Part 3: Project Information

Project Title: Continued Public Transportation Fixed Route Service for the Pueblo of Zuni

Project Number	Temporary Project Number	Date Created	Start Date	End Date
NM-2023-051-01-00	7303-2023-2-P1	9/7/2023	10/1/2023	10/1/2026

Project Description

The Pueblo of Zuni A:Shiwi Transit is applying for available formula funds for FY2021 for the total amount of \$191,909.00 for Operating Assistance. Funds will be used for our fixed route service. An expansion of routes will include three additional routes that service Cibola County, Albuquerque NM, and Zuni NM. With the expansion of route and service, more personnel/drivers will be needed to meet the demand for our growing transit program The Pueblo of Zuni will continue to provide transportation service for the community members of Zuni, NM, and surrounding rural areas so they may have access to services such as health care, shopping, education, recreation, public service and employment.

Project Benefits

The Pueblo of Zuni A:Shiwi Transit is a vital service that provides the Pueblo of Zuni community members & rural McKinley County public transportation service. To date, the transit service has provided 112,114 trips. Pueblo of Zuni A:Shiwi Transit provides an alternative to transportation for those who don't have reliable transportation and those who have transportation, it eases time management, saves households money, and increases mobility to those who otherwise wouldn't be able to get from Point A to Point B. With the continued service that A: Shiwi Transit offers, riders can have the option to access employment, educational, and leisure opportunities throughout Southern McKinley County and parts of Cibola County.

Additional Information

The Pueblo of Zuni A:Shiwi Transit provides public transportation service to The Pueblo of Zuni, McKinley County, and Cibola County, and other rural areas within the southwestern region of New Mexico

Location Description

The Pueblo of Zuni offers public transportation to the community members of Zuni, NM. Our service offers riders a safe reliable way to get to their health care appointments, public service locations, goods stores and attend leisure activities.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.
