

Conciliation Agreement
Between the
U.S. Department of Labor Office of Federal Contract Compliance Programs
and
VCA Animal Medical Center of El Cajon

I. Preliminary Statement

The Office of Federal Contract Compliance Programs ("OFCCP") evaluated VCA Animal Medical Center of El Cajon ("VCA") located at 600 Broadway El Cajon, CA 92021, beginning on November 4, 2021. OFCCP found that VCA failed to comply with Executive Order 11246, as amended ("E.O. 11246" or the "Executive Order"), Section 503 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 793 ("Section 503"), and the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, 38 U.S.C. § 4212 ("VEVRAA") and their respective implementing regulations at 41 C.F.R. §§ 60-1, 60-2, 60-300, and 60-741.

OFCCP notified VCA of the specific violations and the corrective actions required in a Notice of Violation ("NOV") issued on May 4, 2022.

In the interest of resolving the violations without engaging in further legal proceedings and in exchange for sufficient consideration described in this document, OFCCP and VCA enter into this Conciliation Agreement ("Agreement") and its attachments, and the parties agree to all the terms therein.

II. General Terms and Conditions

1. In exchange for VCA's fulfillment of all its obligations in this Agreement, OFCCP will not institute administrative or judicial enforcement proceedings under E.O. 11246, Section 503, and VEVRAA based on the violations alleged in the NOV. However, OFCCP retains the right to initiate legal proceedings to enforce this Agreement if VCA violates any provision of this Agreement, as set forth in Paragraph 10, below. Nothing in this Agreement precludes OFCCP from initiating enforcement proceedings based on future compliance evaluations or complaint investigations.
2. OFCCP may review VCA's compliance with this Agreement. As part of this review, OFCCP may require written reports, inspect the premises, interview witnesses, and examine and copy documents. VCA will permit access to its premises during normal business hours for these purposes and will provide OFCCP with all hard copy or electronic reports and documents OFCCP requests, including those specified in this Agreement.
3. Nothing in this Agreement relieves VCA of its obligation to fully comply with the requirements of E.O. 11246, Section 503, VEVRAA, their implementing regulations, or other applicable laws requiring nondiscrimination or equal employment opportunity through affirmative action.

4. VCA agrees that it will not retaliate against any potential or actual beneficiary of this Agreement or against any person who files a complaint, who has provided information or assistance, or who participates in any manner in any proceeding in this matter.
5. The parties understand the terms of this Agreement and enter into it voluntarily.
6. This Agreement constitutes the entire Agreement and represents the complete and final understanding of the parties. This Agreement contains all of the terms binding the parties and it supersedes all prior written and oral negotiations and agreements. Any modifications or amendments to this Agreement must be agreed upon in writing and signed by all parties. If an administrative error is found, OFCCP will work in good faith with all parties to make the corrections.
7. This Agreement becomes effective on the day it is signed by the District Director of the San Diego District Office ("Effective Date").
8. If one or more provisions of this Agreement is deemed unlawful or unenforceable, the remaining provisions will remain in full force and effect.
9. This Agreement will expire sixty (60) days after VCA submits its final progress report required in Section IV, below, unless OFCCP notifies VCA in writing before the expiration date that VCA has failed to fulfill all of its obligations under the Agreement. In this instance, the Agreement is automatically extended until the date that OFCCP determines that VCA has met all of its obligations under the Agreement.
10. If VCA violates this Agreement:
 - a. The procedures at 41 C.F.R. § 60-1.34, 41 C.F.R. § 60-300.63, and 41 C.F.R. § 60-741.63 will govern:
 - i. OFCCP will send VCA a written notice stating the alleged violations and summarizing any supporting evidence.
 - ii. VCA shall have fifteen (15) days from receipt of the notice to respond, except in those cases in which such a delay would result in irreparable injury to the employment rights of affected employees or applicants.
 - iii. If VCA is unable to demonstrate that it has not violated the Agreement, or if OFCCP alleges irreparable injury, enforcement proceedings may be initiated immediately without issuing a show cause notice or proceeding through any other requirement.
 - iv. In the event of a breach of this Agreement by VCA, OFCCP may elect to proceed to a hearing on the entire case and seek full make-whole relief, and not be limited to the terms in the Agreement.

