SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. 3506(c)(2)(A)). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understandable, and the impact of collection requirements on respondents can be properly assessed. Currently, the Employment Standards Administration is soliciting comments concerning the proposed extension of the Request for State or Federal Workers’ Compensation Information (CM–905).

The Federal Mine Safety and Health Act of 1977, as amended, and 20 CFR 725.535, direct that DOL Black Lung benefit payments to a beneficiary for any month be reduced by any other payments of State or Federal benefits for workers’ compensation due to pneumoconiosis.

II. Review Focus

The Department of Labor is particularly interested in comments which:

• Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

• Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

• Enhance the quality, utility and clarity of the information to be collected; and

• Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

Office of Administrative Law Judges

Department of Labor, Office of Federal Contract Compliance Programs, Plaintiff, v. Giant Merchandising, Defendant
[Case No. 01–OFC–2]

Consent Decree

This Consent Decree is entered into between the Plaintiff, United States Department of Labor, Office of Federal Contract Compliance Programs (hereinafter “OFCCP”) and Defendant, Giant Merchandising (hereinafter “Giant”) in complete resolution of the Administrative Complaint filed in this matter. The Complaint was filed by OFCCP against Giant alleging violations of Executive Order 11246 (30 FR 12319), as amended by Executive Order 11375 (32 FR 14303) and Executive Order 12086 (43 FR 46501) (hereinafter “Executive Order”); Section 503 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 793 (hereinafter “Section 503”); and the Vietnam Era Veterans’ Readjustment Assistance Act of 1974, as amended, 38 U.S.C. 4212 (hereinafter “VEVRAA”).

In the Administrative Complaint, OFCCP alleged that Giant violated its contractual obligations under Executive Order 11246, section 503, and VEVRAA by failing to submit to OFCCP information requested in a survey document bearing OMB Control Number 1215–0196 (“the Equal Opportunity Survey” or “EO Survey”). The EO Survey requested information relating to personnel activity at Giant’s facility located in Commerce, California (hereinafter “Commerce facility”). In its Answer, Giant denied that the company had violated the Executive Order, Section 503 and VEVRAA and asserted that the cited laws and/or regulations did not apply to the Defendant at the time that it was asked to respond to the EO Survey.

Part A—Jurisdiction and Procedural History

1. The Office of Administrative Law Judges has jurisdiction over this action pursuant to sections 208 and 209 of Executive Order 11246, 41 CFR 60–1.26, 41 CFR Part 60–30; section 503, 41 CFR 60–741.65; VEVRAA and 41 CFR 60–250.29.

2. This matter was brought by OFCCP to enforce the contractual obligations imposed by the Executive Order, section 503 and VEVRAA and the regulations issued pursuant thereto. The Administrative Complaint invoked the expedited OFCCP hearing procedures, 41 CFR 60–30.31, et seq.

3. In its Complaint, OFCCP alleged that Giant had refused to give OFCCP access to or to supply it with records or other information as required by the equal opportunity clause; specifically, it alleged that Giant had failed and refused to complete the EO Survey mailed to Giant by OFCCP and received by Giant on April 28, 2000. The EO Survey required Defendant to furnish to OFCCP, within 30 days from the date of receipt, certain information relating to personnel activity at the Commerce facility.

4. In its Answer, Giant contended that the Executive Order, section 503 and VEVRAA did not apply at the time that Giant was asked to respond to the EO Survey and, therefore, Giant had no obligation under the applicable laws and regulations to supply OFCCP with the information it had requested. Giant further denied that it was obligated to complete the EO Survey and averred that it submitted the EO Survey on January 31, 2000.

5. Giant denies that it violated Executive Order 11246, section 503 and VEVRAA.

6. Giant does not admit any violation of law or other obligation. The parties agree that this Consent Decree is not, and may not be used, as a admission of any violation by Giant, or as a basis for asserting Giant’s noncompliance with any labor and employment laws, rules or regulations.

8. At all times pertinent to this matter, OFCCP has alleged that Giant had a Government contract of $50,000 or more, and had 50 or more employees. Giant denied that it had a Government contract of $50,000 or more at the time OFCCP sought submission of the EO Survey.

9. At all times pertinent to this matter, Giant maintained and operated the Commerce facility located at 5655 Union Pacific Avenue, Commerce, California 90022.

