OK-2023-013-01-00	5490-2023-2-P1	3/24/2023	10/1/2024	9/30/2025

Project Description

The Road to Work program will utilize federal funds for operating in the amount of \$1,176,400.

Project Benefits

The Road to Work program provides efficient, effective, environmentally friendly and safe mobility for the Chickasaw Nation. Existing ridership base will be maintained while increasing ridership levels and expanding the types of services offered under the system's current operating parameters (service area and operating times). Additionally, this program will continue to research ways to provide for the economic stability of the transit system. The Road to Work program will also continue to promote the current services provided by the Chickasaw Transportation Services Program, as well as continue to coordinate and improve communications among the tribal stakeholders. This program also plans to continue exploring new and expanded services technologies to increase and enhance overall ridership experiences.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.