- b. VCA may be subject to the sanctions set forth in Section 209 of the Executive Order, 41 C.F.R. § 60-1.27, 41 C.F.R. § 60-741.66, or 41 C.F.R. § 60-300.66, and/or other appropriate relief for violating this Agreement.
- 11. VCA does not admit any violation of the Executive Order, Section 503 or VEVRAA, nor has there been an adjudication on the merits regarding any such violation.
- 12. OFCCP may seek enforcement of this Agreement itself and is not required to present proof of any underlying violations resolved by this Agreement.
- 13. The parties understand and agree that nothing in this Agreement is binding on other governmental departments or agencies other than the United States Department of Labor.
- 14. Each party shall bear its own fees and expenses with respect to this matter.
- 15. This Agreement is limited to the facts of this case. Neither this Agreement, nor any part of the negotiations that occurred in connection with this Agreement, shall constitute admissible evidence with respect to any OFCCP policy, practice or position in any lawsuit, legal proceeding, administrative proceeding, compliance evaluation, or audit, except for legal or administrative proceedings concerning the enforcement or interpretation of this specific Agreement.
- 16. All references to "days" in this Agreement are calendar days. If any deadline for an obligation scheduled to be performed under this Agreement falls on a weekend or a Federal holiday, that deadline will be extended to the next business day.

III. Technical Violations and Remedies

- 1. **VIOLATION:** During the period January 1, 2020 through June 30, 2021, VCA failed to collect, maintain, and have available records showing the gender, race, and ethnicity of each applicant or Internet Applicant, as required by 41 C.F.R. §§ 60-1.12(a) and (c). Specifically, VCA failed to collect and maintain the gender, race, and ethnicity of each applicant or Internet Applicant and failed to keep records for a period of not less than two years from the date of the making of the record or the personnel action, which ever occurred later.

REMEDY: VCA will collect, maintain and have available records showing the gender, race, and ethnicity of each applicant or Internet Applicant as defined in 41 C.F.R. § 60-1.3, as required by 41 C.F.R. §§ 60-1.12(a) and (c).

- 2. **VIOLATION:** During the period January 1, 2020 through June 30, 2021, VCA failed to develop and implement an internal audit and reporting system that periodically measures the effectiveness of its total affirmative action program, as required by 41 C.F.R. § 60-2.17(d)(1) through (4). Specifically, VCA failed to identify that gender, race, and ethnicity of each applicant or Internet Applicant was

not collected, which limited their ability to ensure that nondiscriminatory policies were carried out.

REMEDY: VCA will develop and implement an internal audit and reporting system that periodically measures the effectiveness of its total affirmative action program, as required by 41 C.F.R. § 60-2.17(d)(1) through (4). Specifically, VCA will: (1) Monitor records of all personnel activity, including referrals, placements, transfers, promotions, terminations, and compensation, at all levels to ensure the nondiscriminatory policy is carried out; (2) Require internal reporting on a scheduled basis as to the degree of which equal employment opportunity and organizational objectives are attained; (3) Review report results with all levels of management; and (4) Advise top management of program effectiveness and submit recommendations to improve unsatisfactory performance.

3. **VIOLATION:** During the period January 1, 2020 through June 30, 2021, VCA failed to immediately list all employment openings with either the state workforce agency job bank or a local employment service delivery system serving the location where the openings occurred, as required by 41 C.F.R. § 60-300.5(a)2-6.

REMEDY: VCA will list all employment openings as they occur with an appropriate employment service delivery system ("ESDS") (either the state workforce agency job bank or a local ESDS) where the openings occur, in a manner and format that will allow the ESDS to provide priority referrals of protected veterans to VCA, as required by 41 C.F.R. § 60-300.5(a)2-6. With its initial listing, and as subsequently needed to update the information, VCA will also advise the ESDS that it is a federal contractor that desires priority referrals of protected veterans for job openings at all locations within the state, and provide the ESDS with the name and address of each of its hiring locations within the state and the contact information for the contractor official responsible for hiring at each location, in accordance with 41 C.F.R. § 60-300.5(a)4. Should any of the information in the disclosures change since it was last reported to the ESDS, VCA shall provide updated information simultaneously with its next job listing.

