Document: 1210-ZA34 comment 00021 Gallup 11102023

Submitter Information

Name: John Gallup

General Comment

As a former employer and retirement plan sponsor, I support any rule changes which will ensure that advice given to employee plan participants, as well as plan sponsors, be structured in the best interest of the plan and the participants, rather than the interests of broker/dealers and others involved in the plan. These changes appear to advance those interests.
