When the term "Carpenter and Joiner" is used, it shall mean all the subdivisions of the Trade. However, the Union agrees that it will not interfere with existing practices of other unions affiliated with the Building Trades.

RECOGNITION

1.2 The Association and the Employer recognizes the Union as the sole and exclusive Bargaining Representative for the Employees, now or hereafter employed in the Bargaining Unit for the purpose of Collective Bargaining in respect to pay, wages, hours of employment, or other conditions of employment. All work covered by this Agreement shall be performed by the Employees in this Bargaining Unit.

1.3 Any Employee of this Bargaining Unit may perform any or all of the work described herein provided he observes the special rules as described for the particular subdivision or specialty of the trade.

1.4 The Employer and the Union agree that neither party shall discriminate against any person directly or indirectly, in such matters as race, creed, color, sex, national origin, age or religion.

ARTICLE II UNION SECURITY

2.1 **Maintenance of Membership:** All Employees now included in the Bargaining Unit represented by the Union and having a membership therein must, during the term hereof, as a condition of employment maintain their membership in the Union.

2.2 All other Employees covered by this Agreement shall, as a condition of employment, become members of the Union after the seventh (7) day of, but not later than the eighth (8) day following the beginning of, such employment, or the effective date of this Agreement, whichever is later and they shall maintain such membership as a condition of continued employment as hereinafter provided.

2.3 Any Employee who refuses or fails to become a member of the Union or refuses or fails to maintain his membership therein in accordance with the provisions of Sections 1 and 2 of this Article, shall forfeit his right of employment, and the Employer shall, within three (3) working days of being notified by the Union in writing as to the failure of an Employee to join the Union or to maintain his membership therein, discharge such Employee. For this purpose the requirements of membership and maintaining membership shall be in accordance with State and Federal Laws. The Employer shall not be in default unless it fails to act within the required period after receipt of written notice.

2.4 The Employer shall, on the day that he hires an Employee who is not a member of the Union, notify the Union, or the Job Steward of the name, address and date of initial employment of such Employee, as well as the jobsite. In the absence of a Job Steward, the Employer also agrees to advise the Employee of the provisions of this Article.

ARTICLE III SUB-CONTRACTING

3.1 The parties hereto being in the Construction Industry qualify under the proviso of Section 8(e) of the National Labor Relations Act, 1947 as amended.

3.2 Employer shall not contract or subcontract any work coming within the jurisdictional claims of the Union to any person, firm or corporation not covered by a Collective Bargaining Agreement with the Union, provided, however, that the provisions of this paragraph shall apply only to the contracting and subcontracting of work to be done at the site of construction, alteration, painting or repair of a building, structure or other work.

3.3 Employer, in recognition of the territorial and occupational jurisdiction of the Union, shall not subcontract or contract out jobsite work coming within the jurisdiction of the Carpenters Union nor utilize on the jobsite the services of any other person, company or concern to perform such work that does not observe the same wages, fringe benefits, hours and conditions of employment as enjoyed by the Employees covered by this Agreement.

3.4 Any Employer who sublets any of the work coming within the jurisdiction of Carpenters shall assume the obligations of any subcontractor to the extent of Carpenter labor employed on work under contract with the Employer for prompt payment of Employee's Wages, Health and Welfare, Pension and Apprentice Training Contributions, including reasonable attorney's fees incurred in enforcing the provisions hereof, provided the subcontractor is not bonded as provided for in Article XV hereof. The Union will, upon written request, furnish written certification to any Employer as to whether a

subcontractor is adequately bonded including expiration date of bond, and that wages and payments to Health and Welfare, Pension and Apprentice Contributions are current. The Union also agrees to notify MARBA of any subcontractor whose bond is being terminated. If the Employees are withdrawn from any job in order to collect contributions to the Carpenters Health and Welfare, Pension and Apprentice Training Program, the Employees who are affected by such stoppage of work shall be paid for lost time up to sixteen (16) hours, provided that two (2) days notice of the intention to remove Employees from the job is given to the Employer and the subcontractor by the Union by registered mail.

