The issue is whether appellant has more than a three percent impairment of her left upper extremity for which she received a schedule award.

The Board has given careful consideration to the issue involved, the contentions of the parties on appeal and the entire case record. The Board finds that the April 8, 2002 decision of the hearing representative of the Office of Workers' Compensation Programs is in accordance with the facts and the law in this case and hereby adopts the findings and conclusions of the Office hearing representative.
