DECISION and ORDER

Before DAVID S. GERSON, MICHAEL E. GROOM,  
PRISCILLA ANNE SCHWAB

The issue is whether appellant has greater than a two percent impairment of her right lower extremity for which she received a schedule award.

The Board has given careful consideration to the issue involved, the contentions of appellant on appeal and the entire case record. The Board finds that the decision of the hearing representative of the Office of Workers' Compensation Programs dated May 11, 1999 is in accordance with the facts and the law in this case and hereby adopts the findings and conclusions of the Office hearing representative that appellant has not established greater than a two percent entitlement to a schedule award for her accepted injuries.

The decision of the Office of Workers' Compensation Programs dated May 11, 1999 is affirmed.
