Application Executive Summary

Amendment 05:

This amendment will de-obligate \$122,671 in FY 2020 CARES Act Section 5311 funding previously obligated in State Administration and \$2,756,206 previously obligated in Operating. These de-obligated funds will be re-obligated under amendment #6 which will program a new project for vehicle procurement.

No other changes are being made to this grant/project at this time.

End Amendment 05

Budget Revision 01:

This revision will modify the period of performance end date from 05/01/2025 to 11/30/2027 to align with the contract completion dates. We utilized older funding before drawing down these funds. We also issued a new call for applications to aid in spending these funds down sooner.

Amendment 04:

This zero-dollar amendment adds the City of Twin Falls as a sub-recipient to this application and adds a new ALI for Purchase of Service in order to fund the implementation and administration of Microtransit services in the City of Twin Falls upon the dissolution of current area transit provider, TransIV. This amendment will be followed by a budget revision that will move \$856,786 of unspent TransIV CARES award into the newly created ALI.

ID-2020-07 POP Amendment 04.xlsx has been uploaded to documents section

No other changes are being made to this grant/project at this time.

Furlough Certification:

The Recipient certifies that it, and its subrecipients and contractors that are providers of public transportation, have not furloughed any employees since March 27, 2020 (the enactment date of the CARES Act).

Special Conditions:

The Recipient agrees that if it receives Federal funding from the Federal Emergency Management Agency (FEMA) or through a pass-through entity through the Robert T. Stafford Disaster Relief and Emergency Assistance Act, a different Federal agency, or insurance proceeds for any portion of a project activity approved for FTA funding under this Grant Agreement, it will provide written notification to FTA, and reimburse FTA for any Federal share that duplicates funding provided by FEMA, another Federal agency, or an insurance company.

Purpose:

This amendment will add a new subrecipient, City of Twin Falls, which is taking over operations of transit services from Trans IV. City of Twin Falls will procure transit services to sustain transit within the service

area. Total funding change to this agreement is \$0.

Activities to be performed:

Subrecipient will purchase transit services.

Expected Outcomes:

Sustained transit services within the City of Twin Falls area.

Intended Beneficiaries:

General public in rural areas across the State of Idaho.

Subrecipient Activities:

This amendment adds the following subrecipient:

- City of Twin Falls: Purchase transit services to sustain transit within the City of Twin Falls when Trans IV shuts down services.

Amendment 03:

This amendment will re-obligate \$1,860,703 in FY 2020 CARES Act Section 5311 funding previously de-obligated in Amendment #02 to fund upgrades and enhancements of subrecipient Intelligent Transportation Systems (ITS) that provide: scheduling and dispatch, in-vehicle mobile data terminals, in-vehicle audio/video surveillance systems, GPS/AVL tracking, automatic passenger counting, digital signage and ADA compliant automatic voice announcement systems (AVA).

Furlough Certification:

The Recipient certifies that it, and its subrecipients and contractors that are providers of public transportation, have not furloughed any employees since March 27, 2020 (the enactment date of the CARES Act).

Special Conditions:

The Recipient agrees that if it receives Federal funding from the Federal Emergency Management Agency (FEMA) or through a pass-through entity through the Robert T. Stafford Disaster Relief and Emergency Assistance Act, a different Federal agency, or insurance proceeds for any portion of a project activity approved for FTA funding under this Grant Agreement, it will provide written notification to FTA, and reimburse FTA for any Federal share that duplicates funding provided by FEMA, another Federal agency, or an insurance company.

No other changes are being made to this grant/project at this time.

Purpose:

This amendment will re-obligate funds to complete subrecipient Intelligent Transportation System projects that will support safer customer access to transit during the COVID-19 pandemic. Projects include: Scheduling and Dispatch systems, In-vehicle mobile data terminals, in-vehicle audio/video surveillance systems, GPS/AVL vehicle tracking, automated passenger counting systems, digital signage for buses, and automated voice annunciator systems for buses.

