**9am-4pm:**

Meet with staff to file a new claim or get case status updates on current claims

**Uranium Miners, Millers, & Ore Transporters, as well as,  
current & former employees of any facility involved in  
nuclear weapons production, are encouraged to attend!**

This program provides **lump-sum compensation and medical benefits to current and former nuclear weapons workers, as well as former uranium miners, millers, and ore transporters**, who developed an occupational illness as a result of exposure to toxic substances at a DOE facility. Survivors of qualified workers may also be eligible to receive compensation. Covered illnesses include but are not limited to radiation-induced cancer, chronic beryllium disease, beryllium sensitivity, chronic silicosis, or any illness due to occupational exposure to toxic substances.
