### Title: TxDOT FY21 5339 BBF Discretionary Award and FY22 STP Flex funds Rural Transit Districts Fleet Replacements, Facilities

FAIN	Application Status	Award Type	Date Created	Last Updated Date	From TEAM?
TX-2023-014-00	Final Concurrence / Reservation	Grant	7/18/2022	7/18/2022	No

#### Application Executive Summary

Texas Department of Transportation 5339 discretionary apportionments, FY 2021. D2022-BUSC-065, These funds were distributed to 28 subrecipients that represent Texas' rural districts.

Funding includes:

TOTAL 5339 DISCRETIONARY AWARD: \$22,850,000. This application awards \$12,650,000. \$10,200,000 to be applied for in future amendment.

TOTAL FHWA FLEX FUNDS: \$9,161,311

TOTAL STATE FUNDS: \$4,450,000. This application includes \$1,900,000. \$2,550,000 to be included in future amendments.

TOTAL TDCs 2,600,021 Transportation Development Credits (TDC) for distribution to eligible projects by the Texas Transportation Commission in Minute Order 116073 for state fiscal year 2022. The attached letter dated 7/29/22 awards 2,842,263 TDCs.

Construction materials used in projects under this grant are subject to the domestic preference requirement of the Build America, Buy America Act, Pub. L. 117-58, div. G, tit. IX, 70911 70927 (2021), as implemented by the U.S. Office of Management and Budget, the U.S. Department of Transportation, and FTA. The Recipient acknowledges that this agreement is neither a waiver of 70914(a) nor a finding under 70914(b).

Vehicles being replaced have or will meet useful life prior to disposition.

Project 1: \$9,161,311 of FHWA Flex Funds will be used for 67 fleet replacements. Match TDCs 1,832,272 Transportation Development Credits (TDC) for distribution to eligible projects by the Texas Transportation Commission in Minute Order 116073 for state fiscal year 2022. The attached letter awards 2,842,263 TDC

Project 2: \$7,600,000 5339 Discretionary facility funds applied for at this time.  
Construction facility REAL - Administration and Operations Building - Alice, TX  
Construction facility Concho Valley Transit District - Transit Maintenance Building - San Angelo, TX  
Match: State funds \$1,900,000  
\$10,200,000 5339 Discretionary funds will be applied for in the future.

Project 3: \$5,050,000 5339 discretionary funds will be used for 34 fleet replacement and fleet rehab.  
Match: TDCs 767,749 Transportation Development Credits (TDC) for distribution to eligible projects by the Texas Transportation Commission in Minute Order 116073 for state fiscal year 2022. The attached letter awards 2,842,263 TDC

The funds will be used by 5339 eligible subrecipients to support capital projects such as the disposition of 101 vehicles with the purchase of 101 new replacement vehicles, fleet rehab, the purchase of surveillance/security equipment, and facility work.

Purpose of Award: 5339 BBF Discretionary funding will enable the Texas rural transit providers to keep their equipment, facilities, and fleet in a state of good repair for use in rural portions of Texas.

Activities to be Performed: Fleet replacement and rehab and the purchase of surveillance/security equipment.

Expected Outcomes: Transit providers will be able to keep their capital items in a state of good repair by rehabilitating and replacing older equipment, fleet, and facilities.

Intended Beneficiaries: The proposed projects will benefit Texans living in rural areas, rural communities, transit riders and providers.

Subrecipient Activities: The rural transit districts that receive these funds will use the funds to benefit the general public by ensuring the capital items they interact with are in a good state of repair and in condition to serve their purpose.

**Does this application include funds for research and/or development activities?**

This award does not include research and development activities.

**Pre-Award Authority**

This award is using Pre-Award Authority.

**Does this application include suballocation funds?**

Recipient organization is the Designated Recipient and can apply for and receive these apportioned funds.

**Will this Grant be using Lapsing Funds?**

No, this Grant does not use Lapsing Funds.

