Veterans’ Program Letter (VPL) 02-18, Announcement of Stand Down Grants

IV. Background:
The Veterans’ Employment and Training Service (VETS) supports local SD events that assist veterans experiencing homelessness by providing a wide variety of employment, social, and health services. Stand Down is a military term referring to an opportunity to achieve a brief respite from combat. Troops assemble in a base camp to receive new clothing, hot food, support services, and a relative degree of safety before returning to combat action. A U.S. Department of Labor’s (DOL) VETS-funded SD event serves a similar purpose; however, it is intended for veterans experiencing or at-risk of homelessness.
SD grantees partner with federal, state, tribal, and local entities and businesses, along with veteran, community, social, and faith-based organizations to organize and hold SD events for veterans experiencing or at risk of homelessness. The critical services provided at SD events are often the catalyst that enables those individuals to reenter the workforce.

VETS awards SD grants up to $7,000 for one-day events and up to $10,000 for multi-day events. In the event of a federal disaster declaration, VETS will accept applications up to $50,000 to conduct SD events in the impacted areas. The following entities may apply for SD grant funding:

A. Nonprofit organizations with or without 501(c)(3) status with the IRS

B. Small businesses, defined, for this purpose, as:
   1. U.S. Territory or Possession.
   3. Faith-Based Organizations.
   4. Other State and Local Government Agencies.
   5. State and Local Workforce Development Boards (SWDBs/LWDBs established under the Workforce Innovation and Opportunity Act (WIOA).

D. Federally recognized Native American tribal governments.

E. Native American tribal organizations other than those federally recognized.

F. Public housing authorities/Indian housing authorities.

G. State, county, city, township, or special district governments.

H. Private institutions of higher education.

I. Public and State controlled institutions of higher education.
