

# Important Information for Workers Affected by the Spirit Airlines Closure:

On behalf of WorkSource Georgia's Rapid Response Program, we want to connect with you regarding available resources and support services following your recent employment impact.

Our team, along with our workforce partners, is here to assist you at no cost. We are committed to helping you navigate this transition and connect you with opportunities and support services as quickly as possible.

## Retraining Services

- Access funding for skills training programs to enter a new occupational field in high demand.
- Receive support services, like transportation and childcare assistance, during training.
- Start a work-based learning program to learn on the job at a new company.

Contact information:  
<https://atlworks.org>

## Reemployment Services

- Access Georgia's online job portal, known as the WorkSource Georgia Portal, for local job opportunities.
- Receive job search assistance, such as resume preparation, interviewing skills, and career exploration.

Contact Information:  
[www.WorkSourceGAPortal.com](http://www.WorkSourceGAPortal.com)

## Unemployment Insurance

- Unemployment Insurances (UI) is short-term financial assistance for eligible unemployed workers.

Contact information:  
<https://dol.georgia.gov>

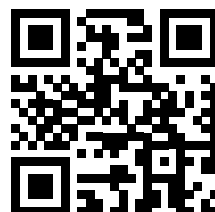

## Retirement & Healthcare Coverage

- Review health care plan options.
- Protect your retirement assets.

Contact Information:  
<https://DOL.gov/Spirit>