The Employer shall furnish the Union with the names of its subcontractor(s) on each jobsite and with a copy of the subcontractors' surety or cash bond agreement evidencing that such subcontractor(s) is obligated to this Agreement and has posted the bond required by Article XV. Such Employer, from the date the Union receives such information and for the work performed on the specific referenced jobsite, will not be liable for the subcontractor's wage or fringe benefit obligation. If the Union notifies the Employer in writing that the subcontractor is no longer properly bonded, then from that date and for work subsequently performed in the specific referenced jobsite the Employer's liability under this section for such subsequent work will resume until such time as the proper bond has been replaced.

3.5 If an Employer, bound by this Agreement, contracts or subcontracts any work covered by this Agreement to be done at the jobsite of the construction, alteration, painting or repair of a building, structure or other work to any person or proprietor who is not signatory to this Agreement, the Employer shall require such subcontractor to be bound by all provisions of this Agreement, or the Employer shall maintain daily records of the subcontractor's or the subcontractor's Employees jobsite hours and be liable for payments to the Chicago Regional Council of Carpenters Welfare Fund, the Chicago Regional Council of Carpenters Pension Fund and the Chicago Regional Council of Carpenters Apprentice and Trainee Program, as provided in Articles XII, XIII, and XIV of this Agreement.

However, this section shall not be enforced where the work is subcontracted to an Employer that is bound to an agreement with any union, provided that the identical clause is contained in the agreement between the Employer and the Union. ("Enforcement Proviso") This Enforcement Proviso to Section 3.5 shall expire on May 30, 2018.

contributions greater than fifty cents (\$0.50) per hour, those additional pension contribution amounts shall be allocated first from the total package increase scheduled for that year before any allocations to wages or the health & welfare plan or other benefits.

Subject to the foregoing, the allocation among the wages and any other contributions shall be at the discretion of the Executive Committee of the Union. Notice in writing of the allocation shall be given to the Employer by the Union thirty (30) days prior to the effective date.

If the Employer issues a check for the payment of wages or fringe benefits which is returned due to a lack of sufficient funds, the Employer shall be required to make all payments of wages and fringe benefits in cash or by certified check, and in addition the Employer will be required to reimburse each Employee for any charges assessed.

PAY ON TERMINATION OF EMPLOYMENT

5.2 (a) Involuntary Dismissal.

BY DISCHARGE

Employer may discharge any Employee at any time on any working day provided, however, Employee is given fifteen (15) minutes with pay to gather his tools, and is immediately tendered in hand on the job all wages due him. The parties hereto agree that the payment procedure upon discharge, as outlined above, is a condition precedent to lawful discharge.

BY LAY-OFF

When an Employee is laid off due to lack of work, he shall be paid immediately all wages due him to date and he shall receive at least one-hour notice prior to 4:30 p.m. In the event such notice is not given, Employer shall pay one (1) hour of wages in addition to all wages due him. However, when the one (1) hour penalty is in effect, then in that event the one-hour wages shall be mailed to the home of the Employee within a twenty-four (24) hour period. If he is not paid on the job at the time he is laid off, he shall be paid four (4) hours of additional pay all of which shall be included in his last paycheck.

(b) Voluntary Termination of Employment: When an Employee quits his job on his own accord, he may be required to wait, at the option of the Employer, until the next regular pay day for the wages due him.

(c) The Employer shall furnish any necessary protective medication such as petroleum jelly, to prevent burns from said creosote or chemicals which may prove injurious to the skin. Gloves shall also be furnished by the Employer.

(d) Nothing in this section of this Agreement (premium pay) shall be so construed as to prohibit the opening to arbitration between the Employer and the Union at any time during the term of this Agreement of any work to be performed by Employees, of such nature as the Union deems hazardous or which makes exceptional demands on an Employee's health and safety and thereby qualify for premium pay, which is not covered by Articles in this section.

