

Conciliation Agreement
Between the
U.S. Department of Labor Office of Federal Contract Compliance Programs
and
Johnson Controls, Inc.

I. Preliminary Statement

The Office of Federal Contract Compliance Programs (OFCCP) evaluated the Johnson Controls, Inc. (Contractor) establishment located at 3110 N. Mead, Wichita, Kansas, beginning on December 1, 2020. OFCCP found that Contractor failed to comply with Executive Order 11246, as amended (E.O. 11246 or the Executive Order), and the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, 38 U.S.C. § 4212 (VEVRAA)] and their respective implementing regulations.

OFCCP notified Contractor of the specific violation(s) and the corrective action(s) required in a Notice of Violation (NOV) issued on December 6, 2021.

In the interest of resolving the violations without engaging in further legal proceedings and in exchange for sufficient consideration described in this document, OFCCP and Contractor enter into this Conciliation Agreement (Agreement) and its attachments, and the parties agree to all the terms therein.

II. General Terms and Conditions

1. In exchange for Contractor's fulfillment of all its obligations in this Agreement, OFCCP will not institute administrative or judicial enforcement proceedings under E.O. 11246, Section 503, and/or VEVRAA based on the violation(s) alleged in the NOV. However, OFCCP retains the right to initiate legal proceedings to enforce this Agreement if Contractor violates any provision of this Agreement, as set forth in Paragraph 10, below. Nothing in this Agreement precludes OFCCP from initiating enforcement proceedings based on future compliance evaluations or complaint investigations.
2. OFCCP may review Contractor's compliance with this Agreement. As part of this review, OFCCP may require written reports, inspect the premises, interview witnesses, and examine and copy documents. Contractor will permit access to its premises during normal business hours for these purposes and will provide OFCCP with all hard copy or electronic reports and documents OFCCP requests, including those specified in this Agreement.
3. Nothing in this Agreement relieves Contractor of its obligation to fully comply with the requirements of E.O. 11246, Section 503, VEVRAA, their implementing regulations, or other applicable laws requiring nondiscrimination or equal employment opportunity through affirmative action.
4. Contractor agrees that it will not retaliate against any potential or actual beneficiary of this Agreement or against any person who files a complaint, who has provided

information or assistance, or who participates in any manner in any proceeding in this matter.

5. The parties understand the terms of this Agreement and enter into it voluntarily.
6. This Agreement constitutes the entire Agreement and represents the complete and final understanding of the parties. This Agreement contains all of the terms binding the parties and it supersedes all prior written and oral negotiations and agreements. Any modifications or amendments to this Agreement must be agreed upon in writing and signed by all parties. If an administrative error is found, OFCCP will work in good faith with all parties to make the corrections.
7. This Agreement becomes effective on the day it is signed by the District Director (Effective Date).
8. If one or more provisions of this Agreement is deemed unlawful or unenforceable, the remaining provisions will remain in full force and effect.
9. This Agreement will expire sixty (60) days after Contractor submits its final progress report required in Section IV, below, unless OFCCP notifies Contractor in writing before the expiration date that Contractor has failed to fulfill all of its obligations under the Agreement. In this instance, the Agreement is automatically extended until the date that OFCCP determines that Contractor has met all of its obligations under the Agreement.
10. If Contractor violates this Agreement:
 - a. The procedures at 41 C.F.R. 60-1.34 and 41 C.F.R. 60-300.63 will govern:
 - i. OFCCP will send Contractor a written notice stating the alleged violation(s) and summarizing any supporting evidence.
 - ii. The Contractor shall have fifteen (15) days from receipt of the notice to respond, except in those cases in which such a delay would result in irreparable injury to the employment rights of affected employees or applicants.
 - iii. If Contractor is unable to demonstrate that it has not violated the Agreement, or if OFCCP alleges irreparable injury, enforcement proceedings may be initiated immediately without issuing a show cause notice or proceeding through any other requirement.
 - iv. In the event of a breach of this Agreement by the Contractor, OFCCP may elect to proceed to a hearing on the entire case and seek full make-whole relief, and not be limited to the terms in the Agreement.

- b. Contractor may be subject to the sanctions set forth in Section 209 of the Executive Order, 41 C.F.R. 60-1.27, or 41 C.F.R. 60-300.66, and/or other appropriate relief for violating this Agreement.
11. Contractor does not admit any violation of the Executive Order, Section 503 or VEVRAA, nor has there been an adjudication on the merits regarding any such violation.
12. OFCCP may seek enforcement of this Agreement itself and is not required to present proof of any underlying violations resolved by this Agreement.
13. The parties understand and agree that nothing in this Agreement is binding on other governmental departments or agencies other than the United States Department of Labor.
14. Each party shall bear its own fees and expenses with respect to this matter.
15. This Agreement is limited to the facts of this case. Neither this Agreement, nor any part of the negotiations that occurred in connection with this Agreement, shall constitute admissible evidence with respect to any OFCCP policy, practice or position in any lawsuit, legal proceeding, administrative proceeding, compliance evaluation, or audit, except for legal or administrative proceedings concerning the enforcement or interpretation of this specific Agreement.
16. All references to “days” in this Agreement are calendar days. If any deadline for an obligation scheduled to be performed under this Agreement falls on a weekend or a Federal holiday, that deadline will be extended to the next business day.