**Will indirect costs be applied to this application?**

This award does not include an indirect cost rate.

*Indirect Rate Details: N/A*

**Requires E.O. 12372 Review**

No, this application does not require E.O. 12372 Review.

**Delinquent Federal Debt**

No, my organization does not have delinquent federal debt.

## Award Description

**Purpose**

5339 BBF Discretionary funding will enable the Texas rural transit providers to keep their equipment, facilities, and fleet in a state of good repair for use in rural portions of Texas.

**Activities to be performed:**

Fleet replacement and rehab and the purchase of surveillance/security equipment

**Expected outcomes:**

Transit providers will be able to keep their capital items in a state of good repair by rehabilitating and replacing older equipment, fleet, and facilities.

**Intended beneficiaries:**

The proposed projects will benefit Texans living in rural areas, rural communities, transit riders and providers.

**Subrecipient Activities:**

The rural transit districts that receive these funds will use the funds to benefit the general public by ensuring the capital items they interact with are in a good state of repair and in condition to serve their purpose.

## Project Environmental Findings

### Finding: Class II(c) - Categorical Exclusions (C-List)

#### Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

#### Categorical Exclusion Description

Type 07: Acquisition, installation, rehabilitation, replacement, and maintenance of vehicles or equipment, within or accommodated by existing facilities, that does not result in a change in functional use of the facilities, such as: equipment to be located within existing facilities and with no substantial off-site impacts; and vehicles, including buses, rail cars, trolley cars, ferry boats and people movers that can be accommodated by existing facilities or by new facilities that qualify for a categorical exclusion.

## EQUIP

### Project Title: 5339 Discretionary Facility - FY 2021

Project Number	Temporary Project Number	Date Created	Start Date	End Date
TX-2023-014-02-00	1567-2022-6-P2	7/26/2022	2/3/2023	1/13/2025

#### Project Description

5339 program discretionary funds for distribution to rural transit districts. Funds will be used on facility projects that were approved in TxDOT's FY21 discretionary application. The four facilities are related to Brazos Transit District, Concho Valley Transit District, REAL, Texoma Area Paratransit System, Inc.

"Construction materials used in projects under this grant are subject to the domestic preference requirement of the Build America, Buy America Act, Pub. L. 117-58, div. G, tit. IX, §§ 70911 – 70927 (2021), as implemented by the U.S. Office of Management and Budget, the U.S. Department of Transportation, and FTA. The Recipient acknowledges that this agreement is neither a waiver of § 70914(a) nor a finding under § 70914(b)."

Two facilities being constructed in this award at this time:

REAL - Administration and Operations Building - Alice, TX

Concho Valley Transit District - Transit Maintenance Building - San Angelo, TX

#### Project Benefits

Provide facilities that support in-house maintenance operations that will allow Rural Transit Districts (RTDs) to lower costs, increase quality, and apply agency policies and best practices for maintaining SGR—enabling RTDs to increase safety and manage risks. Provide facilities that will enable RTDs to perform mid-life rehabilitation and overhauls to meet the lifecycle needs of transit vehicle assets.

#### Additional Information

*None provided.*

#### Location Description

REAL Facility is located in Alice, Texas. It is on FM 1554, Alice, TX 78332

Concho Valley Transit District Facility is located in San Angelo, TX. It is on 5507 Christoval Road San Angelo, TX 76904

### Extended Budget Description

Original Budget

\$3,600,000 discretionary funds, \$900,000 state funds

State funding match: 80/20

Useful Life: 40 years for new build

Concho Valley Transit District

### Scope:

Construct a maintenance facility for the purpose of in-house maintenance and safe and secure storage for CVTD's fleet of vehicles. This application only covers Phase 1A. Phase 1A to include four maintenance bays, one wash bay, one lube bay, parts storage area, tire room, battery room, break room, oil and fluid storage room and an office area for up to 10 maintenance employees.

