Part 2: Application Information

Title: NJT FFY2021 Section 5311, 5311(F), 5311 RTAP Operating Assistance (ARP)

FAIN	Application Status	Award Type	Application Cost Center	Date Created	Last Updated Date	From TEAM?
NJ-2023-008-00	Final Concurrence / Reservation	Grant	Region 2	5/23/2023	5/23/2023	No

Application Executive Summary

This is an FFY 2021 Section 5311 ARP, 5311(f) ARP, and 5311 RTAP ARP funding application in the amount of \$1,613,094.00, representing 100% federal share of the total eligible amount. This application utilizes ARP funding to prevent, prepare for, and respond to coronavirus. The application scope of work includes: \$926,383 for Section 5311ARP for operating assistance to five (5) subrecipients and State program administration; operating assistance to an Intercity 5311 (f) ARP subrecipient in the amount of \$ 598,773; and \$87,938.00 of 5311(b)(3) Rural Transit Assistance Program for technical assistance and training.

Five (5) subrecipients are requesting Non-urbanized Area Formula Program subrecipients and one (1) intercity providers, for services that have met all the federal requirements. (Category A).

NJT certifies, that after consultation, the intercity needs are being met and will not use 15% of the 5311 ARP funds toward intercity bus. Certification letter from the Governor is attached. However, NJ TRANSIT will use all of the \$598,773 supplemental allocation of Intercity S5311-(f) ARP funds as appropriated in Table 5 to support intercity needs in NJ which will be allocated to our active subrecipient, Academy Bus Inc.

After FTA approves this grant application, NJ TRANSIT will fund subrecipients services as outlined in this application. However, NJ TRANSIT will only dispense funds for services that meet all the federal requirements (Category A services).

RTAP Program will fund the implementation of training and technical assistance projects to meet the specific needs of the subrecipients providing services in the rural areas of the State.

State Administration for NJ TRANSIT staff to oversee day-to-day management of activities including but not limited to federal oversight and compliance, FTA and NTD reporting requirements, grant application and agreement development, finance reimbursements, grant closeouts, on-site reviews and to provide technical assistance to the subrecipients as needed.

NJ Transit agrees that if it receives Federal funding from the Federal Emergency Management Agency (FEMA) or through a pass-through entity through the Robert T. Stafford Disaster Relief and Emergency Assistance Act, a different Federal agency, or insurance proceeds for any portion of a project activity approved for FTA funding under this Grant Agreement, it will provide written notification to FTA, and reimburse FTA for any Federal share that duplicates funding provided by FEMA, another Federal agency, or an insurance company.

Per ARP, the project(s) in this application is/are not required to be programmed in the Long-Range Transportation Plan, Statewide Transportation Plan, or Statewide Transportation Improvement Program.

Award Description

Purpose

This application utilizes ARP funding to prevent, prepare for, and respond to coronavirus. These funds will be used to support operations for five (5) subrecipients, RTAP, and State Administration.

Activities to be performed:

Funds will support both demand response and route deviation services that are mostly focused on employment-related trips, the implementation of training and technical assistance projects to meet the specific needs of the subrecipients providing services in the rural area of New Jersey, and State Administration for NJ TRANSIT staff to oversee day-to-day management of activities.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or

program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.
