COMMON INTEREST AGREEMENT

BETWEEN

THE U.S. DEPARTMENT OF LABOR, WAGE AND HOUR DIVISION

AND

JOB SERVICE NORTH DAKOTA

This Agreement ("MOU") is made and entered into by and between The United States Department of Labor’s Wage and Hour Division (hereinafter referred to as “WHD” or “Department”) and Job Service North Dakota (“JSND”) together collectively referred to as the “the agencies” or “the parties”.

With the specific and mutual goals of providing clear, accurate, and easy-to-access outreach to employers, employees, and other stakeholders, and of sharing resources and enhancing enforcement by conducting coordinated investigations and sharing information consistent with applicable law, the parties agree to enter into this partnership.

THEREFORE, IT IS MUTUALLY AGREED THAT:

Purpose

The agencies recognize the value of establishing a collaborative relationship to promote compliance in areas of common concern in the State of North Dakota. The agencies are forming this partnership to more effectively and efficiently communicate and cooperate on areas of common interest, including sharing training materials, providing employers and employees with compliance assistance information, conducting coordinated investigations, and sharing information as appropriate.

Agency Responsibilities

WHD is responsible for administering and enforcing a wide range of labor laws, including the Fair Labor Standards Act, the Family and Medical Leave Act, the Migrant and Seasonal Agricultural Worker Protection Act, worker protections provided in several temporary visa programs, and the prevailing wage requirements of the Davis-Bacon and Related Acts and the Service Contract Act. WHD enters into this MOU under the authority provided by 29 U.S.C. § 211(b), which authorizes DOL to cooperate with State agencies charged with the administration of State labor laws. Nothing in this agreement limits the WHD’s enforcement of these and other statutes.

JSND is responsible for administering and enforcing the laws of North Dakota relating to Unemployment Insurance. In addition, JSND administers a range of federal and state programs which include, but may not be limited to, Workforce Innovation and Opportunity Act (WIOA)
Wagner-Peyser, Job Opportunities and Basic Skills (JOBS), Labor Market Information (LMI), Veterans Employment and Training Programs (VETS), Trade Adjustment Assistance (TAA), Foreign Labor Certifications, Work Opportunity Tax Credit (WOTC), Parental Responsibility Initiative for the Development of Employment (PRIDE) Basic Employment Skills Training (BEST), North Dakota Workforce 20/20, and North Dakota New Jobs Training. JSND enters into this MOU under the authority provided by N.D.C.C. § 52-02-14, which authorizes JSND to cooperate with state and federal agencies to promote the administration of state and federal unemployment compensation and public employment service laws.

**Contacts**

- The agencies will designate a contact person responsible for coordinating the partnership activities. The agencies will notify each other in the event of the separation or long-term absence of their contact persons.
- The agencies will designate a representative to meet annually to review areas of mutual concern and the terms and conditions of the partnership.

**Enforcement**

Where appropriate and to the extent allowable under applicable law,

1. The agencies may conduct coordinated investigations periodically in the State of North Dakota.
2. The agencies may coordinate their respective enforcement activities and assist each other with enforcement.
3. The agencies may make referrals of potential violations of each other’s statutes.

**Effect of Agreement**

1. This agreement does not authorize the expenditure or reimbursement of any funds. Nothing in this agreement obligates the parties to expend appropriations or enter into any contract or other obligation.
2. By entering into this partnership, the agencies do not imply an endorsement or promotion by either party of the policies, programs, or services of the other.
3. Nothing in this agreement is intended to diminish or otherwise affect the authority of either agency to implement its respective statutory functions.
4. This agreement contains all the terms and conditions agreed upon by the parties. No other understandings, oral or otherwise, regarding the subject matter of this agreement shall be deemed to exist or be binding upon the parties. This agreement is not intended to confer any right upon any private person or other third party.
5. Nothing in this agreement will be interpreted as limiting, superseding, or otherwise affecting the parties' normal operations. This agreement also does not limit or restrict the parties from participating in similar activities or arrangement with other entities.

6. This agreement will be executed in full compliance with the Privacy Act of 1974, the Freedom of Information Act, the Federal Records Act, and any other applicable federal and state laws.

**Exchange of Information**

7. It is the policy of WHD and JSND to cooperate with other government agencies to the fullest extent possible under applicable law, subject to the general limitation that any such cooperation must be consistent with the WHD's and JSND's own statutory obligations and enforcement efforts. It is WHD’s and JSND’s view that an exchange of information in cases in which both entities are proceeding on basically the same matter is to our mutual benefit. There is a need for WHD and JSND to provide information to other law enforcement bodies without making a public disclosure.