(e) In the event that the Union notifies the Employer that certain work is hazardous in nature, as defined in sub-section (b) above, a determination shall be made to establish the wage scale as well as working conditions and such scale shall be retroactive to commencement of such hazardous work

The lunch period may be adjusted at the Employer's option during placement of concrete only, in any one-half (1/2) hour period between 12:00 noon and 1:00 P.M. The regular workday as described above may be adjusted for cause. In such event, the Employer must receive approval of the Business Representative of the District or the Regional Council of Carpenters prior to affecting the adjusted workday schedule and in no case should a job begin before 6:00 A.M.

(b) Provided, however, upon twenty-four (24) hours written notice to the Business Representative of the District or the Regional Council, the Union will grant an adjusted workday which shall be at the option of the Employees upon certification of the job steward.

6.8 Employees who are required to work during the regularly defined lunch hour period shall eat not later than one (1) hour after the normal lunch period.

6.9 If an Employee covered by this Agreement sustains an accidental injury arising out of his employment which requires immediate medical care off the premises, during working hours, such Employee shall be paid his regular wages for the time necessarily spent in going to a physician's office, medical center or hospital, as well as the time required to return to the jobsite. Except in unusual circumstances, this provision shall be effective only on the date of the injury, unless subsequent visits during working hours are required by Employer's physician(s). When it is necessary for an Employee to be taken to a hospital immediately following an injury, he shall be taken to the hospital nearest to the jobsite at the Employer's expense.

6.10 Safe and adequate transportation from a jobsite following an injury other than for a minor injury, shall be furnished by the Employer. The Job Steward shall be notified of all such injuries. If the Steward determines that someone must accompany the injured Employee to the hospital, medical center, physician's office, or Employee's home, the Employer shall select such person, who shall be compensated at the regular rate for such services. However, nothing contained in this Section 6.9 and Section 6.10 shall prevent an Employer from discharging an Employee for adequate cause.

In the event an Employee is injured in the course of his employment, he shall not be dismissed from such employment because of his injury, nor shall he be dismissed during the period of medical care required by said injury, unless there is no work available with his Employer of which he is capable to perform, or unless his dismissal is due to conditions beyond the control of the Employer.

TRANSPORTATION

6.11 An Employee who is required to travel to a jobsite shall be reimbursed for lodging when required to remain away from his home overnight. The expense allowance for lodging for each night shall be a minimum of fifty dollars (\$50.00) per night.

6.13 On all jobs where the Employees are required to use Employer transportation to the jobsite, wages shall commence at 8:00 a.m.

6.14 In the event that the Employees are required to work outside the geographic jurisdiction of their home local, they shall be paid the higher rate of wages and fringe benefit contribution rates under the agreement covering the Employee's home local or the agreement covering the area where the work is being performed.

In the event that the Employees are required to perform work outside the geographic jurisdiction of the Union and the Employer is not covered by an agreement with an affiliate of the United Brotherhood of Carpenters and Joiners of America, the terms and conditions of this Agreement shall be binding with respect to the Employee being required to work outside the geographic jurisdiction of the Union.

ARTICLE VII SHIFT WORK

7.1 There shall not be more than one (1) shift of work (8:00 a.m. to 4:30 p.m.) performed in any one (1) day and at any one (1) jobsite, except with Union permission.

7.2 A pre-job conference shall take place between the President of the Chicago Regional Council of Carpenters and the Business Representative of the District, wherein the work will be performed, and with the Employer or his representative before shift work will be allowed.

7.3 No shift work shall be permissible unless the shifts shall run a minimum of five (5) consecutive working days. When a jobsite qualifies for the use of a second and third shift the following shall be applicable:

 - Third Shift--4:00 a.m. to 4:30 a.m.

7.4 Employees required to work through their specified lunch hour shall be paid double time for that period.

7.5 Any work done in excess of eight (8) hours on the first shift and in excess of seven (7) hours on the second shift and third shift shall be paid wages at the rate of double time.

7.6 All approved shifts falling entirely on Saturday shall be paid wages at the rate of time and one-half. All approved shifts falling entirely on Sunday shall be paid wages at the rate of double time.

7.7 No Employee shall work more than one (1) shift in any twenty-four (24) hour period.

7.8 In the event permissible shift work does not fulfill the requirements as stated above, except for conditions beyond Employer's control, time worked will revert to premium wages for the second and third shift.

