Extended Budget Description

Amendment #5, April 2022

New ALI 11.43.03 - FY21 funds -\$6,357,043 (federal), \$1,589,261 (state) for facility construction projects (intercity waiver in documents). Additional funding being added as bids came in a lot of higher than expected due to supply/demand, inflation and steel prices.

Eastern Upper Peninsula (EUPTA): The project is a new facility, which would be multi-functional consisting of EUPTA's rural busing service, an Indian Trails bus depot that EUPTA administers, and EUPTA's Ferry Boat Maintenance facility. The current facility has long out lived its useful service life and is in very poor condition. The cost to bring the facility up to current code and acceptable working condition would be nearly as much as building a new facility.

NEPA completed in 2021-original project in grant MI-2020-015. STIP ID: 216549

Schoolcraft: The project is an addition for larger maintenance bay, wash bay and bathrooms to existing building.

SHPO completed in 2020 – original project in grant MI-2018-034. STIP ID: 216662
