Claimant has filed a Motion to Remand in the captioned case. Claimant requests that her appeal be dismissed and remanded to the Office of the District Director for modification proceedings. No objection to the motion has been filed. The Board grants claimant's motion, dismisses this appeal, and remands the case to the Office of the District Director for modification proceedings.

Once an administrative law judge issues a final order on modification, the case may be reinstated on the Board's docket if modification is denied. 20 C.F.R. §802.301(c). The Board will reinstate this appeal only if the petitioner seeks reinstatement. The request for reinstatement must be filed with the Board within thirty (30) days of the date the Order on Modification is filed and must be identified by the Board's docket number, BRB No. 04-863 BLA. If reinstatement is requested the Board will consider only the issues raised in the appeal of the Decision and Order – Denying Modification and Denying Benefits issued July 27, 2004.

In the event the administrative law judge denies modification and the petitioner wishes the Board to consider not only the original appeal, but also whether the administrative law judge erred in denying modification, a Notice of Appeal of the Order Denying Modification must also be filed. 20 C.F.R.

§802.205. The appeal of the Order on Modification will be assigned a new docket number and will be consolidated with the appeal, BRB No. 04-863 BLA.

In the event an administrative law judge grants modification, any party who is aggrieved by the Order Granting Modification may file an appeal with the Board within thirty (30) days of the date the Order Granting Modification is filed. 20 C.F.R. §§802.205, 802.301.