4. **VIOLATION:** During the period January 1, 2020 through June 30, 2021, VCA failed to invite applicants to inform it whether the applicant believes that he or she is a veteran protected by VEVRAA, as required by 41 C.F.R. § 60-300.42.

REMEDY: VCA will invite applicants to inform it whether the applicant believes that he or she is a veteran protected by VEVRAA, as required by 41 C.F.R. § 60-300.42. Specifically, VCA shall invite applicants for employment, prior to an offer of employment, to voluntarily identify as a protected veteran. Additionally, VCA shall invite applicants for employment, after an offer of employment but before applicants begin their job duties, to voluntarily inform it whether the applicant believes that he or she is a protected veteran. VCA may invite the applicant to also indicate if he or she belongs to one or more of the specific categories of protected veterans, as defined by 41 C.F.R. § 60-300.2(q). All invitations to self-identify as a

protected veteran must comply with the requirements of 41 C.F.R. § 60-300.42(c). VCA will keep all self-identification information confidential and maintain it in a separate data analysis file, rather than in its personnel or medical files, in accordance with 41 C.F.R. § 60-300.42(e).

5. **VIOLATION:** During the period January 1, 2020 through June 30, 2021, VCA failed to review its personnel processes and make any necessary modifications to ensure that its obligations were carried out, as required by 41 C.F.R. § 60-300.44(b).

REMEDY: VCA will periodically review its personnel processes, make any necessary modifications, and design procedures that facilitate a review of the implementation of this requirement. A description of the review and any necessary modifications to personnel processes or development of new processes shall be included in its VEVRAA affirmative action program, as required by 41 C.F.R. § 60-300.44(b).

6. **VIOLATION:** During the period January 1, 2020 through June 30, 2021, VCA failed to conduct a review of all physical and mental job qualifications to ensure that, to the extent qualification standards tend to screen out qualified disabled veterans, they are job-related for the position in question and are consistent with business necessity, as required by 41 C.F.R. § 60-300.44(c). Further, VCA failed to provide a schedule for the review of all physical and mental job qualifications standards in its VEVRAA affirmative action program, as required by 41 C.F.R. § 60-300.44(c)(1).

REMEDY: VCA will provide in its VEVRAA affirmative action program, and shall adhere to, a schedule for the review of all physical and mental job qualifications standards to ensure that, to the extent qualification standards tend to screen out qualified disabled veterans, they are job-related for the position in question and are consistent with business necessity, as required by 41 C.F.R. § 60-300.44(c).

7. **VIOLATION:** During the period January 1, 2020 through June 30, 2021, VCA failed to undertake appropriate outreach and positive recruitment activities that were reasonably designed to effectively recruit qualified protected veterans, document these activities, assess their effectiveness, and document its review, as required by 41 C.F.R. § 60-300.44(f). Specifically, VCA did not engage in outreach and recruitment intended to recruit qualified protected veterans during the review period.

REMEDY: VCA will undertake and document appropriate outreach and positive recruitment activities that are reasonably designed to effectively recruit qualified protected veterans. VCA will review outreach and recruitment efforts it has undertaken to evaluate their effectiveness in identifying and recruiting qualified protected veterans. VCA shall document each evaluation in accordance with 41 C.F.R. § 60-300.44(f)(3), including at a minimum the criteria it used to evaluate the effectiveness of each effort and their conclusion as to whether each effort was effective. Among these criteria shall be the data collected pursuant to 41 C.F.R. § 60-300.44(k) for the current year and the two most recent previous years. VCA's

conclusion as to the effectiveness of its outreach and recruitment efforts must be reasonable as determined by OFCCP in light of these regulations. If VCA concludes that the totality of its efforts were not effective in identifying and recruiting qualified protected veterans, it shall identify and implement alternative efforts listed in 41 C.F.R. § 60-300.44(f)(1-2).

8. **VIOLATION:** During the period January 1, 2020 through June 30, 2021, VCA failed to design and implement an audit and reporting system, as required by 41 C.F.R. § 60-300.44(h)(1). Specifically, VCA failed to measure the effectiveness of its VEVRAA affirmative action program; indicate any need for remedial action; determine the degree to which VCA's objectives have been attained; measure VCA's compliance with the affirmative action program's specific obligations; and document the actions taken to comply with the obligations of 41 C.F.R. § 60-300.44(h)(1)(i) through (v).