7.9 In the event of municipal work requiring shifts to occur at times other than those specified in the Article because of traffic congestion, public safety, municipal requirements or other situations; different shifts and starting times can be established upon mutual agreement by Owner, Contractor and Union.

7.10 When work to be performed in occupied buildings is of such a nature that it is not appropriate or practical during the regular work day, such as renovation, alteration and modernization, such work may be performed at an adjusted time; provided a pre-job conference takes place between the Chicago Regional Council of Carpenters and the Employer and permission is granted by the Chicago Regional Council of Carpenters. Contractors utilizing the provision shall notify the Chicago Regional Council of Carpenters by requesting the pre-job conference on the form provided by the Chicago Regional Council of Carpenters. BY mutual consent of the Employer and the Union, the starting and quitting times of any shift, including day work, may be changed for all or any portion of a particular job. However, the adjusted shift shall run a minimum of three (3) consecutive days. All Employees working under this provision shall be paid under the shift work provision contained in Section 7.3(4). Any and all

work in excess of seven (7) hours under this provision shall be paid at a rate of double time. An Employer who violates this section shall pay as a penalty double time for all hours worked.

8.2 It is agreed that all Employers not otherwise required to pay contributions under the Illinois Unemployment Compensation Act, and regardless of the number of men employed, shall voluntarily elect to become subject thereto and liable for the payment of contributions thereunder.

ARTICLE IX SAFETY

9.1 The Employer agrees to adhere to and comply with the provisions of OSHA, the Illinois Health and Safety Act; standards of the American National Standards Institute; the Safety Provision of the Walsh Healy Public Contracts Act; Local Building and Safety Codes and shall also comply with manufacturers' specifications for safe operation of equipment.

9.2 Should a Carpenter be required by law to accompany any Safety Inspector, City, State or Federal (O.S.H.A.) on a Safety Inspection of the jobsite, he shall do so with pay.

9.3 The Employer shall furnish at all times and places suitable drinking water and sanitary facilities.

ARTICLE X JOB STEWARD

10.1 The parties agree that the following basic principles apply to the selection of a Job Steward:

- (1) The Union requires that a Steward must fully protect the interest of the Union.
- (2) The Employer requires that a Steward be a Carpenter who can efficiently perform his duties as a Carpenter and who will not disrupt the job unnecessarily in discharging his duties as a Steward.
- (3) To meet the two basic principles agreed to by the parties, it is further agreed:
 - (a) The Job Steward shall be a working Carpenter;
 - (b) The Steward shall be selected by the Business Representative of the Union;
 - (c) In selecting a Steward preference shall be given Union Members presently employed in the Bargaining Unit of the Employer on the specific site, provided, however, that if, in the judgment of the Business Representative, no presently employed Union Member is competent to act as Steward, the Steward shall be selected from outside the Bargaining Unit. A reason shall be given by the Business Representative why no member is competent. However, the reason shall not infringe upon the right of the Business Representative to select the Steward;
 - (d) The Union shall have the right to replace any Steward at any time;
 - (e) So long as he is competent to perform the work to be done on the job, the Steward shall be the last Carpenter laid off, except for the Foreman;
 - (f) These provisions shall not apply to the work of Pile Driving where the work is performed by a small crew. In the Pile Driving crew, one (1) in the crew shall be designated by the Business Representative as a Steward;

(g) A Millwright Steward shall be appointed by the Millwright Business Representative on any job where Millwright work is being performed;

(h) If there is a dispute as to any of the Sections or Sub-Sections of this Article, the provisions of Article XVIII will apply.

10.2 The duties of the Job Steward shall be to report to the Business Representative of the Union:

- (a) Members' dues delinquencies;
- (b) Violations of Collective Bargaining Agreement;
- (c) Carpenters employed seven (7) days or more, who have not become members of the Union;
- (d) Disputes and grievances of members.

He shall not have authority to:

- (1) Adjust violations of the Collective Bargaining Agreement;
- (2) Collect any money due the Union from any person or applicant for membership or any other person.

