Application Executive Summary

The Mashantucket Pequot Tribal Nation requests \$87,070 of Cares Act funds. The requested funds will be used for: to prevent, prepare for, and respond to coronavirus. The requested funds will be used for the following activities in continuing to provide transit service to the public during the COVID-19 pandemic:

- Operating Assistance
- Preventive Maintenance

In accordance with FTAs circulars 9040.1G and 9030.1E Preventative Maintenance activities are considered operating costs.

Activities in this grant will provide operating assistance to fill a gap caused by the COVID-19 pandemic. Per CARES/CRRSAA/ARP, the grant requests 100% federal share and the activities in this application.

Mashantucket Pequot Tribal Nation agrees that if it receives Federal funding from the Federal Emergency Management Agency (FEMA) or through a pass-through entity through the Robert T. Stafford Disaster Relief and Emergency Assistance Act, a different Federal agency, or insurance proceeds for any portion of a project activity approved for FTA funding under this Grant Agreement, it will provide written notification to FTA, and reimburse FTA for any Federal share that duplicates funding provided by FEMA, another Federal agency, or an insurance company.

Indirect Costs will be applied at approved rate of 41.34% per the attached documentation.

Mashantucket Pequot Tribal Nation executed it's FFY23 Certifications and Assurances in TrAMS on 5/31/2023

Federal labor protections because direct grants from the FTA to tribes do not involve a state-recipient relationship, the labor protective provisions of 49 U.S.C. 5333 (b) do not apply to this program.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.
