On November 5, 2003, the Board issued an Order directing the District Director to forward the official record to the Board in the captioned case. The Board has not received the record from the Office of the District Director.

The Board must have the complete record from the proceedings below before it can consider the merits of the appeal. Accordingly, this case is dismissed and remanded to the Office of the District Director for reconstruction of the record. The District Director is ordered to reconstruct the record or in the alternative, to remand the case to the Office of Administrative Law Judges for a new hearing.

Once the record is reconstructed, the district director should forward it to the Board, and the

case will be reinstated on the Board's docket. The one-year period for review will commence at that time.