10.3 Whenever one (1) or more Carpenters are required to work overtime, one (1) of their members shall be the regularly designated Steward, or someone designated by him.

ARTICLE XI FOREMAN

13.2 The Employer agrees to be bound by the Agreement and Declaration of Trust establishing the Chicago Regional Council of Carpenters Pension Fund and the Supplemental Retirement Fund and by any present and future amendments thereto and irrevocably designates as his representative on the Board of Trustees such Trustees as are named in said Agreement and Declaration of Trust, as Employer Trustees, together with their successors selected in the manner provided in said Agreement and Declaration of Trust as it may be amended from time to time, and agrees to be bound by all action taken by said Employer Trustees pursuant to the said Agreement and Declaration of Trust as amended from time to time.

13.5 The Employer representatives serving as Trustees, with their successors selected in the manner provided by the Agreement and Declaration of Trust, shall represent all Employers in the administration of the Pension Fund and the Supplemental Retirement Fund.

13.6 The Employer may make contributions for all hours worked by Superintendents and other management personnel for whom contributions to the Pension Fund and the Supplemental Retirement Fund were heretofore made when such individuals were employed as journeymen Carpenters. In the event the dispute involves an issue concerning wages or other issues wherein the Union must have information or documentation in order to proceed, the Employer must provide such requested information within ten (10) working days of receipt of the request. Failure of the Employer to timely provide such information or seek an extension from the arbitrator for good cause shall be deemed an admission of the Union or Employee's claim. An admission of the claim for failure to provide information of documents shall only occur after the appointment of an arbitrator. This limitation period will only be extended by mutual agreement between the Union and the Employer. Disputes must be raised within thirty (30) days of the date the Employee or the Employer become aware of the events giving rise to the dispute. However, the Union may file a grievance under this provision for a violation of the collective bargaining agreement within thirty (30) days of a representative of the Union first being made aware of the alleged violation. A representative of the Union is defined as any elected Regional Council officer or any appointed Business Representative.

18.2 In the event that the dispute is not resolved within seven (7) calendar days after the parties' first meeting, the matter shall be referred to the Permanent Arbitration Board ("PAB") in writing by the grieving party within seven (7) calendar days after the expiration of the seven (7) calendar day period. The grievance shall be sent to the arbitrators in rotation, each grievance being submitted to the next arbitrator on the list following the one to whom the most recently submitted grievance has been sent. Upon submission of the grievance, the arbitrator shall be requested to advise both parties promptly

as to his earliest available hearing date or dates. If an arbitrator to whom a submission has been made shall be unable to offer a hearing date earlier than thirty (30) calendar days from the date of delivery of the letter of submittal of a grievance, then, unless the parties agree otherwise, such grievance shall be sent to the next arbitrator in the rotational sequence. If no arbitrator on the list is able to meet the thirty (30) calendar day deadline, then, unless the parties agree otherwise, submission shall be submitted to the listed arbitrator with the earliest available hearing date. The expense of the Arbitrator shall be shared by the parties in equal proportions. The decision of the Arbitrator shall be final and binding upon both parties. In addition, the Union shall notify the Association of hearing dates at least ten (10) days in advance of the PAB hearing and will provide the Association with a copy of any arbitration decision within seven (7) days of receipt of any decision. - f. Employees found under the influence of alcohol while on duty, or while operating a company vehicle, will be subject to termination.

3. Prescription Drugs - Employees using a prescribed medication which may impair the performance of job duties, either mental or motor functions, must immediately inform their supervisor of such prescription drug use. For the safety of all Employees, the company will consult with you and your physician to determine if a re-assignment of duties is necessary. The company will attempt to accommodate your needs by making an appropriate re-assignment. However, if a re-assignment is not possible, you will be placed on temporary medical leave until released as fit for duty by the prescribing physician.

4. Grievance - All aspects of this policy and program shall be subject to the grievance procedure of the applicable collective bargaining agreement.