10. Giant has never obtained a waiver of coverage from the Deputy Assistant Secretary for Federal contract Compliance for its Commerce Facility.

11. The EO Survey received by Giant, on April 28, 2000, sought from Giant information relating to its current personnel practices. This information is of the type that Federal contractors are required to maintain. 41 CFR 60–1.12; 41 CFR 60–250.52 41 CFR 60–740.80. OFCCP contended, in this action, that Giant was required to respond to the EO Survey within 30 days from the date of receipt. It appeared that Giant had failed to respond within 30 days. Giant denied that it was required to do so.

12. OFCCP asserted that Giant had failed to submit the EO Survey within the requisite 30 days.

14. By letter dated June 22, 2000, Shirley J. Wilcher, Deputy Assistant Secretary for Federal Contract Compliance, U.S. Department of Labor, sent, by certified mail a Notice to Show Cause to Giant. The Notice to Show Cause was accompanied by a second copy of the EO survey.

15. On August 1, 2000, a letter dated May 22, 2000, was faxed to OFCCP by Patricia Winkler, Human Resources Manager for Giant. In the May 22, 2000 letter, Jesse L. Atliano, President and CEO of Labor Law, requested an exemption for Giant based on the assertion that Giant did not have sales exceeding the “statutory dollar amount” of $500,000.00. On August 16, 2000, OFCCP contacted Mr. Atliano to inform him that the threshold dollar amount which creates in Government contractors the duty to prepare and maintain a written Affirmative Action Program is $50,000. Mr. Atliano stated that he did not believe that Giant was a Federal contractor but that he needed to confirm the dollar amount of Giant’s contracts.

16. On January 12, 2001, the Administrative Complaint was filed in this matter.

17. On January 31, 2001, Giant provided to OFCCP a complete response to the EO Survey at issue in this case.

Part B—General Provisions

18. The record that is the basis for this Consent Decree consists of the Administrative Complaint, Answer and the Consent Decree including attachments thereto.

19. This Consent Decree shall not become final until it has been signed by the Administrative Law Judge. The Effective Date of the Decree shall be the date on which it is signed by the Administrative Law Judge.

20. This Consent Decree shall be binding upon Giant, and any and all purchasers, successors, assignees, and/or transferees, and shall have the same force and effect as an order made after a full hearing.

21. The parties waive all further procedural steps to contest the binding effect of the Consent Decree, and any right to challenge or contest the obligations entered into pursuant to this Decree. Pursuant to 41 CFR 60–30.13, an Order by the Administrative Law Judge accepting this Consent Decree shall constitute the final administrative order in this matter.

22. Subject to the performance by Giant of all duties and obligations contained in this Consent Decree, all alleged violations identified or which could have been identified in the Administrative Complaint shall be deemed fully resolved. However, nothing herein is intended to relieve Giant from compliance with the requirements of the Executive Order, section 503 and VEVRAA or the regulations promulgated pursuant thereto, or to limit OFCCP’s right to review Giant’s compliance with such requirements.

23. Giant agrees that there shall be no retaliation of any kind against any person who has provided information or assistance concerning this Decree.

Part C—Specific Provisions

24. Giant agrees to a fixed-term debarment of six months during which Giant will not be eligible to receive future contracts or modifications or extensions of existing contracts. The six month debarment will commence on the Effective Date of this Decree. The Deputy Assistant Secretary will grant reinstatement, pursuant to 41 CFR 60–1.31, if Giant complies with the terms of this Decree. No additional proceedings before the Office of Administrative Law Judges are necessary for Giant to be reinstated.

Part D—Implementation and Enforcement of the Decree

25. Jurisdiction, including the authority to issue any additional orders or decrees necessary to effectuate the implementation of the provisions of this Consent Decree, is retained by the Office of Administrative Law Judges for one year from the Effective Date of this Decree.

26. If at any time after the Effective Date of this Decree, OFCCP believes that Giant has violated any portion of this Consent Decree, Giant will be promptly notified of that fact in writing. This notification will include a statement of the facts and circumstances relied upon in forming that belief. The notification will provide Giant with 15 calendar days to respond in writing except where OFCCP alleges that such a delay would result in irreparable injury.