### Facility Location:

5507 Christoval Road

San Angelo, TX 76904

### Schedule:

I. Design (May 2022 - April 2023)

II. Procurement (May 2023 - June 2023)

III. Construction - Maintenance Building (July 2023 - June 2024)

### Cost Estimate:

Total estimated project cost (construction) is over \$5M. The eligible amount funded by TxDOT for construction is \$5,500,000. \$4,500,000 from FY21 5339 Discretionary award and \$1,000,000 from Section 5311. If construction costs are to exceed this amount, value engineering will be used to keep costs below the awarded amount for construction. This project has also been awarded design funds previously from TxDOT. (TX-2020-129 and TX-2020-045)

### CE Approval:

CE approved by FTA on June 28, 2022

### Will 3rd Party contractors be used to fulfill this activity line item?

Yes, 3rd Party Contractors will be used for this line item.

Original Budget

\$4,000,000 discretionary funds, \$1,000,000 state funds

State funding match: 80/20

Useful Life: 40 years for new build

Rural Economic Assistance League, Inc.

**Scope:**

Construct the new REAL Multimodal Transit Facility (Administration and Operations Building) will serve as a multimodal hub for ground transportation services, passenger amenities, operations, and administration. The Mobility Hub includes secure fleet parking, canopy structures connecting parking lots together between the administration building and pick-up/drop-off areas for passengers. The Administration and Operations building will house the offices for the REAL Inc. staff. An outdoor gathering space is also provided for staff/drivers' use.

**Facility Location:**

FM 1554, Alice, TX 78332

**Schedule:**

I. Design (July 1st 2022 - December 16th, 2022)

II. Procurement (February 3rd, 2023 - April 4th, 2023)

III. Construction - Mobility Hub and Administration Building  
(May 4th, 2023- October 10th, 2024)

IV. Certificate of Occupancy (December 30, 2024- January 13th, 2025)

**Cost Estimate:**

Total estimated project cost (construction) is over \$5M. The eligible amount funded by TxDOT \$5,000,000. This project has been awarded funds previously from TxDOT. (TX-2020-045, TX-2021-063,)

CE Approval:

CE approved by FTA on 4/19/2021

**Will 3rd Party contractors be used to fulfill this activity line item?**

Yes, 3rd Party Contractors will be used for this line item.

## Project Environmental Findings

### Finding: Class II(c) - Categorical Exclusions (C-List)

#### Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

#### Categorical Exclusion Description

Type 09: Assembly or construction of facilities that is consistent with existing land use and zoning requirements (including floodplain regulations) and uses primarily land disturbed for transportation use, such as: buildings and associated structures; bus transfer stations or intermodal centers; busways and streetcar lines or other transit investments within areas of the right-of-way occupied by the physical footprint of the existing facility or otherwise maintained or used for transportation operations; and parking facilities.

#### Project Title: 5339 Discretionary Fleet Replacement - FY 2021

Project Number	Temporary Project Number	Date Created	Start Date	End Date
TX-2023-014-03-00	1567-2022-6-P3	7/27/2022	9/1/2022	12/31/2024

##### Project Description

5339 program discretionary funds for distribution to rural transit districts. Funds will be used on capital projects: fleet replacement and fleet rehab.

##### Project Benefits

Funds will be used to keep existing capital items in a state of good repair and improve the end-user experience by replacing poor condition items.

##### Additional Information

None provided.

<b>Total Eligible Cost</b>			<b>\$4,251,381</b>

Milestone Name	Est. Completion Date	Description
RFP/IFB Issue Date	10/30/2022	Estimated date the subrecipients shall issue their RFP documents or choose an innovative procurement method to purchase the fleet.
Contract Award Date	12/31/2022	Vendor selected
Initial Delivery Date	3/28/2023	Initial vehicle deliveries are made.
Final Delivery Date	5/31/2024	Estimated final delivery made.
Contract Completion Date	12/31/2024	Project complete

## Project Environmental Findings

### Finding: Class II(c) - Categorical Exclusions (C-List)

#### Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

#### Categorical Exclusion Description

Type 07: Acquisition, installation, rehabilitation, replacement, and maintenance of vehicles or equipment, within or accommodated by existing facilities, that does not result in a change in functional use of the facilities, such as: equipment to be located within existing facilities and with no substantial off-site impacts; and vehicles, including buses, rail cars, trolley cars, ferry boats and people movers that can be accommodated by existing facilities or by new facilities that qualify for a categorical exclusion.