Activities to be performed:

Subrecipients will purchase and install all technology systems while ITD will administer the grant funds and agreements.

Expected Outcomes:

Rural transit systems will have better technology to support better customer understanding and safer customer interactions including keeping riders safe and distanced during the COVID-19 pandemic.

Intended Beneficiaries:

General public in rural areas across the State of Idaho.

Subrecipient Activities:

This grant will have the following subrecipients:

- SPOT: Vehicle audio/video surveillance systems.
- Coeur d'Alene Tribe: Software licenses and annual fees for scheduling software and MDT/AVL vehicle software.
- SMART: Mobile Data Terminals for vehicles, dispatch software, and real time passenger updates software/hardware.
- Treasure Valley Transit: Upgrades and enhancements of user accessible hardware and software for demand response dispatch, stop annunciator equipment, scheduling software, mobile data terminal hardware and software.
- Mountain Rides Transportation Authority: Hardware, software, service and support for ADA compliant annunciators.
- Pocatello Regional Transit: Upgrades and enhancements of user accessible hardware and software for demand response dispatch, stop annunciator equipment, scheduling software, mobile data terminal hardware and software.

Amendment 02:

This amendment will de-obligate \$1,860,703 in FY 2020 CARES Act Section 5311 funding previously obligated in State Administration. These de-obligated funds will be re-obligated under amendment #3 which will program a new project for technology additions/upgrades for rural providers that will result in contactless fare systems in order to prepare for, prevent, and respond to the COVID-19 pandemic.

No other changes are being made to this grant/project at this time.

Amendment 01:

This amendment will de-obligate \$233,453 in FY 2020 CARES Act Section 5311 funding previously obligated. These de-obligated funds will be re-obligated by the Shoshone-Bannock Tribe, under a separate grant, for COVID-19 pandemic response related activities, consistent with ITD's refined Program of Projects for CARES Act funding. At the request of the Tribe (as stated in ITD's letter to FTA dated June 3, 2020), the Tribe will manage these funds directly with the FTA.

No other changes are being made to this grant/project at this time.

Initial Application:

This application includes \$27,303,356 in CARES ACT FY 2020 Section 5311 CARES Act funding, which represents the full amount available, for rural operations, state administration, and intercity bus operations - at 100% federal share - for costs related to the response to the coronavirus public health emergency as described in section 319 of the Public Health Service Act.

***** Special Condition *****

The Recipient agrees that if it receives Federal funding from the Federal Emergency Management Agency (FEMA) or through a pass-through entity through the Robert T. Stafford Disaster Relief and Emergency Assistance Act, a different Federal agency, or insurance proceeds for any portion of a project activity approved for FTA funding under this Grant Agreement, it will provide written notification to FTA, and reimburse FTA for any Federal share that duplicates funding provided by FEMA, another Federal agency, or an insurance company.

Does this application include funds for research and/or development activities?

This award does not include research and development activities.

Pre-Award Authority

This award is using Pre-Award Authority.

Does this application include suballocation funds?

Recipient organization is directly allocated these funds and is eligible to apply for and receive these funds directly.

Will this Grant be using Lapsing Funds?

No, this Grant does not use Lapsing Funds.

Will indirect costs be applied to this application?

This award does not include an indirect cost rate.

Indirect Rate Details: N/A

Requires E.O. 12372 Review

No, this application does not require E.O. 12372 Review.

Delinquent Federal Debt

No, my organization does not have delinquent federal debt.

Award Description

Purpose

Costs related to the response to the coronavirus public health emergency as described in section 319 of the Public Health Service Act.

Activities to be performed:

Costs related to the response to the coronavirus public health emergency as described in section 319 of the Public Health Service Act.

Expected outcomes:

Enhanced safety and mobility across the State of Idaho

Intended beneficiaries:

The general public within the State of Idaho.

