The issue is whether appellant met his burden of proof to establish that he sustained a recurrence of total disability causally related to his accepted employment injury.

The Board has given careful consideration to the issue involved, the contentions of the parties on appeal and the entire case record. The Board finds that the October 23, 1998 decision of the Office of Workers' Compensation Programs' hearing representative is in accordance with the facts and the law in this case and hereby adopts the findings and conclusions of the hearing representative.

The decision of the Office of Workers' Compensation Programs dated October 23, 1998 is affirmed.
