Department of Labor
Fiscal Year 2022 Service Contract Inventory
Plan for Analysis

As the Department of Labor (DOL) prepares to perform its Fiscal Year (FY) 2022 service contract inventory (SCI) plan for analysis, DOL will incorporate lessons learned from the FY 2021 inventory and apply those lessons to the upcoming inventory.

DOL will develop a basic inventory in accordance with the Office of Management and Budget (OMB) guidance using Federal Procurement Data System-Next Generation (FPDS-NG) data to address requirements consistent with the Consolidated Appropriations Act. DOL will also collect data through interviews to gather supplemental contract data in response to the criteria required by Section 743.

DOL Special Interest Categories

Product and Service Codes (PSC)	PSC Description	FY 2022 Spend	# Of Contracts
DA01	IT AND TELECOM - BUSINESS APPLICATION/APPLICATION DEVELOPMENT SUPPORT SERVICES (LABOR)	$168,406,841.96	65
R410	SUPPORT- PROFESSIONAL: PROGRAM EVALUATION/REVIEW/DEVELOPMENT	$57,761,013.13	35
R424	SUPPORT- PROFESSIONAL: EXPERT WITNESS	$12,870,932.77	28

DOL will take the following analytical steps:

- Develop selection criteria to identify contracts for in-depth review. Based on the criteria identified within the Consolidated Appropriations Act, DOL will prioritize its selection of contracts for further review in the following order:

  o Potential for inherently governmental performance by contractors;
  o Contracts providing services classified as special interest functions; and
  o Contracts that do not include special interest functions but were awarded on a non-competitive basis that are considered high risk/high spending.
