Hi Hea Jung, we have crossing emails. No, it will be me. Not only do I have a short week this week, but Juana Schurman as you probably saw from her out of office email is out all this week. And I think Shauna is on vacation for a few days.

Hew Jung, I am in the midst of moving to a new house and quickly read your letter and request for a response by May 4. I imagine we will need more time but in any event, beyond that date. In addition to my house move all day and evening on Friday and this whole weekend, I leave for Hong Kong next Friday, April 29, and don't return until May 6. Once I've had a chance to fully digest your letter, assess what it will take to respond and move this process forward, I'll get back to you.
