### Application Executive Summary

This is an FFY 2021 Section 5311 CRRSAA application in the amount of \$88,645.00, representing 100% federal share of the total eligible amount. This application utilizes CRRSAA funding to prevent, prepare for, and respond to Coronavirus. The application scope of work includes purchase of Tribal Transit vehicles.

The Recipient agrees that if it receives Federal funding from the Federal Emergency Management Agency (FEMA) or through a pass-through entity through the Robert T. Stafford Disaster Relief and Emergency Assistance Act, a different Federal agency, or insurance proceeds for any portion of a project activity approved for FTA funding under this Grant Agreement, it will provide written notification to FTA, and reimburse FTA for any Federal share that duplicates funding provided by FEMA, another Federal agency, or an insurance company.

The Recipient certifies that it, and its subrecipients and contractors that are providers of public transportation, have not furloughed any employees since March 27, 2020 (the enactment date of CARES Act).

In executing this grant, the Grand Portage Reservation Tribal Council agrees to abide by Section 3011 of the FAST Act (49 U.S.C. 5323(j)(2)(C) regarding the phased increase in domestic content under the Buy America statute for rolling stock.

As Grant Agreement includes an FTA-funded transit vehicle purchase, Recipient agrees to comply with the related requirements set forth in 49 CFR 26.49(a). Specifically, Recipient must ensure as a condition of being authorized to bid or propose on FTA-assisted transit vehicle procurements, that each transit vehicle manufacturer certified that it complied with DOT requirements for submitting a DBE program and goal to FTA prior to bidding. Recipient is also required to submit the name of the successful bidder and the total dollar value of the contract within 30 days of making an FTA- assisted transit vehicle award using the required FTA reporting tool. Recipient understands that failure to comply with these requirements may result in formal enforcement action or appropriate sanction as determined by FTA, including reimbursement of FTA funds used for the vehicle procurement.

Per the CRRSAA, the project(s) in this application is/are not required to be programmed in the Long-Range Transportation Plan, Statewide Transportation Plan, or Statewide Transportation Improvement Program. Attached to this grant is proof of the funding apportionment.

## Project Environmental Findings

### Finding: Class II(c) - Categorical Exclusions (C-List)

#### Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or

natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

### Categorical Exclusion Description

Type 07: Acquisition, installation, rehabilitation, replacement, and maintenance of vehicles or equipment, within or accommodated by existing facilities, that does not result in a change in functional use of the facilities, such as: equipment to be located within existing facilities and with no substantial off-site impacts; and vehicles, including buses, rail cars, trolley cars, ferry boats and people movers that can be accommodated by existing facilities or by new facilities that qualify for a categorical exclusion.
