PARTNERSHIP AGREEMENT
BETWEEN
THE U.S. DEPARTMENT OF LABOR, WAGE AND HOUR DIVISION
AND
LOUISIANA WORKFORCE COMMISSION

The February 23, 2012 Partnership Agreement made and entered into by and between The United States Department of Labor’s Wage and Hour Division (hereinafter referred to as “WHD” or “Department”) and Louisiana Workforce Commission (hereinafter referred to as "LWC"), together collectively referred to as “the agencies” or “the parties”, and amended on February 23, 2015, is hereby rescinded and replaced with the agreement herein.

This Agreement is made and entered into by and between WHD and LWC.

With the specific and mutual goals of providing clear, accurate, and easy-to-access outreach to employers, employees, and other stakeholders, and of sharing resources and enhancing enforcement by conducting coordinated investigations and sharing information consistent with applicable law, the parties agree to enter into this partnership.

THEREFORE, IT IS MUTUALLY AGREED THAT:

Purpose
The agencies recognize the value of establishing a collaborative relationship to promote compliance with laws of common concern in the State of Louisiana. The agencies are forming this partnership to more effectively and efficiently communicate and cooperate on areas of common interest, including sharing training materials, providing employers and employees with compliance assistance information, conducting coordinated investigations, and sharing information as appropriate.

Agency Responsibilities
WHD is responsible for administering and enforcing a wide range of labor laws, including the Fair Labor Standards Act, the Family and Medical Leave Act, the Migrant and Seasonal Agricultural Worker Protection Act, worker protections provided in several temporary visa programs, and the prevailing wage requirements of the Davis-Bacon and Related Acts and the Service Contract Act. DOL enters into this MOU under the authority provided by 29 U.S.C. § 211(b), which authorizes DOL to cooperate with State agencies charged with the administration of State labor laws. Nothing in this Agreement limits the WHD’s enforcement of these and other statutes.
LWC is responsible for administering and enforcing all labor laws and regulations, including those relating to Employment Security and Workers' Compensation, pursuant to Title 23 of the Louisiana Revised Statutes.

**Contacts**

1. The agencies will designate a contact person responsible for coordinating the partnership activities. The agencies will notify each other in the event of the separation or long-term absence of their contact persons.

2. The Points of Contact will designate local contacts so that partnership activities as described herein may take place between district offices. Each point of contact will provide to the other, a listing of local contacts' name, title, address, phone, email address, and the Louisiana state parishes, which comprise a district office's territory. Contacts will update the listing as needed. The Points of Contact will monitor partnership activities, maintain statistical information on partnership activities and provide criteria for carrying out partnership activities.

3. The agencies will designate a representative to meet annually to review areas of mutual concern and the terms and conditions of the partnership.

**Enforcement and Data Sharing**

Where the parties mutually determine it to be appropriate and allowable under law, the parties may:

4. Coordinate investigations and other enforcement activities in the State of Louisiana to assist each other with enforcement or investigate cases jointly, based on the employer's business operations, in designated priority industries, for areas of mutual concern, or on cases involving overlapping jurisdiction.

5. Make referrals to one another of complaints or potential violations of laws over which the other party has jurisdiction or expertise, such as certain federal overtime exemptions.

6. Accept referrals from one another of complaints or potential violations of laws over which the other party has jurisdiction.

7. Provide information regarding settlements or other dispositions of cases to the other party in a mutually agreed upon format so that appropriate follow-up may take place.

8. Cooperate and coordinate with one another in criminal investigations subject to overlapping jurisdiction.

9. Cooperate to the extent possible in providing testimony to support exchanged information which becomes the subject of administrative or criminal proceedings.
consistent with the Exchange of Information Section of this Agreement.

10. Notify each other of any requests for information affecting shared data under Freedom of Information laws so that the parties may affect shared data consistent with Exchange of Information Section of this Agreement.

**Effect of Agreement**

11. This Agreement does not authorize the expenditure or reimbursement of any funds. Nothing in this Agreement obligates the parties to expend appropriations or enter into any contract or other obligation.

12. By entering into this partnership, the agencies do not imply an endorsement or promotion by either party of the policies, programs, or services of the other.

13. Nothing in this Agreement is intended to diminish or otherwise affect the authority of either agency to implement its respective statutory functions.

14. This Agreement contains all the terms and conditions agreed upon by the parties. No other understandings, oral or otherwise, regarding the subject matter of this Agreement shall be deemed to exist or be binding upon the parties. This Agreement is not intended to confer any right upon any private person or other third party.

15. Nothing in this Agreement will be interpreted as limiting, superseding, or otherwise affecting the parties' normal operations. This Agreement also does not limit or restrict the parties from participating in similar activities or arrangement with other entities.

16. This Agreement will be executed in full compliance with the Privacy Act of 1974, the Freedom of Information Act, the Federal Records Act, and any other applicable federal and Louisiana state laws.

