This award is using Pre-Award Authority.

Does this application include suballocation funds?

Recipient organization is directly allocated these funds and is eligible to apply for and receive these funds directly.

Will this Grant be using Lapsing Funds?

No, this Grant does not use Lapsing Funds.

Will indirect costs be applied to this application?

This award does not include an indirect cost rate.

Indirect Rate Details: N/A

Requires E.O. 12372 Review

No, this application does not require E.O. 12372 Review.

Delinquent Federal Debt

No, my organization does not have delinquent federal debt.

Award Description

Purpose

The purpose of this application is to assist with operational funds for upgrading, reclassifying and retaining transit employees. Operational funds will include expenses needed for fuel costs for the remaining year of FY21 & FY22. Operational funds will be used for administration supplies/materials for the transit facility and assistance with the transit administration's operations.

Activities to be performed:

The activities that will be performed is to utilize towards staff wages, fuel, maintenance costs and items having a useless life of less than one year.

Expected outcomes:

The outcomes of having this grant application approved will be to improve the Tribal Transit program by retaining employees and attracting qualified job applicants for open transit positions. The inflated fuel rates have tremendously affected the Tribe as the monthly fuel bill has doubled in costs from being \$4.79 a gallon in 2021 to \$6.99 a gallon in 2022.

Intended beneficiaries:

The benefits of this grant award will improve the tribe Tribal Transit program by retaining employees and attracting qualified job applicants for open transit positions. The current wages that are in place are not competitive with jobs in this rural area. The communities of lake Havasu , CA and Lake Havasu City , Az will benefit from transit services for access to health care and basic needs.

Subrecipient Activities:

None

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.
