U.S. Department of Labor and U.S. Department of Justice present:
A look at the Radiation Exposure Compensation Act (RECA)

The Energy Workers' Compensation Program is partnering with the U.S. Department of Justice (DOJ) to host a webinar discussing the Radiation Exposure Compensation Act, the upcoming expiration/sunset, and the potential impact to the Energy Workers' Compensation Program.

Moderators will discuss:

- What is RECA?
- Coverage for Uranium Miners/Millers/Transporters
- RECA claims – The path from DOJ to DOL
- Sunset and filing details

Discussion led by:

Lori Beg
Trial Attorney
U.S. Department of Justice

Shire Kirkpatrick
Claims Examiner Specialist
U.S. Department of Labor

March 30, 2022
2:00 – 3:30 p.m. ET

Register by March 30, 2022, 12:00pm, to join this critical discussion. Participants may submit questions ahead of time to DEEOIC-Outreach@dol.gov or submit their question online during the webinar presentation.

About EEOICPA:

The Energy Employees Occupational Illness Compensation Program Act provides lump-sum compensation and medical benefits to current and former nuclear weapons workers whose illness is a result of working in the nuclear weapons industry. Survivors of qualified workers may also be entitled to benefits. Covered illnesses include radiation-induced cancer, chronic beryllium disease, beryllium sensitivity, chronic silicosis, or any illness due to exposure to toxic substances.
