Re: OFCCP v Oracle America, Inc.  
OALJ Case No. 2017-OFC-00006

Dear Judge Larsen:

Oracle America, Inc. ("Oracle") seeks to file a motion for this Court to certify for immediate appeal to the Administrative Review Board this Court's order (dated August 14, 2017) regarding "Allowing Allegation[s] of Continuing Liability" to extend to the time of the hearing and continuing thereafter. A copy of the proposed motion is attached to this letter. Oracle has met and conferred telephonically with OFCCP on this issue, and OFCCP confirms it opposes Oracle's proposed motion.

It is not clear to Oracle whether this sort of motion was intended to be included when the Court ordered the parties to confer telephonically with the Court prior to filing a motion. See Order After Pre-Hearing Conference, May 10, 2017. If such a telephonic conference is required, Oracle hereby requests such a hearing. If no such hearing is required, Oracle asks that the Court deem the attached motion filed as of the date this letter is received.

Respectfully submitted,

Erin M. Connell, Esq.
