Denise - I tweaked a few of the notes and added one slide to my section in the attached version. Thanks!

All, attached is the updated MO presentation. I've noted who is speaking on each slide, as we reviewed yesterday.

If you require any additional edits, please let me know by **EOD on Friday**.

Lisa – I did add slide #60 that provides the link to additional compensation resources, which includes the tool kit/guide for overtime eligibility. Please let me know if that slide is okay.
