Application Executive Summary

This application is to request FY2021 Section 5311 Tribal Transit Formula ARP Acts fund apportioned to the Reno-Sparks Indian Colony, Nevada, in the amount of \$83,397.

This application utilizes ARP Act funding to prevent, prepare for, and respond to coronavirus.

The Grant funding will be used for Reimbursement on Salaries/Wages from 01/01/2023 06/09/2023
Project End Date 12/31/2024.

The activities that will be performed for the Salary/Wages Reimbursement will be for 2 Transit Drivers and 2 Transit Mechanics. (Mechanics will split the remaining balance of this grant). The time period for 2 drivers and 2 mechanics are between 01/01/2023 06/09/2023.

The outcomes of having this grant application approved will help replenish Reno-Sparks Indian Colony General Funding, which was used for Transit Salaries/Wages for 2 transit drivers and 2 mechanics.

The benefits of the grant will help Reno-Sparks Indian Colony Transit operate at full capacity and keep job positions filled. While providing Transit rides to passengers to get to essential services and to work in the continued years of operation.

Reno-Sparks Indian Colony agrees that if it receives Federal funding from the Federal Emergency Management Agency (FEMA) or through a pass-through entity through the Robert T. Stafford Disaster Relief and Emergency Assistance Act, a different Federal agency, or insurance proceeds for any portion of a project activity approved for FTA funding under this Grant Agreement provided by FEMA, another Federal agency, or an insurance company, it will provide written notification to FTA, and reimburse FTA for any Federal share that duplicates funding.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an

environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.
