

The Office of Workers' Compensation Programs (OWCP) Transition to Electronic Payments—What Stakeholders Receiving Paper Checks Need to Know

Starting September 30, 2025, the Office of Workers' Compensation Programs (OWCP) will no longer issue paper checks for benefit payments.

On March 25, 2025, the President of the United States issued Executive Order (EO) 14247, [Modernizing Payments To and From America's Bank Account – The White House](#). The EO declared that continued use of paper-based payments by the Federal Government “imposes unnecessary costs; delays; and risks of fraud, lost payments, theft, and inefficiencies.” The EO imposes a September 30, 2025, deadline to transition all paper checks to electronic payments.

Note: It is important that you act quickly so that your payments can continue without interruption.
