

# EPP Login Instructions Using Login.gov

To use a Login.gov account with EPP, it must go through a simple one-time process to link with eAuth. Once it is linked, it can be used to access EPP to make changes to your financial information in EPP. Employees from non-USDA federal agencies (DOL) who create Login.gov accounts will be returned to eAuth to create and link their Login.gov accounts with eAuth after the first login or after creating a new account with Login.gov.

To access EPP using Login.gov, follow the steps below.

1. Connect to the [EPP Home page](#). The My EPP Warning page is displayed.
2. Select the **I Agree** button. The Agency Selection page is displayed.