REMEDY: VCA will design and implement an audit and reporting system, as required by 41 C.F.R. § 60-300.44(h)(1). Specifically, VCA will design and implement an audit and reporting system that measures the effectiveness of its VEVRAA affirmative action program; indicates any need for remedial action; determines the degree to which VCA's objectives have been attained; measures VCA's compliance with the affirmative action program's specific obligations; and documents the actions taken to comply with these obligations.

9. **VIOLATION:** During the period January 1, 2020 through June 30, 2021, VCA failed to document and maintain the required data pertaining to applicants and hires, as required by 41 C.F.R. § 60-300.44(k).

REMEDY: VCA will document the following computations or comparisons pertaining to applicants and hires, on an annual basis, and maintain this data for three (3) years, in accordance with 41 C.F.R. § 60-300.44(k): (1) The number of applicants who self-identified as protected veterans pursuant to 41 C.F.R. § 60-300.42(a), or who are otherwise known as protected veterans; (2) The total number of job openings and total number of jobs filled; (3) The total number of applicants for all jobs; (4) The number of protected veteran applicants hired; and (5) The total number of applicants hired.

10. **VIOLATION:** During the period January 1, 2020 through June 30, 2021, VCA failed to invite its employees and applicants for employment to voluntarily self-identify as an individual with a disability, using the OMB-approved form for this purpose, as required by 41 C.F.R. § 60-741.42. Specifically, VCA failed to conduct the initial survey of its employees, failed to invite applicants to self-identify as an individual with a disability at the pre and post-offer stages, and failed to use an approved form.

REMEDY: VCA shall invite both its applicants for employment, and its employees, to voluntarily self-identify as an individual with a disability, in accordance with 41

C.F.R. § 60-741.42. All invitations to self-identify must be made using the OMB-approved form for this purpose (available on the OFCCP website). Specifically, VCA shall invite each of its applicants for employment, prior to an offer of employment, to voluntarily inform it whether the applicant believes that he or she is an individual with a disability, as that term is defined in 41 C.F.R. § 60-741.2(g)(1)(i) or (ii). VCA shall also invite each of its applicants for employment, after an offer of employment has been made and before the applicant begins work, to voluntarily inform it whether the applicant believes that he or she is an individual with a disability. In addition, during the first year it is subject to this requirement, VCA shall invite each of its employees to voluntarily self-identify as an individual with a disability, and then extend this invitation again at five year intervals, thereafter. At least once during each interval, VCA shall remind its employees that they may voluntarily update their disability-related self-identification information at any time. VCA will keep all self-identification information confidential and maintain it in a separate data analysis file, rather than in its personnel or medical files, in accordance with 41 C.F.R. § 60-741.42(e).

11. **VIOLATION:** During the period January 1, 2020 through June 30, 2021, VCA failed to review its personnel processes and make any necessary modifications to ensure that its obligations were carried out, as required by 41 C.F.R. § 60-741.44(b).

REMEDY: VCA will periodically review its personnel processes, make any necessary modifications, and design procedures that facilitate a review of the implementation of this requirement. A description of the review and any necessary modifications to personnel processes or development of new processes shall be included in its Section 503 affirmative action program, as required by 41 C.F.R. § 60-741.44(b).

12. **VIOLATION:** During the period January 1, 2020 through June 30, 2021, VCA failed to conduct a review of all physical and mental job qualifications to ensure that, to the extent qualification standards tend to screen out qualified individuals with disabilities, they are job-related for the position in question and are consistent with business necessity, as required by 41 C.F.R. § 60-741.44(c). Further, VCA failed to provide a schedule for the review of all physical and mental job qualifications standards in its Section 503 affirmative action program, as required by 41 C.F.R. § 60-741.44(c)(1).

REMEDY: VCA will provide in its Section 503 affirmative action program, and shall adhere to, a schedule for the review of all physical and mental job qualifications standards to ensure that, to the extent qualification standards tend to screen out qualified individuals with disabilities, they are job-related for the position in question and are consistent with business necessity, as required by 41 C.F.R. § 60-741.44(c).

