

Division of Energy Employees' Occupational Illness Compensation (DEEOIC)

New Option Available for Submitting Claimant Travel Reimbursement Requests Online

Starting March 14, 2026, Division of Energy Employees Occupational Illness Compensation claimants and their authorized representatives will be able to submit travel reimbursement requests online using the Workers' Compensation Medical Bill Processing Portal. For more details, please click [here](#). A reference guide will be available to assist with online submissions when the new feature goes live.
