This document will help Providers select appropriate and payable codes when billing for telehealth services. The flow chart below will help identify approved telehealth codes for billing purposes. For more information about telehealth for routine medical services, see BLBA Bulletin 22-01.

*ALL TELEHEALTH SERVICES MUST BE SUBMITTED WITH SUPPORTING MEDICAL RECORDS*

---

**ENCOUNTER**

Does the visit use video or picture?

- **YES**
  - Synchronous\(^1\) visit (real time)
    - **YES**
      - Office Visits for New or Established patients
        - 99201-99205, 99211-99215
    - **NO**
      - Asynchronous\(^2\)
        - G2010

- **NO**
  - Will decision be made for necessity of Office visit?
    - **YES**
      - G2010
    - **NO**
      - Does the visit use audio only?
        - **YES**
          - Telephone only 99441-99443
        - **NO**
