On July 28, 2016, counsel for employer filed a Notice of Withdrawal of Counsel, stating that employer's parent company, Alpha Natural Resources (Alpha), filed for reorganization under Chapter 11 of the Federal Bankruptcy Code, and that its bankruptcy plan has been confirmed. Counsel further states that Alpha instructed counsel to withdraw in claims where Alpha was self-insured, and specifically instructed counsel to withdraw in this claim.

In response, the Director, Office of Workers' Compensation Programs (the Director), filed a Motion to Remand the Case for Payment by the Black Lung Disability Trust Fund (the Trust Fund) on November 4, 2016. The Director states that the Trust Fund accepts liability for this claim and does not contest claimant's entitlement to benefits. Accordingly, the Director requests that this case be dismissed and remanded to the district director for payment of benefits by the Trust Fund.

In view of the above, the Board grants the Director's motion, dismisses this appeal, and remands this case to the district director for payment of benefits by the Trust Fund. *See* 26 U.S.C. §9501(d)(1)(B); 20 C.F.R. §725.1(c), (e).

SO ORDERED.