32.5 Drug/Alcohol Testing

The parties to this policy and program agree that under certain circumstances, the company will find it necessary to conduct drug and alcohol testing as follows:

- a. A pre-employment drug and alcohol test may be administered to all applicants for employment;
- b. A test may be administered in the event a supervisor has a reasonable cause to believe that the Employee has reported to work under the influence, or is or has been under the influence while on the job; or has violated this drug policy. During the process of establishing reasonable cause for testing, the Employee has the right to request his on-site representative to be present;
- c. Testing may be required if an Employee is involved in a workplace accident/incident or if there is a workplace injury;
- d. Testing may be required as part of a follow-up to counseling or rehabilitation for substance abuse, for up to a one (1) year period;
- e. Employees may also be tested on a voluntary basis.
- f. Random drug testing conducted under the policy and procedure contained in Section 32.7.

Each Employee will be required to sign a consent and chain of custody form, assuring proper documentation and accuracy. If an Employee refuses to sign a consent form authorizing the test, ongoing employment by the company will be terminated.

Drug testing will be conducted by an independent accredited laboratory (National Institute on Drug Abuse and/or College of American Pathology), and may consist of either blood or urine tests, or both as required. Blood test will be utilized for post accident investigation only.

The company will bear the costs of all testing procedures.

32.6 Rehabilitation and Employee Assistance Program

a. Employees are encouraged to seek help for a drug or alcohol problem before it deteriorates into a disciplinary matter. If an Employee voluntarily notifies supervision that he or she may have a substance abuse problem, the company will assist in locating a suitable Employee assistance program for that treatment, and will counsel the Employee regarding medical benefits available under the company or union health and welfare/insurance program.

b. If treatment necessitates time away from work, the company shall provide for the Employee an unpaid leave of absence for purposes of participation in an agreed upon treatment program. An

Employee who successfully completes a rehabilitation program shall be reinstated to his/her former employment status, if work for which he/she is qualified exists.

c. Employees returning to work after successfully completing the rehabilitation program will be subject to drug tests without prior notice for a period of one year. A positive test will then result in disciplinary action as previously outlined in this policy and program.

32.7 Random Drug Testing Policy and Procedure

The Random Drug Testing Policy and Procedure are as follows:

1. Employees Subject to Testing

The parties agree to the establishment of a random testing program that shall include all current Employees and future Employees.

2. Random Rate

Random testing may be conducted as follows:

a. Once per calendar month the employer may randomly test a portion of the bargaining unit members working for the company.

b. The employer shall maintain sufficient records of testing to allow the Union to determine whether the provisions of this Article are in compliance.

3. Selection Period

a. The selection period is an interval within the program period for which a given number of random selections are performed. The frequency of selection shall be once during each calendar month, although the actual specimen collection may occur on any working day within that calendar month.

b. Each individual company shall submit a current Employee list for each selection period to a Third Party Administrator that will computer-generate a list of randomly-selected Employees.

c. Each individual company shall designate the specific day and time within the selection period the sample is to be collected for each Employee selected. To ensure the deterrent effect of random testing, testing shall be spread out through the selection period and include a representative sample of all work days, including weekends and holidays when feasible. In no event shall an Employee be required to submit to testing when the Employee is not physically present on the jobsite or employer office and engaged in bargaining unit work for the company. Moreover, in order to be tested, the Employee must be scheduled to perform bargaining unit work on a jobsite on the date the testing is to occur.

4. Testing Procedures

a. The cost of all tests, specimen collection and random selection shall be borne by each individual company. Each company shall pay the Employee for all time spent complying with Section 32.7, including travel to and from the collection location and time spent for testing. Each randomly-selected Employee shall be responsible for getting to and from the collection site in a timely manner. Failure of the Employee to get to the testing site in a timely manner shall be deemed a refusal to be tested unless the Employee can demonstrate by clear and convincing evidence that the failure to so appear was outside the Employee's control. The Employer shall be responsible for transporting any Employee who does not have an individual means of transportation.

b. Each individual company may elect to have the Employee finish his work day at the collection location. Overtime provisions of the Agreement shall apply.

c. Employees are required to cooperate in all specimen collection and/or testing procedures. This shall include providing a sample either on the job-site or collection location and having in their possession valid picture identification and any testing paperwork given to the Employee by the company.

