

Survey Sections –DFM Rural Parents 2017

Section I. Survey and interviewer data

1.1. Start time

[Short answer]

1.2. Date

[Short answer]

1.3. Surveyor ID:

[Short answer]

1.4. Surveyor name:

["Surveyor name" is pre-loaded]

1.5. Enter the code of the student being surveyed, according to the route.

[Short answer]

1.6. Now enter the information of the child whose parent/guardian you are going to interview. It's the same information that you entered into Survey CTO when you interviewed the child.
Department:

Question type is "radio button"

- Arequipa
- Cusco

1.7. Provincce:

[Provinces are pre-loaded]

1.8. District:

[Districts are pre-loaded]

1.9. Enter the code of the student whose parent is being interviewed, according to the route.

[Short answer]

1.10. Select the student

If the name of the student that you want to survey doesn't appear, YOU HAVE ENTERED THE WRONG STUDENT CODE. Go back and enter the code correctly.

["Student" information is pre-loaded]

Remember to highlight the following points when you read the consent form:

1. Voluntary nature of participating in the survey.

- 2. The information received will only be used by the researchers.
- 3. THE PARTICIPANT can stop the survey at any time.
- 4. THE PARTICIPANT has the right to ask questions at any time.

1.11. Signing here means that you agree to participate in the study.

Once the participant has signed the consent form, give them a copy of the form. **If the participant doesn't want to sign on the tablet, write NO and take a photo of the signature on the physical document.**

1.12. Did the participant sign the consent form on the TABLET?

Once the participant has signed the informed consent form, give them a copy of the form.

Question type is "radio button"

- Yes
- No

If the answer is "Yes," remember to also get the guardian's signature on one of the physical consent forms. Also, you must take a photo of the signature on the document.

If the person agreed to participate, continue with the following survey sections.

Section II. Personal Information

2.1. The name of the person you're interviewing is "Parent's First and Last Name", right?

Ask for the DNI (ID) of the participant to verify that they are the person that you're supposed to interview. If it is not the right person, stop the survey and look for the right person.

Question type "radio button"

- Yes
- No

2.2. Is your birthday [Month] [Day], [Year]?

Question type "radio button"

- Yes [Skip to 2.4.]
- No

2.3. If the birthday is incorrect, enter the correct date.

[Short answer]

2.4. So you're [Age from 2.2 or 2.3.] years old, right?

Question type "radio button"

- Yes
- No

NOTE: If that is not their age, go back and enter the the birthday correctly until the birthday and age are both correct.

2.5. Gender

Don't ask, just observe.

Question type "radio button"

- Male
- Female

2.6. Relationship to the child

Question type "radio button"

- Father
- Mother
- Guardian

2.7. Do you have a home phone, be it a cell phone or landline?

Question type "radio button"

- Yes
- No [Skip to 2.9.]

2.8. Could you give me your phone number or the phone number of someone in the household?

Try to help the participant remember the phone number. If they don't remember their own phone number or the phone number of someone else in the home, enter -99. Cell phone number is preferred.

[Short answer]

2.9. I'm going to show you an excerpt from a video so that you can then answer a related question.

Do you remember if someone else showed you this video on a tablet last year?

Question type "radio button"

- Yes, I saw the video last year
- No, no I did not watch the video last year
- I don't remember whether or not I saw it

The following questions should corroborate the information from the questions on your route packet.

2.10. Did "Student Name" drop out of school?

["Student name" is pre-loaded]

Question type "radio button"

- Yes [Skip to 2.13]
- No

2.11. Is “Student Name” actually in [pre-loaded 2016 grade]?

Confirm with the parent that the student is in the grade indicated by your route. If it's blank, select NO and enter the correct grade.

Question type “radio button”

- Yes [Skip to 2.15]
- No

2.12. What grade is the student in then?

Question type “radio button”

- 5th year of primary school
- 6th year of primary school
- 1st year of secondary school

2.13. Why weren't you enrolled in school in 2016?

- Economic difficulties
- School is far away (transportation problems)
- Because they got pregnant or impregnated someone else
- Because they had a child
- Because they got married/started living with someone
- They were expelled
- They withdrew because that would have had to repeat a grade/school was going badly
- Because they had health problems
- Because of the health problems of a family member
- Because they don't consider school to be important
- Because they work instead
- Because they moved somewhere else
- Because they didn't feel good in the school environment
- Because they graduated from high school
- They would prefer not to say
- Other

2.14. Why weren't you enrolled in school in 2016? – Other (Specify)

[Short answer]

2.15. Can your son/daughter access the internet from an internet café or from your home?

Question type “radio button”

- Yes
- No

2.16. How much money do you think “Student name” will earn per week if they get a job?

If the parent indicates that the child already works, take their answer down as their actual earnings. Enter the amount in Soles /.

[Short answer]

2.17. Does [Student Name] help you around the house when you ask?

Question type “radio button”

- Yes
- No

2.18. How many hours do they help out per week?

[Short answer]

2.19. If you could hire someone to do the tasks that [Student Name] does around the house, how much would you pay them each week? Enter the amount in Soles/.

