Does this application include funds for research and/or development activities?

This award does not include research and development activities.

Pre-Award Authority

This award is using Pre-Award Authority.

Does this application include suballocation funds?

Recipient organization is directly allocated these funds and is eligible to apply for and receive these funds directly.

Will this Grant be using Lapsing Funds?

Yes, this Grant will use Lapsing Funds.

Will indirect costs be applied to this application?

This award does not include an indirect cost rate.

Indirect Rate Details: N/A

Requires E.O. 12372 Review

No, this application does not require E.O. 12372 Review.

Delinquent Federal Debt

No, my organization does not have delinquent federal debt.

Award Description

Purpose

The purpose of the award is to provide operating and capacity building funds for the period of September 1, 2025 through August 31, 2027.

Activities to be performed:

Funds will cover operating expenses such as Staff wages/training expenses.

Expected outcomes:

Funding will allow the continued operation of transit services and opportunity to increase capacity in program knowledge.

Intended beneficiaries:

The benefits of this grant award will provide staff training and capacity building for those staff that oversee the management of this grant program and operating expense support for the transit program operational needs.

Subrecipient Activities:

None

Project Environmental Findings**Finding: Class II(c) - Categorical Exclusions (C-List)****Class Level Description**

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction,

such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.