27. Enforcement proceedings for violation of this Consent Decree may be initiated at any time after the 15 days referred to in paragraph 26 has elapsed (or sooner, if irreparable injury is alleged) upon filing with the Court a motion for an order of enforcement and/or sanctions. The issues in a hearing on the motion shall related solely to the factual and legal claims made in the motion and Giant’s defense thereto.

28. Liability for violation of this Consent Decree shall subject Giant to sanctions set forth in the Executive Order, section 503 and VEVRAA and their implementing regulations, including contract cancellation and/or debarment, and the appropriate relief.

29. If an application or motion for an order of enforcement or clarification indicates by signature of counsel that the application or motion is unopposed by OFCCP and Giant, the application or motion may be presented to the Court without hearing and the proposed Order may be implemented immediately. If an application or motion is opposed by any party, the party in opposition shall file a written response within 20 calendar days of receipt. The Office of Administrative Law Judges may, if it deems it appropriate, schedule a hearing on the application or motion.

30. The Agreement herein set forth is hereby approved and shall constitute the Final Administrative Order in this case.

DEPARTMENT OF LABOR  
Mine Safety and Health Administration

Summary of Decisions Granting in Whole or in Part Petitions for Modification

AGENCY: Mine Safety and Health Administration (MSHA), Labor.

ACTION: Notice of affirmative decisions issued by the Administrators for Coal Mine Safety and Health and Metal and Nonmetal Mine Safety and Health on petitions for modification of the application of existing safety standards.

SUMMARY: Under section 101 of the Federal Mine Safety and Health Act of 1977, the Secretary of Labor (Secretary) may allow the modification of the application of an existing safety standard to a mine if the Secretary determines either that an alternate method exists at a specific mine that will guarantee no less protection for the miners affected than that provided by the standard, or that the application of the standard at a specific mine will result in a diminution of safety to the affected miners.

Final decisions on these petitions are based upon the petitioner’s statements, comments and information submitted by interested persons, and a field investigation of the conditions at the mine. MSHA, as designee of the Secretary, has granted or partially granted the requests for modification listed below. In some instances, the Secretary has granted the requests for modification of the application of existing safety standards.

A final decision has been rendered as follows:

**Affirmative Decisions on Petitions for Modification**

**Petitioner:** Sidney Coal Company, Inc.  
**Summary of Findings:** Petitioner’s proposal is to have its underground fuels storage facilities remain at the present location and make the following changes and adjustments for safety concerns: (i) Offset the fuel tank 35 feet from any track or transportation; (ii) maintain the storage facility out of direct line of flatcars, mantrips, and other equipment that is moving up or down the slope; (iii) ventilate the facility directly into the return air course and equip the facility with a fire suppression system and other safety features, and fireproof and inspect the facility on a daily basis, and (iv) add a carbon monoxide sensor. This is considered an acceptable alternative method for the Mine #1. MSHA grants the petition for modification for a permanent underground diesel fuel storage facility installed within 100 feet of a slope in the Mine #1 with conditions.  
**Petitioner:** Europa Coal Company.  
**Summary of Findings:** Petitioner’s proposal is to use a 2,400 volt Joy 14CM continuous miner instead of a 1,000 volt continuous miner inby the last open crosscut and within 150 feet from pillar workings. This is considered an acceptable alternative method for the Europa Mine. MSHA grants the petition for modification for the Europa Mine with conditions.  
**Petitioner:** Big Ridge, Inc. (Formerly Sugar Camp Coal, LLC).  
**Summary of Findings:** Petitioner’s proposal is to: (i) Install gear lockout devices on its diesel grader to limit the speed to a maximum of 10 miles per hour when operating the grader in an underground coal mine or on the surface of an underground coal mine; and (ii) provide training to every grader operator on the proper techniques for lowering the blade to restrict the speed and to stop the grader, on the proper gear selection for grading, and on the proper speed for grading. This is considered an acceptable alternative method for the Elk Run Mine. MSHA grants the petition for modification for the Elk Run Mine with conditions.

**FOR FURTHER INFORMATION CONTACT:** Petitions and copies of the final decisions are available for examination by the public in the Office of Standards, Regulations, and Variances, MSHA, Room 627, 4015 Wilson Boulevard, Arlington, Virginia 22203. Contact Barbara Barron at 703–235–1910.
