Application Executive Summary

NHDOT is requesting \$2,575,008 in Section 5311 funds for statewide (rural) projects to support the state's five rural public transportation subrecipients to help ensure the continuation of services. Funds will be utilized to directly fund the agencies' Administrative, Capital Preventive Maintenance, and Capital ADA activities. In addition, NHDOT will retain the State Admin and RTAP apportionments to ensure administrative and compliance oversight of the agencies. Funding is envisioned as follows:

- 80% Administration: \$300,000 (FFY2018 apportionment)
- 80% Capital Preventive Maintenance: \$149,365 (FFY2018 apportionment)
- 80% Capital ADA: \$100,000 (FFY2018 apportionment)
- 100% State Admin: \$1,336,620 (\$421,081 from FFY2018, \$455,183 from FFY2019, \$460,356 from FFY2020 apportionment)
- 100% RTAP: \$389,023 (\$124,328 from FFY2018, \$131,424 from FFY2019, \$133,271 from FFY2020 apportionment)
- 100% Emergency Relief \$300,000 (FFY2019 apportionment)

The NHDOT executed the FFY 2020 Certifications and Assurances in TRAMS on 04/17/2020. All activities are programmed in the current NH STIP. The NHDOT is current with all Civil Rights Requirements and FTA annual certifications. All administrative and statutory requirements have been met in accordance with the §5311 Formula Grants for Rural Areas, as articulated in FTA Circular 9040.1G.

Part 3: Project Information

Project Title: 80% Admin/Cap PM/Cap ADA

Project Number	Temporary Project Number	Date Created	Start Date	End Date
NH-2020-015-01-00	1385-2020-6-P1	6/17/2020	7/1/2021	6/30/2022

Project Description

NH has five rural public transportation subrecipients:
- Advance Transit (AT)

- Community Action Program of Belknap-Merrimack Counties (CAPBMCI or BMCAP)
- Southwestern Community Services (SCS)
- Tri-County Community Action Program (TCCAP)
- Visiting Nurse Association at Home Healthcare, Hospice & Community Services (VNA @ HCS)

These five agencies provide public transportation coverage for the vast majority of the state. This award will provide funding for Administrative, Capital Preventive Maintenance, and Capital ADA activities.

Project Benefits

Given the uncertainty in the post-COVID-19 world, providing security in the form of guaranteed funding to ensure continued operations is essential. The CARES Act funding is currently projected to last into calendar year 2022, but having these 80% funds will provide the flexibility to augment the CARES act funding with only 20% match required. Should CARES Act funding prove to be largely sufficient, this funding may primarily be used after the CARES Act funds are fully expended, which is anticipated to be at some point in FFY2022.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects called categorical exclusions (CEs) which are known not to have, either individually or cumulatively, a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. Class II(c) does not require documentation.

Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.

NH-2020-015-03-00	1385-2020-6-P3	6/19/2020	7/1/2021	9/30/2023

Project Description

The NH Department of Transportation is requesting \$389,073 Federal from combined funds from FFY18 & FFY19 and FFY 2020 RTAP apportionments.

FFY2018 carryover = \$124,328

FFY 2019 carryover = \$131,474

FFY 2020 = \$133,271

RTAP funds will be utilized to administer the State of NH RTAP program for training, technical assistance and support services with support by the NHRTAP Advisory Council.

Project Benefits

This RTAP funding will be used to continue NHDOT's successful RTAP program. While NHDOT currently has ample RTAP funding available in existing grants, it is anticipated that additional, focused technical assistance will be needed in the near future due to the COVID-19 pandemic, in particular with regard to the need for dynamic operations necessary given the uncertainty of future demand. The Census will also undoubtedly require NH's agencies to grapple with revised rural/urban boundaries.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects called categorical exclusions (CEs) which are known not to have, either individually or cumulatively, a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. Class II(c) does not require documentation.

Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.

NH-2020-015-04-00	1385-2020-6-P4	7/15/2020	3/1/2020	6/30/2021

Project Description

NHDOT is seeking Emergency Relief funds for 5311 subrecipients that have been affected by COVID-19. NHDOT acknowledges the restrictive nature of this funding given the 100% Federal share, and affirms that all expenditures billed to this ER project will be made in accordance with 49 CFR part 602 as applicable to COVID-19.

Project Benefits

This project will offset the cost of expenses for items such as foggers, PPE, cleaning supplies, and administrative leave for 5311 transit providers. NH's subrecipients have been diligently making purchases to mitigate COVID-19 hazards, with the 100% funding provided by this ER project in conjunction with 100% CARES Act funds being crucial to NH's transit systems (rural, in this case) desperately needing the funds given the lack of available local match.

Additional Information

This Emergency Relief funding will be 100% Federally funded. NHDOT will utilize FTA's COVID-19 FAQ page as the primary reference to ensure costs are eligible prior to allowing subrecipients to bill to this

project. Other, non-COVID-19-related expenditures will be funded via the CARES Act funding or annually apportioned funding.