[Short answer]

Módulo III. Aptitude and Academic Performance of “Student Name”

Next I’m going to ask you some questions about “Student Name”. When you answer them, please imagine that your child is still in school.

3.1. How much effort do you think “Student Name” puts into school?

Read all of the options to the participant. Only ask if their child currently goes to school.

Question type “radio button”

- Basically none
- A little bit
- What is necessary
- A lot

For the next questions, please take into account: Your child’s academic performance in a coursework that is graded through tests and quizzes.

3.2. Which course do you think your child performs best in?

Question type “radio button”

- Mathematics and Natural Sciences
- Communication and Social Studies
- Everything equally
- None
- Other

3.3. Which course do you think your child performs best in? - Other

Only answer if the participant responded “Other” to question 3.2.

[Short answer]

- 3.4. With respect to the other students that are AT THE SAME SCHOOL and in the same grade as your child, how is your child's performance in this area? – Math and Science

Question type "radio button"

- 80% - My child's performance is much better
- 60% - My child's performance is better
- 50% - My child's performance is similar
- 40% - My child's performance is worse
- 20% - My child's performance is much worse

- 3.5. With respect to the other students that are AT THE SAME SCHOOL and in the same grade as your child, how is your child's performance in this area? – Communication and Social Studies

Question type "radio button"

- 80% - My child's performance is much better
- 60% - My child's performance is better
- 50% - My child's performance is similar
- 40% - My child's performance is worse
- 20% - My child's performance is much worse

- 3.6. With respect to the other students that are AT THE SAME SCHOOL and in the same grade as your child, how is your child's performance in this area? – All other courses

Question type "radio button"

- 80% - My child's performance is much better
- 60% - My child's performance is better
- 50% - My child's performance is similar
- 40% - My child's performance is worse
- 20% - My child's performance is much worse

- 3.7. Thinking about "Student Name"'s academic performance in school: If they tried harder in these courses, how likely is it that they would improve their academic performance? – Math and Science

0% - Impossible **10%** - Not very possible **20%** - Not very possible **30%** - Not very possible
40% - Possible **50%** - Possible **60%** - Possible **70%** - Very possible **80%** - Very possible
90% Very possible **100%** - Certainly

Section IV. Level of Education and Careers

- 4.1. If your child could pursue higher education, all expenses paid and with guaranteed admission, what level of education would you like your student to complete?

Question type “radio button”

- Drop out before finishing high school to work
- Finish high school and then work
- Complete a track at a technical institution and then work
- Complete a degree at a university and then work

- 4.2. If your child could pursue higher education, all expenses paid and with guaranteed admission, what area of study would you like them to choose?

Question type “radio button”

- Education (Example: primary education or high school)
- Arts, humanities, and social sciences (examples: philosophy, literature, sociology, design, graphic design, the arts, psychology, communication sciences, gastronomy and culinary arts, interpretation)
- Law and Political Science (examples: law, political science)
- Business and Service (examples: economics, administration, Negocios y servicios (ejm: Economía, administración, accounting, engineering, business administration, and foreign trade)
- Science and Technology (examples: civil engineering, chemistry, biology, systems engineer, bio-informatics, geologist, construction, zoology, automobile mechanic)
- Health (examples: medicine, nursing, orthodontist, pharmacist, medical technician, dental assistant)
- Other area
- I don't know

- 4.3. If your child could pursue higher education, all expenses paid and with guaranteed admission, what area of study would you like them to choose? – other area

[Short answer]

- 4.4. If all the schools in the country gave a similar exam in these courses, how do you think your child would do compared to others? – Math and Science

Question type “radio button”

- My child's level would be much better
- My child's level would be better
- My child's level would be similar
- My child's level would be worse
- My child's level would be much worse

- 4.5. If all the schools in the country gave a similar exam in these courses, how do you think your child would do compared to others? – Communication and Social Science

Question type “radio button”

- My child's level would be much better
- My child's level would be better
- My child's level would be similar

- My child's level would be worse
- My child's level would be much worse

4.6. Are you pleased with the environment that your child's school provides?

Question type "radio button"

- Not pleased at all
- Somewhat pleased
- Pleased
- Very pleased

4.7. Do you give "Student Name" an allowance?

Question type "radio button"

- Yes
- No [Skip to 4.8.]

4.8. How much do you give "Student Name" per week?

¿Cuánto le da a la semana?
Enter the amount in Soles/.

