EMPLOYMENT NAVIGATOR AND PARTNERSHIP PROGRAM

VIRTUAL CENTER

The Employment Navigator and Partnership Program provides transitioning service members and their spouses with the tools needed to reach their full potential in the civilian workplace. Employment Navigators offer personalized services to help each participant reach their employment goals through one-on-one career assistance.

Employment Navigators can help you explore and plan your transition through these services:

- Apprenticeship Overview
- Career Exploration
- Identification of Necessary Credentials
- Initial Transition Planning
- Interview Preparation
- Partnership Overview
- Resume Review
- Review of Detailed Labor Market Information
- Self-Assessments and Skills Testing

Then connect you to partner organizations offering these employment-related services and resources:

- Apprenticeships
- Digital Matching
- Employment Mentorship
- Employment Networking
- Hiring Events
- Job Placement Services
- Referrals to Employment Opportunities
- Training Services
- Wrap-Around Services within Communities

Your journey has started. Let us help you navigate.
