

UNITED STATES DEPARTMENT OF LABOR

## The U.S. Department of Labor has created a new toolkit to inform workers about their right to organize, their right to collective action, and their right to form a union.

By ensuring that workers are educated about their right to organize and form and join unions, the Department can better achieve its mission to foster, promote, and develop the welfare of wage earners, job seekers, and retirees.

### Resources

- **Unions 101** - Worker Organizing Resource and Knowledge (**WORK**) Center
- Printable handouts in PDF form:
  - » **Learn More About Your Rights to Unionize**
  - » **Private Sector Employee's Rights**
