FY19 5311c discretionary grant in the amount of \$270,667 with a local match of \$30,075 for a total of \$300,742. Funding will be used to purchase two buses for expansion and one expansion support service vehicle. Discretionary ID #D2020-TRTR-011. Local funding source is the Tribal General Fund. This project will benefit our passengers greatly by expanding needed transportation to employment, shopping, etc., to provide for their daily necessities and way of life

In executing this grant, the Red Lake Band of Chippewa Indians agrees to abide by Section 3011 of the FAST Act (49 U.S.C. 5323(j)(2)(C) regarding the phased increase in domestic content under the Buy American statute for rolling stock.

As Grant Agreement includes an FTS-funded transit vehicle purchase, Recipient agrees to comply with the related requirements set forth in 49 CFR Section 26.49(a). Specifically, Recipient must ensure as a condition of being authorized to bid or propose on FTA-transit vehicle procurements, that each transit vehicles manufacturer certified that it complied with DOT requirement for submitting a DBE program and goal to FTA prior to bidding. Recipient is also required to submit the name of the successful bidder and the total dollar value of the contract within 30 days of making an FTR-assistance transit vehicle award using the required FTA reporting tool. Recipient understands that failure to comply with these requirements may result in formal enforcement action or appropriate sanction as determined by FTA, including reimbursement of FTA funds used for the vehicle procurement.

Project Environmental Findings**Finding: Class II(c) - Categorical Exclusions (C-List)****Class Level Description**

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 07: Acquisition, installation, rehabilitation, replacement, and maintenance of vehicles or

equipment, within or accommodated by existing facilities, that does not result in a change in functional use of the facilities, such as: equipment to be located within existing facilities and with no substantial off-site impacts; and vehicles, including buses, rail cars, trolley cars, ferry boats and people movers that can be accommodated by existing facilities or by new facilities that qualify for a categorical exclusion.
