Subject: Graham v. CS USA et al: Deposition of Jim Barkley

Robert,

I'm writing to confirm logistics for Mr. Barkley's deposition, which the parties have agreed will go forward on Thursday, December 17. Given that the deposition will be remote, please provide us with the name of the court reporter / vendor you will be using and other videoconferencing details, so we can test beforehand. Also, as you've probably experienced, there are often delays and hiccups with introducing and using deposition exhibits electronically, so for everyone's convenience, we request that you please provide Mr. Barkley a hard copy binder of the exhibits you intend to use at the deposition in advance. We can ensure he will not open the package until the deposition starts. In our experience, having the exhibits in hard copy tends to make virtual depositions proceed more efficiently. Please let us know if this is agreeable to you, and we can provide the address for shipment.

Best,

Nathan Taylor