Date	Description	Date
	Class IIc CE Approved	

Scope Name / Code	Line Item Number	Line Item Name	Quantity	FTA Amount	Total Eligible Cost
BUS - ROLLING STOCK (111-00)	11.12.15	BUY REPLACEMENT VAN	30	\$4,251,381.00	\$4,251,381.00

## Part 4: Fleet Details

**Fleet Type:** Other

##### Fleet Comments

The vehicle, a converted, accessible minivan being added to this grant is to be placed into a subrecipient's fleet that is used for demand response services. Status the same.

		Current Value
I.	<b>Active Fleet</b>	
	A. Peak Requirement	9
	B. Spares	0
	C. Total (A+B)	9

	D. Spare Ratio (B/A)	0%
II.	<b>Inactive Fleet</b>	
	A. Other	0
	B. Pending Disposal	0
	C. Total (A+B)	0
III.	<b>Total (I.C and II.C)</b>	9

Comment Type	Application Details
Date	12/19/2022
Comment	<p>The Texas Department of Transportation (TXDOT) must comply with all applicable Federal laws and regulations related to this project, including the ADA Standards for Transportation Facilities, based on the U.S. Access Board's ADA Accessibility Guidelines. Found here: <a href="http://www.access-board.gov/guidelines-and-standards/transportation/facilities/ada-standards-for-transportation-facilities">http://www.access-board.gov/guidelines-and-standards/transportation/facilities/ada-standards-for-transportation-facilities</a></p> <p>Specifically, TXDOT must comply with the ADA Standards for Transportation Facilities overseeing subrecipient compliance with requirements for rebuilding/rehabbing transit vehicles and when renovating/rehabbing transit facilities or designing/constructing new facilities. The following is a non-exhaustive list of ADA standards that TXDOT must comply with and document compliance of:</p> <p>Requirements for Rebuilt or Remanufactured Vehicles</p> <ul style="list-style-type: none"><li>• As required by DOT ADA Regulation 49 C.F.R. 37.75, DOT ADA Regulation 49 C.F.R. 37.83, and DOT ADA Regulation 49 C.F.R. 37.89, TXDOT must ensure remanufactured or rebuilt vehicles are accessible.</li></ul>

- As required by DOT ADA Regulation 49 C.F.R. 37.75 (c), DOT ADA Regulation 49 C.F.R. 37.83(c), and DOT ADA Regulation 49 C.F.R. 37.89(c), if a remanufactured or rebuilt vehicle will not be accessible, TXDOT must submit information to FTA demonstrating that the structural integrity of the vehicle would be significantly compromised if it is made accessible. Include an appropriate structural engineering analysis.

#### Requirements for New Construction of Facilities

- As required under DOT ADA Standard 206.4.1, TXDOT must ensure that 60 percent of all public entrances to the facility will be accessible. If a station has only two entrances, then both must be accessible.
- As required under DOT ADA Standard 810.10, for rail projects, TXDOT must ensure that no flange way gap can be greater than 2.5" where passenger circulation paths cross tracks at grade (i.e. a street-level pedestrian crossing over streetcar tracks).
- As required under DOT ADA Standard 206.3, TXDOT must ensure that accessible routes coincide with or are located in the same area as general circulation paths, and elements such as ramps, elevators, and fare vending and collection areas are placed to minimize the distance that wheelchair users and other persons who cannot climb steps must travel in comparison to the general public.
- As required under DOT ADA Standard 406.8, TXDOT must ensure that curb ramps will have detectable warnings.
- As required under DOT ADA Standard 810.2, TXDOT must ensure that bus boarding and alighting areas are in compliance with the ADA-ABA Guidelines (Section 810.2), which address surfaces (sturdy); dimensions (96" long x 60" wide); connection to sidewalks, streets, and pedestrian paths; slope (not steeper than 1:48); signs; and public address systems.
- As required by DOT ADA Standard 810.5.3, TXDOT must ensure that station platforms must be coordinated with the vehicle floor height.

