JOYCE WESTERDAHL, TESTIFYING AS A PERCIPIENT WITNESS ON BEHALF OF
ORACLE AMERICA, INC.
TAKEN ON May 30, 2019

PAGE(S): LINE(S)	CURRENT TEXT	CORRECTED TEXT	REASON FOR CHANGE
136:9-14	A. So there would be a job description, you know, and you would have -- some employees are still learning their role and who's contributing below the required salary, they would put them -- you wouldn't want them below the range, but you would put them in the first cortile. So it's experienced based.	A. So there would be a job description, you know, and you would have -- some employees are still learning their role and who's contributing below the required salary, they would put them -- you wouldn't want them below the range, but you would put them in the first quartile. So it's experienced based.	Transcription error.
210:23- 211:3	A. Something -- well, I would look at something that was in the first cortile of the range or the range in general, let alone -- I would look -- I'm looking at that, as well as the comp ratio, but if -- I'll stop talking because I'm not making any sense past that.	A. Something -- well, I would look at something that was in the first quartile of the range or the range in general, let alone -- I would look -- I'm looking at that, as well as the comp ratio, but if -- I'll stop talking because I'm not making any sense past that.	Transcription error.

I believe that the transcription of my May 30, 2019 deposition is correct, subject to the changes listed in this errata sheet.