Subrecipient Activities:

Multiple Subrecipients

Part 3: Project Information

Project Title: CARES ACT - FY2020 Sec 5311 Operations, ITS, and State Admin for Idaho Transportation Department

Project Number	Temporary Project Number	Date Created	Start Date	End Date
ID-2020-007-01-05	1722-2020-2-P1	8/8/2025	1/20/2020	2/1/2025

Project Description
Amendment 05:

This amendment will de-obligate \$122,671 in FY 2020 CARES Act Section 5311 funding previously obligated in State Administration and \$2,756,206 previously obligated in Operating. These de-obligated funds will be re-obligated under amendment #6 which will program a new project for vehicle procurement.

No other changes are being made to this grant/project at this time.

End Amendment 05

Amendment No. 04:

This zero-dollar amendment adds the City of Twin Falls as a sub-recipient to this application and adds a new ALI for the Purchase of Service to existing scope codes in order to fund the implementation and administration of Microtransit services in the City of Twin Falls. The City of Twin Falls will be assuming transit services upon the dissolution of the current area transit provider, TransIV. This amendment will be followed by a budget revision that will move \$856,786 of unspent TransIV CARES operating award into the newly created ALI.

No other changes are being made to this grant/project at this time.

Amendment 03:

This amendment will re-obligate \$1,860,703 in FY 2020 CARES Act Section 5311 funding previously de-obligated in Amendment #02 to fund upgrades and enhancements of subrecipient Intelligent Transportation Systems (ITS) that provide: scheduling and dispatch, in-vehicle mobile data terminals, in-vehicle audio/video surveillance systems, GPS/AVL tracking, automatic passenger counting, digital signage and ADA compliant automatic voice annunciation systems (AVA).

No other changes are being made to this grant/project at this time.

Amendment 02:

This amendment will de-obligate \$1,860,703 in FY 2020 CARES Act Section 5311 funding previously obligated in State Administration. These de-obligated funds will be re-obligated under amendment #3 which will program a new project for technology additions/upgrades for rural providers that will result in contactless fare systems in order to prepare for, prevent, and respond to the COVID-19 pandemic.

No other changes are being made to this grant/project at this time.

Amendment 01:

This amendment will de-obligate \$233,453 in FY 2020 CARES Act Section 5311 funding previously obligated. These de-obligated funds will be re-obligated by the Shoshone-Bannock Tribe, under a separate grant, for COVID-19 pandemic response related activities, consistent with ITD's refined Program of Projects for CARES Act funding. At the request of the Tribe (as stated in ITD's letter to FTA dated June 3, 2020), the Tribe will manage these funds directly with the FTA.

No other changes are being made to this grant/project at this time.

Initial Application:

This project includes \$23,207,853 in CARES ACT FY 2020 Section 5311 CARES Act funding for rural operations, and state administration costs related to the response to the coronavirus public health emergency as described in section 319 of the Public Health Service Act.

Project Benefits

Sustain operations and provide technology upgrades and enhancements that prioritize public health and safety for staff and the public accessing transit during the COVID-19 pandemic.

Additional Information

None provided.

Location Description

These projects encompass the entire state; as providers within each of the six ITD districts will be receiving funding.

End Amendment 05

No other changes are being made to this grant/project at this time.

Budget Revision 11/16/2022

No change to this ALI.

Amendment 04:

No change to this ALI.

Amendment 03:

No change to this ALI.

Amendment 02:

Total change to this ALI is to reduce this ALI by \$1,860,703 and de-obligate the funds. The reason for this change is to re-obligate the funds under Amendment #3 for a new project for technology additions/ upgrades for rural providers that will result in contactless fare systems in order to prepare for, prevent, and respond to the COVID-19 pandemic. No other changes to this ALI.

Amendment 01:

No changes to this ALI.

Initial Application:

This activity includes \$2,730,335 in CARES Act 2020 Section 5311 CARES act funds at the 100% Federal, 0% local match ratio for State Administration for the time period of 01/20/2020- 06/30/2022. Please see attached POP for details.

