

# Energy Document Portal (EDP)

**WHAT IS EDP?** The Energy Document Portal (EDP) is an electronic document submission system that allows Energy Employees Occupational Illness Compensation Program Act (EEOICPA) claimants to file a new claim, file a consequential claim, complete benefit payment forms, electronically submit documents to their existing case file, and/or verify that documents were successfully submitted. Documents submitted within EDP are available to DEEOIC claims staff immediately after the document upload is complete, thus eliminating the mailing delays.

## WHAT CAN I DO IN EDP?

### FILE A NEW CLAIM

Complete and electronically sign Form EE-1 (Employee Claim Form) or Form EE-2 (Survivor Claim Form) to initiate a claim, with the option to submit a Form EE-3 (Employment History).

### COMPLETE BENEFIT PAYMENT FORMS

Complete and electronically sign, and submit OWCP-915 (Claim for Medical Reimbursement), OWCP-957 (Medical Travel Refund Request), and Form EN-20 (Acceptance of Payment) that has been issued in a final decision.

### UPLOAD DOCUMENT TO EXISTING CASE

Submit employment records, medical reports, and additional forms needed by DEEOIC claims staff during the adjudication process.

**New claim forms (EE-1 or EE-2) and Payment form EN-20 can not be submitted using this feature.**

### CHECK STATUS

Verify that your documents were successfully submitted.