8. Exchange of such information pursuant to this agreement is not a public disclosure under the Freedom of Information Act, 5 U.S.C. 552.

9. Confidential information means information that may be exempt from disclosure to the public or other unauthorized persons under state and federal statutes. Confidential information includes: the identities of persons who have given information to the parties in confidence or under circumstances in which confidentiality can be implied; any employee statements in WHD’s enforcement files that were obtained under these conditions; internal opinions and recommendations of federal or state personnel, including (but not limited to) investigators and supervisors; information or records covered by the attorney-client privilege and the attorney work-product privilege; personal information on living persons; individually identifiable health information; and confidential business information and trade secrets.

10. Confidential Unemployment Compensation (UC) information, as defined in 20 CFR 603.2(b), means any unemployment compensation information, as defined in 20 CFR 603.2(j), required to be kept confidential under 20 CFR 603.4 or its successor law or regulation. N.D.C.C. § 52-01-03 governs JSND’s release of UC information in accordance with the provisions of 20 CFR 603.

11. When confidential information is exchanged it shall be used and accessed only for the limited purposes of carrying out activities pursuant to this agreement as described herein. The information shall not be duplicated or redisclosed without the written authority of the agency providing the information (hereinafter the “donor agency”) or a court order.

12. In addition to the requirements above, Confidential Unemployment Compensation information may be exchanged only subject to the confidentiality requirements of 20 CFR 603.4 and any applicable state laws.
13. In the event that there is a public proceeding, such as a trial, in which confidential information may be used or testimony of WHD’s employees sought, the WHD requires that JSND promptly notify WHD. In the event that there is a public proceeding, such as a trial, in which confidential information may be used or testimony of JSND’s employees sought, JSND requires that WHD promptly notify JSND.

14. For information security purposes, information (including paper-based documents and electronic information such as emails and CDs) exchanged pursuant to this agreement remains the responsibility of the donor agency while in transit. The agencies agree to establish a communication protocol for notifying each agency’s designated contact person when information is sent to or received from that agency, including information on the form of the transfer and the media type and quantity (when appropriate). An agency expecting to receive information will notify the donor agency if the information is not received as of the next business date following the agreed upon delivery date.

15. For information security purposes, after an agency receives information from the donor agency, the donor agency retains no responsibility for any security incidents, inadvertent disclosure, or the physical and information technology safeguards in place for protecting that information by the agency that received it.

16. However, in the event that the agency receiving the information experiences a security incident or disaster that results in the suspected or confirmed inadvertent disclosure of the data exchanged pursuant to this agreement, the agency experiencing the incident or disaster will send formal written notification to the donor agency’s designated contact person within 3 days after detection of the incident or disaster. The written notification will describe the security incident or disaster in detail including what data exchanged pursuant to this agreement may have been inadvertently disclosed.

Subject to the foregoing constraints:

17. The agencies agree to exchange information on laws and regulations of common concern to the agencies, to the extent practicable.

18. The agencies will establish a methodology for exchanging investigative leads, complaints, and referrals of possible violations, to the extent allowable by applicable law and policy.

19. The agencies will exchange information (statistical data) on the incidence of violations in specific industries and geographic areas, if possible.

Dissemination of Factual Information

21. The agencies agree to jointly disseminate outreach materials to the regulated community when appropriate. Any such dissemination may not be undertaken without prior notice of each party.
22. All public materials bearing the United States Department of Labor ("USDOL") or WHD name, logo, or seal must be approved in advance by USDOL. Any such materials that include the opinions, results, findings and/or interpretations of data arising from the results of activities carried out under the agreement shall state that they are the responsibility of the party carrying out the activity and do not necessarily represent the opinions, interpretation, or policy of the other partner.

Resolution of Disagreements

- Disputes arising under this agreement will be resolved informally by discussions between Agency Points of Contact, or other officials designated by each agency.

Period of Agreement

- This agreement does not become effective until signed by all parties, and will expire 3 years from the effective date. This agreement may be modified in writing by mutual consent of both agencies. The agreement may be cancelled by either party by giving thirty (30) days advance written notice prior to the date of cancellation. Renewal of the agreement may be accomplished by written agreement of the parties.

This agreement is effective as of the __th day of Jan, 2018, or upon execution by all parties, whichever shall occur later.
