The Association and its members recognize the prerogatives of the Employer to operate and manage its affairs in such areas as but not limited to:

- 1) Directing employees;
- 2) Hiring, promoting, transferring, assigning, and retaining employees, lay-off, suspension, termination, or other employment action;
- 3) Relieving employees from duties because of lack of work or funds or under conditions where continuation of such work would be inefficient, or nonproductive;
- 4) Maintaining the efficiency of government operations;
- 5) Determining the methods, means, and personnel by which the Employer's operations are to be conducted;
- 6) Taking whatever actions may be necessary to carry out the missions of the Employer in situations of emergency;
- 7) Establishing the methods and processes by which work is performed;
- 8) Assign work to employees in accordance with the requirements of the institution as determined by management;
- 9) Make and enforce reasonable rules for the maintenance of discipline.

Refresher orientations should not be less than one full shift.
- 4.5 Employees have the right to refuse to work under conditions which, through mutual agreement arrived at an Association/Management meeting are unsafe for employees and/or patients and which continue to pose a threat of physical harm to employees and/or patients, provided Management has had reasonable period of time to take remedial action to correct whatever deficiency.
- 4.6 No nurse shall be disciplined, issued a punitive suspension or discharge without just cause and due process. ARTICLE 5 - MANAGEMENT SECURITY

- 5.1 It is agreed that the Employer and its employees are engaged in furnishing an essential public service which vitally affects the health, safety, comfort and general well-being of the public and both parties hereto recognize the need for continuous and reliable service to the public. Neither the Association nor any of its officers, agents, or any employees covered by this Agreement will instigate, promote, sponsor, or engage in any strike, picketing, boycotting, work stoppages, sit downs, or slow down strikes, or a concerted refusal to render services, or to work, or any other curtailment or restriction of work at any time during the term of this Agreement.

- 5.2 Nothing in the above Section will be construed to mean that an individual nurse or group of nurses shall be compelled to cross a duly authorized picket line established by a recognized bargaining unit at this institution. However, should a legal jurisdiction determine that such can be required, it is recognized that appropriate administrative and/or legal action may be initiated by management.

ARTICLE 6 - EQUALITY OF EMPLOYMENT OPPORTUNITY

- 6.1 The Employer agrees that it will not discriminate against any nurse applicant or any nurse employee, either in hiring, promoting, or assigning to positions, or in regard to any other item or condition of employment, because of race, color, ancestry, religious or political belief, sex, age, gender identity or expression, sexual orientation, marital status, or activity on behalf of the Association. The Employer may, however, enter into a bona fide seniority system that is not structured to perpetuate any past discriminatory practices.

ARTICLE 7 - CONDITIONS OF EMPLOYMENT

- 7.1 Upon receipt of a written authorization from an employee covered by this Agreement, the Employer shall abide by the terms of the authorization and deduct from the employee's pay the amount owed to the Association by such employee for dues. Changes in the Association membership dues rate will be certified to the Employer in writing over the signature of the authorized officer or advance of such change.

The Association shall provide local management with sufficient copies of the Association's membership payroll deduction cards so that each employee who is hired is provided with this form at date of hire.

The Association agrees to make available to new hires a copy of the Agreement and such copies will be provided to the Employer and shall be given to new employees upon hire.

ADDENDUM A - Broadband Pay Plan Provisions

This agreement represents the parties' full and complete agreement for all provisions of the Broadband Pay Plan under the term of this contract.

Section 1. The State shall increase each employee's base salary to \$.50 per hour effective the first full pay period that includes January 1, 2020 and \$.50 per hour the first full pay period that includes January 1, 2021.

The Health Care and Benefits Division is managing the State Employee Group Health Plan to contain costs and minimize member cost impacts. Member contributions, copay amounts, deductibles, coinsurance levels, and maximum out of pocket levels will not increase through December 31, 2020. The State's share contribution (currently, \$1054 a month) will not change during the same period.

Section 2. Longevity. All of the calculations are base rates and not inclusive of longevity.

Section 3. Hiring rates. Employees new to state government will typically be hired at the entry for the occupation. In determining a new employee's hiring rate above entry, the Supervisor, or designee, shall consider criteria such as: the employee's job-related qualifications and competencies; existing salary relationships within the job class, band and work unit; department affordability; and the competitive labor market.

Section 4. Training Assignments. The Supervisor or designee may establish written training assignments to enable an employee to gain the additional experience and training required for the job for a period of time not to exceed two years. At the completion of the training assignment, the employee's pay will be set no less than the entry rate of pay for the occupational pay band.

Section 5. Market-based pay. Pay awarded to employees based on comparisons to how other employers compensate employees in similar jobs. Market-based comparisons consider not only base pay, but also other types of compensation and benefits having a definable dollar value. The Department may consider market-based pay adjustments on a case-by-case basis.

Section 6. Competency-based pay. Pay based on an assessment of an employee's job-related competence. The Department may consider competency based pay adjustments on a case-by-case basis.

Section 7. Results-based pay. Pay awarded to employees or employee teams based on accomplishments. Results-based pay may be awarded for specific outcomes or outputs. The Department may consider results based pay adjustments on a case-by-case basis.

Section 8. Strategic pay. Pay awarded to attract and retain key employees with competencies critical or vital to achievement of the Department's mission or strategic goals. The Department may consider strategic pay on a case-by-case basis.

Section 9. Situational pay. Pay based on circumstances that occur that are not encountered in either the majority of jobs in state government or jobs used to make market comparisons. It is intended to address difficulties in recruitment and retention. It may be considered when atypical requirements exist in a position, for example, unusual hours, extreme physical demands, or environmental hazards that are causing recruitment and retention problems. The Department may consider situational-based pay on a case-by-case basis.