III. Technical Violations and Remedies

1. **VIOLATION:** During the period December 1, 2018 through November 30, 2020, Contractor failed to keep and preserve complete and accurate personnel and employment records, in violation of 41 CFR 60-1.12(a) and (e). Specifically, Contractor stated applicants for the 7A and 7B job groups were not tracked due to Contractor’s use of a third party temporary agency. Contractor failed to collect and maintain self-identification information and application data for all applicants for a period of not less than two years from the date of the making of the record or the personnel action, which ever occurred later.

REMEDY: Contractor agrees to keep and preserve complete and accurate personnel and employment records, in accordance with 41 CFR 60-1.12(a) and (e), and will keep and preserve those records for a period of not less than two years from the date of the making of the record or the personnel action, whichever occurs later.

2. **VIOLATION:** During the period December 1, 2018 through November 30, 2020, Contractor failed to immediately list all employment openings with either the state workforce agency job bank or a local employment service delivery system serving the location where the openings occurred in violation of 41 CFR 60-300.5(a)2-6.

REMEDY: Contractor agrees to list all employment openings as they occur with an appropriate employment service delivery system (ESDS) (either the state workforce agency job bank or a local ESDS) where the openings occur, in a manner and format that will allow the ESDS to provide priority referrals of protected veterans to the Contractor, as required by 41 CFR 60-300.5(a)2-6. With its initial listing, and as subsequently needed to update the information, Contractor will also advise the employment service delivery system that it is a federal contractor that desires priority referrals of protected veterans for job openings at all locations within the state, and provide the employment service delivery system with the name and address of each of its hiring locations within the state and the contact information for the contractor official responsible for hiring at each location, in accordance with 41 CFR 60-300.5(a)4. Should any of the information in the disclosures change since it was last reported to the ESDS, Contractor shall provide updated information simultaneously with its next job listing.

IV. OFCCP Monitoring Period

1. **Recordkeeping.** Contractor agrees to retain all records relevant to the violation(s) cited in Section III above and the reports submitted in compliance with Paragraph 2, below. Specifically, the contractor must retain the race and gender of applicants who indicated an interest in open positions during the covered reporting period. These records include underlying data and information such as Human Resources Information System (HRIS) and payroll data, job applications and personnel records, and any other records or data used to generate the required reports. Contractor will retain the records until this Agreement expires or for the time period consistent with regulatory requirements, whichever is later.

2. **Contractor Reports.**

Contractor agrees to furnish OFCCP with the following reports during the Monitoring Period according to the following schedule:

- a. Progress Report 1: Due on July 15, 2022 covering the period of January 1, 2022 through June 30, 2022.
 1. Applicant and hire numbers for Job Groups 7A and 7B showing the race and gender of all those who indicated an interest in these positions as well as those selected.
 2. Evidence that Contractor has listed all employment openings as they occur with an appropriate employment service delivery system (ESDS) (either the state workforce agency job bank or a local ESDS) where the openings occur.
- b. Progress Report 2: Due on January 15, 2023 covering the period of July 1, 2022 through December 31, 2022.

1. Applicant and hire numbers for Job Groups 7A and 7B showing the race and gender of all those who indicated an interest in these positions as well as those selected.
2. Evidence that Contractor has listed all employment openings as they occur with an appropriate employment service delivery system (ESDS) (either the state workforce agency job bank or a local ESDS) where the openings occur.

Contractor will submit reports to (b) (7)(E), (b) (6) Compliance Officer, at (b) (6), (b) (7)(C)@dol.gov. Contractor and OFCCP have a common interest in the information being provided in the reports pursuant to this Agreement. To the extent any of the reports Contractor provides in accordance with this Agreement are trade secrets, commercial, and/or financial in nature, and customarily kept private or closely-held, and the Contractor believes should remain confidential under Exemption 4 of the Freedom of Information Act (FOIA) in the event of a FOIA request, Contractor will provide such reports to OFCCP marked as "Confidential". In the event of a FOIA request, OFCCP will promptly notify Contractor of the FOIA request and provide Contractor an opportunity to object to disclosure. OFCCP will withhold disclosure of such reports to the maximum extent allowable by law.

3. **Close of Monitoring Period and Termination of Agreement.** This Agreement shall remain in effect until the monitoring period is completed. The monitoring period will close once OFCCP accepts Contractor's final progress report as set forth in Section II, Paragraph 9 above. If OFCCP fails to notify Contractor in writing within sixty (60) days of the date of the final progress report that Contractor has not fulfilled all of its obligations under the Agreement, OFCCP will be deemed to have accepted the final report and the Monitoring Period and this Agreement will terminate. If OFCCP notifies Contractor within the allotted time that it has not fulfilled all of its obligations, this Agreement is automatically extended until the date that OFCCP determines Contractor has met all of its obligations under the Agreement.