[Short answer]

4.9. How many days of school does "Student Name" miss per month?

Only count days that they miss during regular hours between MONDAY AND FRIDAY. **Enter 0 if they didn't miss a single day.**

[Short answer]

4.10. Why did "Student Name" name miss school?

As only if question 4.8 indicated that they miss more than 1 day per month. Ask the participant to identify the three most frequent reasons. **DO NOT READ the options aloud to the participant; wait until the participant answers and decide options the answers corresponded to.**

Question type "radio button"

- Sickness or ill health
- Work obligations (inside or outside of the household)
- Bad weather
- Inadequate transportation
- The student goes somewhere other than school
- They don't want to go
- Because the teacher isn't going to school
- Because the teacher is a bad influence
- Other

4.11. Why did "Student Name" name miss school? – Other (specify)

[Short answer]

4.12. If “Student Name” doesn’t want to go to school one day, do you let them miss school?

Question type “radio button”

- Yes
- No

4.13. Do you force “Student Name” to study?

Question type “radio button”

- Yes
- No

4.14. How many hours per week does “Student Name” study for these classes because they are forced to? – Math and Science

[Short answer]

4.15. How many hours per week does “Student Name” study for these classes because they are forced to? – Communication and Social Studies

[Short answer]

4.16. Do you help “Student Name” study at home during the school year?
Read all of the possible options to the participant

Question type “radio button”

- Almost never
- Sometimes
- Often
- All the time

4.17. What steps do you believe could help your child improve their academic performance?
Read all of the possible options to the participant

Question type “radio button”

- Change to a better school
- Help your child study
- Force them to study alone
- Hire a particular teacher/tutor
- Air condition a room for your child to study in
- Meet with my child’s teachers
- Other

4.18. What steps do you believe could help your child improve their academic performance? –
Other (specify)

[Short answer]

4.19. Do you think “Student Name” will contribute money to their household when they are older?

Read all of the possible options to the participant. Specify that the question refers to the home that the child will have.

Question type “radio button”

- Yes, they will contribute money
- No, they won't contribute money, but they will work for the family business
- No, they will not contribute money, but they will work in the house or farm
- It would be difficult to contribute

4.20. How much do you think “Student Name” will contribute to their household per month when they are an adult?

Enter the amount in Soles/. Specify that the question refers to the home that the child will have.

[Short answer]

4.21. How much do you spent every month on education for all the children in your household? Include pensions, uniform fees, transportation to the school, school supplies, special classes, or remedial classes. **Enter the amount in Soles/.**

[Short answer]

Section V: About the household composition

5.1. How many people live in your household?

Record ALL members of the household. Consider Registre TODOS los miembros del hogar. Think of the household as the set of people, relatives or ot, that share means and other common life needs. Also considered members of the household are those that the head of household considers part of the household because of affection.

[Answer must be between 1 and 20]

NOTE: Questions 5.2 and 5.3 only apply if the response to question 2.6 wasn't guardian. If the answer was guardian, skip to 5.4.

5.2. Does the child's mother live in the household?

Question type “radio button”

- Yes
- No

5.3. Does the child's father live in the household?

Question type “radio button”

- Yes
- No

5.4. How many of the following family members live with you in your and “Student Name” home?

Keep in mind that the participant said that ["Number of people in the household"] live in the household before (including the parents of the child)

a. Brothers or sisters of "Student Name"		Enter 0 if the answer is none. Don't count the student in this question.
b. Grandfathers or grandmothers that live with "Student Name"		
c. Uncles or aunts of "Student Name"		
d. Cousins of "Student Name"		
e. Others relatives that live with "Student Name"		

NOTE: Ask about the family members according to the numbers provided in 5.4.

5.5. What are the genders of the members of the household?

5.19. Now I'm going to ask a few more open-ended questions about your opinions on your child's education and the future you would like for them. Please tell the respondent that this question will be recorded but that their answers won't be associated with their names. Do they consent to being recorded?

Question type "radio button"

- Yes
- No

5.20. How do you see "Student Name" in 20 years? What types of things do you see them doing? Please record the participant's response (don't exceed 20 seconds). To record, press the button to the left and wait until the time keeper starts. Ask the respondent to speak Spanish.

[Short answer]

5.21. What do you think about "Student Name"'s school in general? Please record the participant's answers (but don't exceed 25 seconds). To record, press the button to the left and wait until the time keeper starts. If the student dropped out of school, ask what the parent thinks of the last school they attended.

Ask the parent/child to speak in Spanish.

[Short answer]

- 5.22. What do you think of education in general?
Please record the participant's answers (but don't exceed 20 seconds). To record, press the button to the left and wait until the time keeper starts.
Ask the parent/child to speak in Spanish.

[Short answer]

- 5.23. Does your household benefit from the JUNTOS program?

Question type "radio button"

- Yes
- No [Skip to 6.25.]
- I don't know [Skip to 6.25.]

- 5.24. Since what year has the household benefited from the JUNTOS program?

Question type "radio button"

- 2005
- 2006
- 2007
- 2008
- 2009
- 2010
- 2011
- 2012
- 2013
- 2014
- 2015
- 2016

For the treatment group

- 5.25. In the last year, we showed your child a video about the importance of education. Would you like to see the video at the end of the survey?

Question type "radio button"

- Yes [Show the video, "EPS_RURAL_2016"]
- No

This section is just for the Surveyor

- i. Geo-reference points for the home

Make sure you're not under a concrete roof, and that the Tablet GPS is turned on. **This GPS data should only be taken from the participant's home**

Latitude GPS
Longitude GPS
Altitude GPS
Precision GPS

ii. Where did you record the GPS coordinates?

Question type "radio button"

- At the home or in front of the home
- At the child's school
- Somewhere on the property or at the office
- Other

iii. Where did you record the GPS coordinates? – Other
(specify)

[Short answer]