**Exchange of Information**

17. It is the policy of WHD to cooperate with other government agencies to the fullest extent possible under the law, subject to the general limitation that any such cooperation must be consistent with the WHD's own statutory obligations and enforcement efforts. It is WHD's view that an exchange of information in cases in which both entities are proceeding on basically the same matter is to our mutual benefit. There is a need for WHD to provide information to other law enforcement bodies without making a public disclosure.

18. Exchange of such information pursuant to this Agreement is not a public disclosure under the Freedom of Information Act, 5 U.S.C. § 552.

19. Confidential information means information that may be exempt from disclosure to the
public or other unauthorized persons under state and federal statutes. Confidential information includes: the identities of persons who have given information to the parties in confidence or under circumstances in which confidentiality can be implied; any employee statements in WHD's enforcement files that were obtained under these conditions; internal opinions and recommendations of federal or state personnel, including (but not limited to) investigators and supervisors; information or records covered by the attorney-client privilege and the attorney work-product privilege; personal information on living persons; individually identifiable health information; and confidential business information and trade secrets.

20. Confidential Unemployment Compensation (UC) information, as defined in 20 CFR § 603.2(b), means any unemployment compensation information, as defined in 20 CFR § 603.2(j), required to be kept confidential under 20 CFR 603.4 or its successor law or regulation.

21. When confidential information is exchanged it shall be used and accessed only for the limited purposes of carrying out activities pursuant to this Agreement as described herein. The information shall not be duplicated or redisclosed without the written authority of the agency providing the information (hereinafter the "donor agency") or a court order.

22. In addition to the requirements above, Confidential Unemployment Compensation information may be exchanged only subject to the confidentiality requirements of 20 CFR § 603.4 and any applicable state laws.

23. In the event that there is a public proceeding, such as a trial, in which confidential information may be used or testimony of WHD's employees sought, the WHD requires that LWC notify WHD.

24. For information security purposes, information (including paper-based documents and electronic information such as emails and CDs) exchanged pursuant to this Agreement remains the responsibility of the donor agency while in transit. The agencies agree to establish a communication protocol for notifying each agency's designated contact person when information is sent to or received from that agency, including information on the form of the transfer and the media type and quantity (when appropriate). An agency expecting to receive information will notify the donor agency if the information is not received as of the next business date following the agreed upon delivery date.

25. For information security purposes, after an agency receives information from the donor agency, the donor agency retains no responsibility for any security incidents, inadvertent disclosure, or the physical and information technology safeguards in place for protecting that information by the agency that received it.

26. However, in the event that the agency receiving the information experiences a security incident or disaster that results in the suspected or confirmed inadvertent disclosure of the data exchanged pursuant to this Agreement, the agency experiencing the incident
or disaster will send formal written notification to the donor agency's designated contact person within 3 days after detection of the incident or disaster. The written notification will describe the security incident or disaster in detail including what data exchanged pursuant to this Agreement may have been inadvertently disclosed.

27. Confidential workers' compensation information may be exchanged only subject to the confidentiality requirements of L.S.A.-R.S. 23:1293.

28. Pursuant to L.S.A.-R.S. 23:1318 no employee of the Office of Workers' Compensation Administration shall be subject to subpoena for the purpose of testifying in any legal proceeding. This prohibition shall extend to depositions and interrogatories, both written and oral.

Subject to the foregoing constraints:

30. The agencies agree to exchange information on laws and regulations of common concern to the agencies, to the extent practicable.

31. The agencies will establish a methodology for exchanging investigative leads, complaints, and referrals of possible violations, to the extent allowable by law and policy.

32. The agencies will exchange information (statistical data) on the incidence of violations in specific industries and geographic areas, if possible.

Dissemination of Factual Information

33. The agencies agree to jointly disseminate outreach materials to the regulated community when appropriate. Any such dissemination may not be undertaken without prior notice of each party.

34. All public materials bearing the United States Department of Labor ("USDOL") or WHD name, logo, or seal must be approved in advance by USDOL. All public materials bearing the Louisiana Workforce Commission ("LWC") name, logo, or seal must be approved in advance by LWC. Any such materials that include the opinions, results, findings and/or interpretations of data arising from the results of activities carried out under the Agreement shall state that they are the responsibility of the party carrying out the activity and do not necessarily represent the opinions, interpretation, or policy of the other partner. Any such materials shall acknowledge the support of LWC, the State of Louisiana, the United States Department of Labor, WHD and, if funded with other federal funds, the applicable federal funding agency.

Resolution of Disagreements

Disputes arising under this Agreement will be resolved informally by discussions between Agency Points of Contact, or other officials designated by each agency.
Period of Agreement

This Agreement becomes effective upon the signing of both parties, and will expire 3 years from the effective date. This Agreement may be modified in writing by mutual consent of both agencies. The Agreement may be cancelled by either party by giving thirty (30) days advance written notice prior to the date of cancellation. Renewal of the Agreement may be accomplished by written agreement of the parties.

Provisions related to the confidentiality and handling of information exchanged pursuant to this Agreement shall survive the termination of this Agreement.

This Agreement is effective as of the 30th day of Jan, 2016.
