Employer has filed a motion to withdraw its appeal in the captioned case, 20 C.F.R. §802.401, as the issue of claimant's entitlement to an attorney's fee for work performed at all levels in this case has been resolved as a result of the parties' stipulations. Specifically, employer has agreed to pay claimant's counsel an attorney's fee totaling \$85,000, for the entirety of the work which counsel has performed in furtherance of claimant's claim in this case. As a result of the parties' agreement, employer also requests that claimant's counsel's pending fee petitions for work performed before the Board in BRB Nos. 05-0161, 05-0161A, 06-0774, and 06-0917, be dismissed. No objections to employer's motion have been filed.

We grant employer's motion and dismiss employer's appeal in BRB No. 08-0818. 20 C.F.R. §802.401. We likewise grant employer's request to dismiss counsel's pending fee petitions for work performed in BRB Nos. 05-0161, 05-0161A, 06-0774, and 06-

0917. As the parties' signed stipulations were filed with the district director, the case is remanded to the district director for further proceedings necessary to effectuate the agreement.