13. **VIOLATION:** During the period January 1, 2020 through June 30, 2021, VCA failed to undertake appropriate outreach and positive recruitment activities that were reasonably designed to effectively recruit qualified individuals with disabilities,

document these activities, assess their effectiveness, and document its review, as required by 41 C.F.R. § 60-741.44(f). Specifically, VCA did not engage in outreach and recruitment intended to recruit qualified individuals with disabilities during the review period.

REMEDY: VCA will undertake and document appropriate outreach and positive recruitment activities that are reasonably designed to effectively recruit qualified individuals with disabilities. VCA will review the outreach and recruitment efforts it has undertaken to evaluate their effectiveness in identifying and recruiting qualified individuals with disabilities. VCA shall document each evaluation in accordance with 41 C.F.R. § 60-741.44(f)(3), including at a minimum the criteria it used to evaluate the effectiveness of each effort and their conclusion as to whether each effort was effective. Among these criteria shall be the data collected pursuant to 41 C.F.R. § 60-741.44(k) for the current year and the two most recent previous years. VCA's conclusion as to the effectiveness of its outreach and recruitment efforts must be reasonable as determined by OFCCP in light of these regulations. If VCA concludes that the totality of its efforts were not effective in identifying and recruiting qualified individuals with disabilities, it shall identify and implement alternative efforts listed in 41 C.F.R. § 60-741.44(f)(1-2).

14. **VIOLATION:** During the period January 1, 2020 through June 30, 2021, VCA failed to design and implement an audit and reporting system, as required by 41 C.F.R. § 60-741.44(h)(1). Specifically, VCA failed to measure the effectiveness of its Section 503 affirmative action program; indicate any need for remedial action; determine the degree to which VCA's objectives have been attained; measure VCA's compliance with the affirmative action program's specific obligations; and document the actions taken to comply with the obligations of 41 C.F.R. § 60-741.44(h)(1)(i) through (v).

REMEDY: VCA will design and implement an audit and reporting system, as required by 41 C.F.R. § 60-741.44(h)(1). Specifically, VCA will design and implement an audit and reporting system that measures the effectiveness of its Section 503 affirmative action program; indicates any need for remedial action; determines the degree to which VCA's objectives have been attained; measures VCA's compliance with the affirmative action program's specific obligations; and documents the actions taken to comply with these obligations.

15. **VIOLATION:** During the period January 1, 2020 through June 30, 2021, VCA failed to document and maintain the required data pertaining to applicants and hires, as required by 41 C.F.R. § 60-741.44(k).

REMEDY: VCA will document the following computations or comparisons pertaining to applicants and hires, on an annual basis, and maintain this data for three (3) years, in accordance with 41 C.F.R. § 60-741.44(k): (1) The number of applicants who self-identified as individuals with disabilities pursuant to 41 C.F.R. § 60-741.42(a), or who are otherwise known as individuals with disabilities; (2) The total

number of job openings and total number of jobs filled; (3) The total number of applicants for all jobs; (4) The number of applicants with disabilities hired; and (5) The total number of applicants hired.

16. **VIOLATION:** During the period January 1, 2020 through June 30, 2021, VCA failed to evaluate its utilization of individuals with disabilities using the goal established by OFCCP, as required by 41 C.F.R. § 60-741.45.

REMEDY: VCA will evaluate its utilization of individuals with disabilities using the seven (7) percent utilization goal established by OFCCP, as required by 41 C.F.R. § 60-741.45. Should the percentage of individuals with disabilities in one or more job groups or in the entire workforce, as provided in 41 CFR § 60-741.45(d)(2), be less than the utilization goal, VCA will take steps to determine whether and where impediments to equal employment opportunity exist, as required by 41 C.F.R. § 60-741.45(e). VCA shall develop and execute action-oriented programs to correct any identified problem areas, as required by 41 C.F.R. § 60-741.45(f).

IV. OFCCP Monitoring Period

1. **Recordkeeping.** VCA agrees to retain all records relevant to the violations cited in Section III above and the reports submitted in compliance with Paragraph 2, below. These records include underlying data and information such as Human Resources Information System ("HRIS") and payroll data, job applications and personnel records, and any other records or data used to generate the required reports. VCA will retain the records until this Agreement expires or for the time period consistent with regulatory requirements, whichever is later.