5. Testing

a. The laboratory performing all tests will be certified for Federal Workplace Drug Testing Programs by the Department of Health and Human Services - Substance Abuse and Mental Health Service Administration (SAMHSA).

b. Specimen samples shall be collected at the third party administrator collection location or at the job-site by a third party administrator who has been properly trained to collect specimen samples to meet guidelines established by the Department of Transportation.

c. A split sample shall be secured from each Employee tested. When a urine sample is

taken, the sample will be collected in a single container and then split into two containers by the collector. When an oral swab is taken, the collector shall swipe into two separate swabs and keep each swab separate.

d. All initial tests will be tested by the accepted industry standard screening methodology appropriate for the type of specimen. All initial positive tests shall be confirmed by gas chromatography/mass spectrometry (GC/MS) or the appropriate industry standard confirmatory methodology appropriate for the type of specimen.

e. Urine and/or oral fluids may be tested.

f. Testing for alcohol shall be at the option of the company. Testing for alcohol shall follow 49 CFR Part 40 Subparts J and K Procedures for Transportation Workplace Drug and Alcohol Testing Programs for the Department of Transportation, as that provision may from time to time be amended.

g. All illegal drugs, controlled substances, look-alike drugs, and designer drugs, may be tested for.

h. Use of prescription drugs outside the parameters of the prescription and physician's advice may be tested for.

i. The United States Department of Transportation levels for "positive" or "negative" drug test results shall be the standard where applicable. Alcohol test results of .02 and higher shall be treated the same as a positive test result.

j. All confirmed positive test results shall be reviewed, verified and reported to each company by a Medical Review Officer (MRO). The MRO shall not review positive alcohol tests reported from a breathalyzer.

6. Test Results

a. Test results that are verified by the MRO as positive or positive dilute shall be handled in accordance with the Agreement, including termination of employment.

b. Test results that are verified by the MRO as adulterated or substituted as determined by the laboratory and verified by the MRO shall be treated as a positive test result.

c. Test results that are verified by the MRO as negative dilute shall allow for a new specimen collection and test at the company's discretion. The second test result shall be considered the test of record and the first result disregarded.

d. Test results that indicate misuse of prescription drugs shall be treated as a positive test result.

e. A refusal to provide a sample shall be treated as a positive test result.

f. Specimen samples that cannot be collected, or collected properly due to an uncooperative Employee shall be treated as a positive test result and handled in accordance with the Agreement.

g. In the case of a specimen sample that cannot be collected because an Employee does not provide a sufficient amount of urine for the drug test (i.e., 45 ml of urine), the following procedures shall be followed:

1. The collector must discard the insufficient specimen, except where the insufficient specimen was out of temperature range or showed evidence of adulteration or tampering, in which case the test is treated as a positive or positive dilute test result;

2. The Employee shall be given the opportunity to drink fluids but shall not be forced to drink fluids. The Employee shall be informed that he or she has up to three hours to produce an adequate urine specimen, and when that three hour period begins and ends.

3. If the Employee refuses to attempt to provide a new urine specimen or leaves the collection site before the collection process is complete, it is treated as a refusal to test.

4. If the Employee is unable to provide an adequate urine specimen after the conclusion of the three hour period, the collector must immediately inform the employer and follow 49 CFR Part 40.193 Procedures for Transportation Workplace Drug and Alcohol Testing Programs from the Department of Transportation, as that provision may be from time to time amended. The company, at its option, can require testing by an alternate method, including blood or oral fluids.

h. Test results that indicate a fatal flaw, invalid sample, cancelled test, damage in shipment, defect in collection procedures, laboratory errors shall result in a new specimen collection and test at the company's option.

7. Indemnification and Hold Harmless

The Employer shall release, indemnify and hold the Union including its officers and agents completely harmless from any claims and allegations of loss, damage and injury resulting from the implementation of random testing which is not specifically authorized by the terms of this Article.

8. Policy of Non-Discrimination and Non-Harassment

The Employer is strictly prohibited from using this random testing procedure to either harass or discriminate against any person for any reason.
