yes

No

Did you use Sharp tools? (Knife, machete, sickle, etc.)

Yes

No

Did you use any of these tools: pickaxe, shovel, rake, hammer?

Yes

No

Did you work in the following heights?

Over 2 meters?

Yes

No

Over 3 meters?

Yes

No

Over 4 meters?

Yes

No

Did you carry, receive or handle very valuable items or large amounts of money?

Yes

No

Due to your activity did you have contact with these animals?

Rats or mice?

Yes

No

Fleas?

Yes

No

Mosquitoes?

Yes

No

Ticks?

Yes

No

Dead or sick animals?

Yes

No

Did you miss school in the last week due to the activity you did?

Yes

No

Did you stop seeing your parents or relatives in the last week due to the activity you did?

Yes

No