#### Requirements Alterations or Additions to Facilities

- As required under DOT ADA Standard 201 and DOT ADA Regulation 49 C.F.R. 37.43(a)(1), TXDOT must ensure that altered or added portions of the facility must be made accessible.
- As required by DOT ADA Regulation 49 C.F.R. 37.43(a)(2) and DOT ADA Standard 202.3, TXDOT must ensure that the path of travel to the altered or added portion of the facility must be made accessible, to the maximum extent feasible.
- As required by DOT ADA Standard 202.4 and DOT ADA Regulation 49 C.F.R. 37.43(e)(1), if the path of travel cannot be made accessible, TXDOT must submit to FTA an analysis demonstrating that the cost of making the path of travel accessible is disproportionate to (i.e., > 20%) the cost of the alterations or additions to the primary function area.
- As required by DOT ADA Standard 202.4 and DOT ADA Regulation 49 C.F.R. 37.43(b), if the path of travel cannot be made accessible, TXDOT must submit to FTA an analysis demonstrating that site-specific conditions prevent you from making the path of travel accessible. Include relevant diagrams and maps.

The information provided above is intended as technical assistance and applies only to the project as described. Should the project scope change or new information on the project be provided, FTA may require a re-evaluation of the project information as it relates to ADA and require additional information. This confirmation is not an express or implied promise of project compliance with the ADA.

## Application Review Comments

Comment Type	Project Overview
Date	1/5/2023
Project Title	5339 Discretionary Facility - FY 2021
Project Number	TX-2023-014-02-00

CONCHO Valley:  
Facility Location:  
5507 Christoval Road  
San Angelo, TX 76904

Comment Estimated Project cost of 9 phases: \$22,102,213  
This project has also been awarded design funds previously from TxDOT. (TX-2020-129 and TX-2020-045)

CE Approval:  
CE approved by FTA on June 28, 2022

Schedule:  
I. Design (May 2022 - April 2023)  
II. Procurement (May 2023 - June 2023)

### III. Construction - Maintenance Building (July 2023 - June 2024)

-----  
ALICE, TX

Facility Location:  
FM 1554, Alice, TX 78332

Total Project Cost (Construction & Soft) - \$13.8M  
This project has been awarded funds previously from TxDOT. (TX-2020-045, TX-2021-063,)  
CE Approval:  
CE approved by FTA on 4/19/2021

Schedule:  
I. Design (July 1st 2022 - December 16th, 2022)  
II. Procurement (February 3rd, 2023 - April 4th, 2023)  
III. Construction - Mobility Hub and Administration Building  
(May 4th, 2023- October 10th, 2024)  
IV. Certificate of Occupancy (December 30, 2024- January 13th, 2025)

-----  
The grantee is reminded that all A/E and construction services must be acquired in accordance with the FTA third party procurement guidelines and to be aware of Eligible Cost and limits of FTA funded uses.

Grantee is reminded to be aware of Buy America, Build America Act (BABA) as included in Bipartisan Infrastructure Law (BIL), dated Nov 15, 2021 and as noted in the FTA Dear Colleague Letter dated November 7, 2022. The BABA expands the coverage and application of Buy America preferences in Federal financial assistance for infrastructure.

For projects funded by FTA grants, BABA requires that all the iron, steel manufactured products, and construction materials used in the project are produced in the United States.
