### Application Executive Summary

This is an FFY 2021 Section 5311 ARPA funding application (Maine Statewide, UZA) in the amount of \$49,343, representing 100% federal share of the total eligible amount. This application utilizes ARP funding to prevent, prepare for, and respond to coronavirus. The requested funds will be used for the following activities in continuing to provide transit service to the public during the COVID-19 pandemic:  
- Operating Assistance

In accordance with FTAs circulars 9040.1G and 9030.1E Preventative Maintenance activities are considered operating costs.

The Houlton Band of Maliseet Indians agrees that if it receives Federal funding from the Federal Emergency Management Agency (FEMA) or through a pass-through entity through the Robert T. Stafford Disaster Relief and Emergency Assistance Act, a different Federal agency, or insurance proceeds for any portion of a project activity approved for FTA funding under this Grant Agreement, it will provide written notification to FTA, and reimburse FTA for any Federal share that duplicates funding provided by FEMA, another Federal agency, or an insurance company.

FTA planning requirements tribes are not subject to federal planning requirements, and the FTA will not require tribes to attach tribal transportation plans to a STIP (Statewide Transportation Improvement Program).

Local share requirement the FTA does not require a non-federal matching share for Tribal Transit Program grants.

Federal labor protections because direct grants from the FTA to tribes do not involve a state-recipient relationship, the labor protective provisions of 49 U.S.C. 5333 (b) do not apply to this program.

**Extended Budget Description**

In accordance with FTA’s circulars 9040.1G and 9030.1E Preventative Maintenance activities are considered operating costs.

Funds will be used for all operating activities (net fare revenues) incurred for demand response, ADA Paratransit, Fixed Route and Shuttle Services. Operating expenses include costs necessary to operate, maintain, and manage a public transportation system including driver salaries, fuel, personal protective equipment, cleaning supplies and administrative leave for employees put on leave due to reductions in service or leave required for a quarantined worker and leave for an employee to receive the vaccine and recover from potential side effects.

Preventive maintenance is considered an operating activity and includes activities for vehicles and facilities includes all activities, supplies, materials, labor, services, and associated costs required to preserve or extend the functionality and serviceability of the asset in a cost-effective manner, up to and including the current state of the art for maintaining such asset. Some examples of activities funded include but are not limited to: - Increase in daily cleaning of rolling stock and facilities; - Hand Sanitizers & Dispenser; - Public Service Announcements and signage related to the prevention of spreading COVID-19; - Increase in Cleaning of Bus Shelters

**Will 3rd Party contractors be used to fulfill this activity line item?**

No, 3rd Party Contractors will not be used for this line item.

**Project Environmental Findings**

**Finding: Class II(c) - Categorical Exclusions (C-List)**

**Class Level Description**

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

**Categorical Exclusion Description**

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.

Date	Description
	Class IIc CE Approved

## Part 4: Fleet Details

No fleet data exists for this application.