STIP

Transportation Improvement Program (TIP) or the Statewide Transportation Improvement Program (STIP): CARES Act funds used to pay for operating expenses do not need to be included in the TIP/STIP. CARES Act funds used to pay for capital expenses for emergency relief do not need to be included in the TIP/STIP unless the projects are for substantial functional, locational, or capacity changes. 23 CFR 450.326(e)(5), 450.218(g)(5).

Will 3rd Party contractors be used to fulfill this activity line item?

No, 3rd Party Contractors will not be used for this line item.

Amendment 5:

No change to this ALI

Budget Revision 11/16/2022

No change to this ALI.

Amendment 4:

No change to this ALI.

Amendment 3:

This amendment adds this ALI and increases it by \$840,651 in CARES Act - FY2020 Section 5311 funds at the 100% federal, 0% local match ratio to fund upgrades and enhancements of subrecipient ITS hardware.

Hardware being purchased includes:

- scheduling and dispatch systems;
- in-vehicle mobile data terminals;
- in-vehicle audio/video surveillance systems;
- GPS/AVL tracking;
- automatic passenger counting; and
- digital signage.

Please see the attached POP for subrecipient details.

Useful Life:

The estimated useful life for the scheduling and dispatch system, mobile data terminals, audio/video surveillance systems, GPS/AVL hardware, automated passenger counters, and digital signage is five years.

STIP

The programmed activities were included in the ITD FY2021-FY2027, Key Numbers 23054, 23055, 23057, 23059, 23060, 23061, Federally approved on January 5, 2021.

Will 3rd Party contractors be used to fulfill this activity line item?

Yes, 3rd Party Contractors will be used for this line item.

Extended Budget Description

Amendment 05:

This amendment will de-obligate \$2,756,206 in FY 2020 CARES Act Section 5311 funding previously obligated in Operating. These de-obligated funds will be re-obligated under amendment #6 which will program a new project for vehicle procurement.

No other changes are being made to this grant/project at this time.

End Amendment 05

Budget Revision 11/16/2022

This budget revision reduces this ALI by \$3,000,000 for the new ALI 30.09.08 that was created in Amendment 04. Please see the attached POP for specific breakout details.

Amendment 04:

Total change to this ALI is to update subrecipients to identify that Trans V will be ceasing services and the City of Twin Falls will be assuming services from Trans IV. The City of Twin Falls plans to procure services. After the processing of this \$0 Amendment, a budget revision will be completed to move the remaining project funds, \$856,786, into a new ALI for the purchase of services.

STIP

Transportation Improvement Program (TIP) or the Statewide Transportation Improvement Program (STIP): CARES Act funds used to pay for operating expenses do not need to be included in the TIP/STIP. No changes to this ALI

Amendment 01:

Total change to this ALI is a decrease of \$233,453 in FY2020 CARES Act Section 5311 funds. The reason for this change is to de-boligate funds for the Shoshone-Bannock Tribe so that the tribe can re-obligate and manage the funds directly with FTA, as stated in ITD's letter to FTA dated June 3, 2020. A copy of this letter is attached to this application.

Initial Application:

This activity includes \$20,477,518 in CARES Act 2020 Section 5311 funds at the 100% federal, 0% local match ratio for operating expenses for the time period of 1/20/2020 through 6/30/2020. Please see the attached POP for specific breakout details.

STIP

Transportation Improvement Program (TIP) or the Statewide Transportation Improvement Program (STIP):

CARES Act funds used to pay for operating expenses do not need to be included in the TIP/STIP. CARES Act funds used to pay for capital expenses for emergency relief do not need to be included in the TIP/STIP unless the projects are for substantial functional, locational, or capacity changes. 23 CFR 450.326(e)(5), 450.218(g)(5).

Will 3rd Party contractors be used to fulfill this activity line item?

