

CAREER Dislocated Worker Grants

Comprehensive and Accessible Reemployment through Equitable Employment Recovery DWGs

PA Department of Labor and Industry

Statewide

Grant number: DW-36865-21-60-A-42

TEGL 25-20

Period of Performance  8/20/2021 - 8/19/2023	Approved Amount*  \$3,000,000
Planned Participants  500	Target Population  Dislocated Workers

Project Overview

The grant recipient will prioritize service delivery to low income communities.

Project Description

Provide an online learning management system for Pennsylvania's job seekers and modernize the existing virtual training programs and certifications available; increase digital literacy among job seekers; target outreach to unserved and underserved populations, minorities, veterans, or other groups with barriers.

Project Goals

Pennsylvania will be developing an accessible online system and data structure. The Metrix Learning system will enable dislocated workers to access assessments and over 5,000 different learning modules. This system will empower them to upskill and reskill to meet the demands of employers in their area to obtain or retain careers and earn family-sustaining wages with benefits.
