PREVAILING WAGE RESOURCE BOOK

LEGAL DISCLAIMER

This publication contains materials developed primarily for use in prevailing wage training conferences. The contents are designed to enhance the knowledge of procurement personnel and others whose responsibilities include work with the Davis-Bacon and related Acts and the Service Contract Act. Study of this volume should facilitate dissemination of information to those who are interested in the administration and enforcement of these laws. This publication is intended to provide practical guidance to procurement personnel and the general public rather than definitive legal advice.