Yes, 3rd Party Contractors will be used for this line item.

Extended Budget Description

Amendment 5:

No change to this ALI

Budget Revision 11/16/2022

No change to this ALI.

Amendment 4:

No change to this ALI.

Amendment 3:

This amendment adds this ALI and increases it by \$809,453 in CARES Act - FY2020 Section 5311 funds at the 100% federal, 0% local match ratio to fund upgrades and enhancements of subrecipient ITS

software for the following activities:

- scheduling and dispatch software for fixed-route and demand response transit;
- front-end interfaces for mobile data terminals;
- capture software for audio/video surveillance systems storage;
- GPS/AVL terminal software;
- Subscription services to GPS cloud software and vehicle reporting;
- automatic passenger counting databases; and
- digital signage servers.

Please see the attached POP for specific subrecipient details.

Useful Life:

The estimated useful life for the equipment included in this ALI, including scheduling and dispatch software, capture software for audio/video surveillance, GPS/AVL terminal software, and automatic passenger counting databases, is five years. All other software included in this ALI has a cost less than \$ 5,000 and therefore is not required to report a useful life.

STIP

The programmed activities were included in the ITD FY2021-FY2027, Key Numbers 23054, 23055, 23057, 23059, 23060, 23061, Federally approved on January 5, 2021.

Will 3rd Party contractors be used to fulfill this activity line item?

Yes, 3rd Party Contractors will be used for this line item.

Extended Budget Description

Amendment 05:
No changes to this ALI.

Budget Revision 11/16/2022

This budget revision increases this ALI (approved in Amendment 04) by \$3,000,000. \$856,786 previously obligated to Trans IV and \$2,143,214 previously obligated to ITD-PT.

This Activity Line Item includes \$0 in FY2020 Section 5311 CARES Act funds for a 3rd party contract to provide turnkey micro-transit service to the City of Twin Falls. Upon execution of Amendment #4 a budget revision will move \$856,786 from same Scope, same ALI, into this ALI to document the use of operating funds to purchase services for the City of Twin Falls area. Operations are projected to take place between 01/1/2023 through 01/31/2025.

All third party procurement policies as Defined in C4220.1f will be followed. All contractors procured will not be on the FTA Suspension and Debarment List.

STIP

CARES Act funds used to pay for operating expenses do not need to be included in the TIP/STIP. CARES Act funds used to pay for capital expenses for emergency relief do not need to be included in the TIP/STIP unless the projects are for substantial functional, locational, or capacity changes. 23 CFR 450.326(e)(5), 450.218(g)(5).

Will 3rd Party contractors be used to fulfill this activity line item?

Yes, 3rd Party Contractors will be used for this line item.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.

No changes to this project

Amendment 04:

No changes to this project

Amendment 03:

No changes to this project

Amendment 02:

No changes to this project

Amendment 01:

No changes to this project

Initial Application:

This application includes \$4,095,503 in CARES ACT FY 2020 Section 5311 CARES Act funding for intercity bus costs related to the response to the coronavirus public health emergency as described in section 319 of the Public Health Service Act.

Funds are being programmed to provide initial funds for subrecipients with a secondary process to award remaining funds to address additional needs. Due to the changing nature of the current public health emergency this will provide maximum flexibility to ITD. Funds will be treated similar to "Category B" and ITD will revise the grant to provide a more finalized budget once all funds are programmed.

Project Benefits

Sustain operations and a safe environment for staff and the public accessing transportation options

Additional Information

None provided.

Location Description

The funded project will be covering Northern and Southwest Idaho covering the cities of Lewiston, Craigmont, Cottonwood, Grangeville, Whitebird, Riggins, New Meadows, McCall, Donnelly, Cascade, Horseshoe Bend, and Boise.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects called categorical exclusions (CEs) which are known not to have, either individually or cumulatively, a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. Class II(c) does not require documentation.

Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.
